OFFICE OF GENERAL COUNSEL**

WINTER 2020

INTRODUCTION

On behalf of the Director of National Intelligence, I am pleased to make available the Winter 2020 edition of the Intelligence Community Legal Reference Book. The Office of General Counsel updated the Reference Book to reflect legal developments since the 2016 edition and comments received from the Intelligence Community. Additionally, we are updating the online version of the reference book, which is available at www.dni.gov/ogc.

The body of law contained in this collection provides the Intelligence Community with much of its authority and guidance. We hope this collection will provide professionals across the federal government with a helpful, consolidated resource to use in their day-to-day work on behalf of the American people.

This new edition is the result of many hours of hard work. I would like to extend my thanks to those across the Community who assisted the Office of General Counsel in recommending and preparing the authorities contained herein. I hope this book proves a valuable addition to your library and a useful tool as you carry out your vital mission.

ABOUT THIS BOOK

The documents presented in this book have been updated to incorporate all amendments made since the Spring 2016 version through December 20, 2019, at which point the documents were, where possible, verified against the United States Code maintained by The Library of Congress and Westlaw. The text of these documents should be cited as “as amended.” Editorial notes throughout the book have been placed in brackets or otherwise noted.

All documents in this book are UNCLASSIFIED.

This compilation was a significant effort and required many judgments concerning what text to include and how to organize the book. We welcome your thoughts for improving future versions.

PREAMBLE

We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America.

ARTICLE. I.

SECTION 1.

All legislative Powers herein granted shall be vested in a Congress of the United States, which shall consist of a Senate and House of Representatives.

SECTION 2.

The House of Representatives shall be composed of Members chosen every second Year by the People of the several States, and the Electors in each State shall have the Qualifications requisite for Electors of the most numerous Branch of the State Legislature.

No Person shall be a Representative who shall not have attained to the Age of twenty five Years, and been seven Years a Citizen of the United States, and who shall not, when elected, be an Inhabitant of that State in which he shall be chosen.

Representatives and direct Taxes shall be apportioned among the several States which may be included within this Union, according to their respective Numbers, which shall be determined by adding to the whole Number of free Persons, including those bound to Service for a Term of Years, and excluding Indians not taxed, three fifths of all other Persons. The actual Enumeration shall be made within three Years after the first Meeting of the Congress of the United States, and within every subsequent Term of ten Years, in such Manner as they shall by Law direct. The Number of Representatives shall not exceed one for every thirty Thousand, but each State shall have at Least one Representative; and until such enumeration shall be made, the State of New Hampshire shall be entitled to chuse three, Massachusetts eight, Rhode-Island and Providence Plantations one, Connecticut five, New-York six, New Jersey four, Pennsylvania eight, Delaware one, Maryland six, Virginia ten, North Carolina five, South Carolina five, and Georgia three.

UNITED STATES CONSTITUTION

When vacancies happen in the Representation from any State, the Executive Authority thereof shall issue Writs of Election to fill such Vacancies.

The House of Representatives shall chuse their Speaker and other Officers; and shall have the sole Power of Impeachment.

SECTION 3.

The Senate of the United States shall be composed of two Senators from each State, chosen by the Legislature thereof, for six Years; and each Senator shall have one Vote.

Immediately after they shall be assembled in Consequence of the first Election, they shall be divided as equally as may be into three Classes. The Seats of the Senators of the first Class shall be vacated at the Expiration of the second Year, of the second Class at the Expiration of the fourth Year, and of the third Class at the Expiration of the sixth Year, so that one third may be chosen every second Year; and if Vacancies happen by Resignation, or otherwise, during the Recess of the Legislature of any State, the Executive thereof may make temporary Appointments until the next Meeting of the Legislature, which shall then fill such Vacancies.

No Person shall be a Senator who shall not have attained to the Age of thirty Years, and been nine Years a Citizen of the United States, and who shall not, when elected, be an Inhabitant of that State for which he shall be chosen.

The Vice President of the United States shall be President of the Senate but shall have no Vote, unless they be equally divided.

The Senate shall chuse their other Officers, and also a President pro tempore, in the Absence of the Vice President, or when he shall exercise the Office of President of the United States.

The Senate shall have the sole Power to try all Impeachments. When sitting for that Purpose, they shall be on Oath or Affirmation. When the President of the United States is tried, the Chief Justice shall preside: And no Person shall be convicted without the Concurrence of two thirds of the Members present.

Judgment in Cases of Impeachment shall not extend further than to removal from Office, and disqualification to hold and enjoy any Office of honor, Trust or Profit under the United States: but the Party convicted shall nevertheless be liable and subject to Indictment, Trial, Judgment and Punishment, according to Law.

SECTION 4.

The Times, Places and Manner of holding Elections for Senators and Representatives, shall be prescribed in each State by the Legislature thereof; but the Congress may at any time by Law make or alter such Regulations, except as to the Places of chusing Senators.

The Congress shall assemble at least once in every Year, and such Meeting shall be on the first Monday in December, unless they shall by Law appoint a different Day.

SECTION 5.

Each House shall be the Judge of the Elections, Returns and Qualifications of its own Members, and a Majority of each shall constitute a Quorum to do Business; but a smaller Number may adjourn from day to day, and may be authorized to compel the Attendance of absent Members, in such Manner, and under such Penalties as each House may provide.

Each House may determine the Rules of its Proceedings, punish its Members for disorderly Behaviour, and, with the Concurrence of two thirds, expel a Member.

Each House shall keep a Journal of its Proceedings, and from time to time publish the same, excepting such Parts as may in their Judgment require Secrecy; and the Yeas and Nays of the Members of either House on any question shall, at the Desire of one fifth of those Present, be entered on the Journal.

Neither House, during the Session of Congress, shall, without the Consent of the other, adjourn for more than three days, nor to any other Place than that in which the two Houses shall be sitting.

SECTION 6.

All Bills for raising Revenue shall originate in the House of Representatives; but the Senate may propose or concur with Amendments as on other Bills.

Every Bill which shall have passed the House of Representatives and the Senate, shall, before it become a law, be presented to the President of the United States: If he approve he shall sign it, but if not he shall return it, with his Objections to that House in which it shall have originated, who shall enter the Objections at large on their Journal, and proceed to reconsider it. If after such Reconsideration two thirds of that House shall agree to pass the Bill, it shall be sent, together with the Objections, to the other House, by which it shall likewise be reconsidered, and if approved by two thirds of that House, it shall become a Law. But in all such Cases the Votes of both Houses shall be determined by Yeas and Nays, and the Names of the Persons voting for and against the Bill shall be entered on the Journal of each House respectively. If any Bill shall not be returned by the President within ten Days (Sundays excepted) after it shall have been presented to him, the Same shall be a Law, in like Manner as if he had signed it, unless the Congress by their Adjournment prevent its Return, in which Case it shall not be a Law.

Every Order, Resolution, or Vote to which the Concurrence of the Senate and House of Representatives may be necessary (except on a question of Adjournment) shall be presented to the President of the United States; and before the Same shall take Effect, shall be approved by him, or being disapproved by him, shall be repassed by two thirds of the Senate and House of Representatives, according to the Rules and Limitations prescribed in the Case of a Bill.

**PRINCIPLES OF PROFESSIONAL ETHICS FOR THE INTELLIGENCE
COMMUNITY**

As members of the intelligence profession, we conduct ourselves in accordance with certain basic principles. These principles are stated below, and reflect the standard of ethical conduct expected of all Intelligence Community personnel, regardless of individual role or agency affiliation.

Many of these principles are also reflected in other documents that we look to for guidance, such as statements of core values, and the Code of Conduct: Principles of Ethical Conduct for Government Officers and Employees; it is nonetheless important for the Intelligence Community to set forth in a single statement the fundamental ethical principles that unite us – and distinguish us – as intelligence professionals.

MISSION

We serve the American people, and understand that our mission requires selfless dedication to the security of our Nation.

TRUTH

We seek the truth; speak truth to power; and obtain, analyze, and provide intelligence objectively.

LAWFULNESS

We support and defend the Constitution, and comply with the laws of the United States, ensuring that we carry out our mission in a manner that respects privacy, civil liberties, and human rights obligations.

INTEGRITY

We demonstrate integrity in our conduct, mindful that all our actions, whether public or not, should reflect positively on the Intelligence Community at large.

STEWARDSHIP

We are responsible stewards of the public trust; we use intelligence authorities and resources prudently, protect intelligence sources and methods diligently, report wrongdoing through appropriate channels; and remain accountable to ourselves, our oversight institutions, and through those institutions, ultimately to the American people.

EXCELLENCE

We seek to improve our performance and our craft continuously, share information responsibly, collaborate with our colleagues, and demonstrate innovation and agility when meeting new challenges.

DIVERSITY

We embrace the diversity of our Nation, promote diversity and inclusion in our work force, and encourage diversity in our thinking.

**PRINCIPLES OF INTELLIGENCE TRANSPARENCY FOR THE
INTELLIGENCE COMMUNITY**

The *Principles of Intelligence Transparency for the Intelligence Community* are intended to facilitate IC decisions on making information publicly available in a manner that enhances public understanding of intelligence activities, while continuing to protect information when disclosure would harm national security.

These Principles do not modify or supersede applicable laws, executive orders, and directives, including Executive Order 13526, Classified National Security Information. Instead, they articulate the general norms that elements of the IC should follow in implementing those authorities and requirements.

The Intelligence Community will:

1. Provide appropriate transparency to enhance public understanding about:
 - a. the IC's mission and what the IC does to accomplish it (including its structure and effectiveness);
 - b. the laws, directives, authorities, and policies that govern the IC's activities; and
 - c. the compliance and oversight framework that ensures intelligence activities are conducted in accordance with applicable rules.

2. Be proactive and clear in making information publicly available through authorized channels, including taking affirmative steps to:
 - a. provide timely transparency on matters of public interest;
 - b. prepare information with sufficient clarity and context, so that it is readily understandable;
 - c. make information accessible to the public through a range of communications channels, such as those enabled by new technology;
 - d. engage with stakeholders to better explain information and to understand diverse perspectives; and
 - e. in appropriate circumstances, describe why information cannot be made public.

3. In protecting information about intelligence sources, methods, and activities from unauthorized disclosure, ensure that IC professionals consistently and diligently execute their responsibilities to:
 - a. classify only that information which, if disclosed without authorization, could be expected to cause identifiable or describable damage to the national security;

- b. never classify information to conceal violations of law, inefficiency, or administrative error, or to prevent embarrassment;
- c. distinguish, through portion marking and similar means, classified and unclassified information; and
- d. consider the public interest to the maximum extent feasible when making classification determinations, while continuing to protect information as necessary to maintain intelligence effectiveness, protect the safety of those who work for or with the IC, or otherwise protect national security.

4. Align IC roles, resources, processes, and policies to support robust implementation of these principles, consistent with applicable laws, executive orders, and directives.

In addition, the congressional intelligence committees shall be promptly notified of any transfer or reprogramming of funds made pursuant to this subsection in any case in which the transfer or reprogramming would not have otherwise required reprogramming notification under procedures in effect as of the date of the enactment of this subsection.

(e) TRANSFER OF PERSONNEL.—

(1)(A) In addition to any other authorities available under law for such purposes, in the first twelve months after establishment of a new national intelligence center, the Director of National Intelligence, with the approval of the Director of the Office of Management and Budget and in consultation with the congressional committees of jurisdiction referred to in subparagraph (B), may transfer not more than 100 personnel authorized for elements of the intelligence community to such center.

with procedures to be developed by the Director of National Intelligence and the heads of the departments and agencies concerned, may transfer personnel authorized for an element of the intelligence community to another such element for a period of not more than 2 years.

(B) A transfer of personnel may be made under this paragraph only if—

(i) the personnel are being transferred to an activity that is a higher priority intelligence activity; and

(ii) the transfer supports an emergent need, improves program effectiveness, or increases efficiency.

(C) The Director of National Intelligence shall promptly provide notice of any transfer of personnel made pursuant to this paragraph to—

(A) the nature of the national security threats facing the United States will continue to challenge the intelligence community to respond rapidly and flexibly to bring analytic resources to bear against emerging and unforeseen requirements;

(B) both the Office of the Director of National Intelligence and any analytic centers determined to be necessary should be fully and properly supported with appropriate levels of personnel resources and that the President's yearly budget requests adequately support those needs; and

(6) The Director of National Intelligence shall establish requirements and priorities for foreign intelligence information to be collected under the Foreign Intelligence Surveillance Act of 1978 (50 U.S.C. 1801 et seq.), and provide assistance to the Attorney General to ensure that information derived from electronic surveillance or physical searches under that Act is disseminated so it may be used efficiently and effectively for national intelligence purposes, except that the Director shall have no authority to direct or undertake electronic surveillance or physical search operations pursuant to that Act unless authorized by statute or Executive order.

(7)(A) The Director of National Intelligence shall, if the Director determines it is necessary, or may, if requested by a congressional intelligence committee, conduct an accountability review of an element of the intelligence community or the personnel of such element in

NATIONAL SECURITY ACT OF 1947

relation to a failure or deficiency within the intelligence community.

(B) The Director of National Intelligence, in consultation with the Attorney General, shall establish guidelines and procedures for conducting an accountability review under subparagraph (A).

(C)(i) The Director of National Intelligence shall provide the findings of an accountability review conducted under subparagraph (A) and the Director's recommendations for corrective or punitive action, if any, to the head of the applicable element of the intelligence community. Such recommendations may include a recommendation for dismissal of personnel.

(ii) If the head of such element does not implement a recommendation made by the Director under clause (i), the head of such element shall submit to the congressional intelligence committees a notice of the determination not to implement the recommendation, including the reasons for the determination.

(8) The Director of National Intelligence shall perform such other functions as the President may direct.

(9) Nothing in this title shall be construed as affecting the role of the Department of Justice or the Attorney General under the Foreign Intelligence Surveillance Act of 1978.

(4) The Director of National Intelligence shall, in a timely manner, report to Congress any statute, regulation, policy, or practice that the Director believes impedes the ability of the Director to fully and effectively ensure maximum availability of access to intelligence information within the intelligence community consistent with the protection of the national security of the United States.

(h) ANALYSIS.—To ensure the most accurate analysis of intelligence is derived from all sources to support national security needs, the Director of National Intelligence shall—

- (1) implement policies and procedures—

NATIONAL SECURITY ACT OF 1947

- (A) to encourage sound analytic methods and tradecraft throughout the elements of the intelligence community;

- (3) The Director may only delegate a duty or authority given the Director under this subsection to the Principal Deputy Director of National Intelligence.
- (j) UNIFORM PROCEDURES FOR CLASSIFIED INFORMATION.—The Director of National Intelligence, subject to the direction of the President, shall—

- (5) ensure that the background of each employee or officer of an element of the intelligence community, each contractor to an element of the intelligence community, and each individual employee of such a contractor who has been determined to be eligible for access to classified information is monitored on a continual basis under standards developed by the Director, including with respect to the frequency of evaluation, during the period of eligibility of such employee or officer of an element of the intelligence community, such contractor, or such individual employee to such a contractor to determine whether such employee or officer of an element of the intelligence community, such contractor, and such individual employee of such a contractor continues to meet the requirements for eligibility for access to classified information; and
- (6) develop procedures to require information sharing between elements of the intelligence community concerning potentially derogatory security information regarding an employee or officer of an element of the intelligence community, a contractor to an element of the intelligence community, or an individual employee of such a contractor that may impact the eligibility of such employee or officer of an element of the intelligence community, such contractor, or such individual employee of such a contractor for a security clearance.

(k) COORDINATION WITH FOREIGN GOVERNMENTS.—Under the direction of the President and in a manner consistent with section 207 of the Foreign Service Act of 1980 (22 U.S.C. 3927), the Director of National Intelligence shall oversee the coordination of the relationships between elements of the intelligence community and the intelligence or security services of foreign governments or international organizations on all matters involving intelligence related to the national security or involving intelligence acquired through clandestine means.

(l) ENHANCED PERSONNEL MANAGEMENT.—

(1)(A) The Director of National Intelligence shall, under regulations prescribed by the Director, provide incentives for personnel of elements of the intelligence community to serve—

- (i) on the staff of the Director of National Intelligence;
- (ii) on the staff of the national intelligence centers;

NATIONAL SECURITY ACT OF 1947

(iii) on the staff of the National Counterterrorism Center;
and

(iv) in other positions in support of the intelligence
community management functions of the Director.

(B) Incentives under subparagraph (A) may include financial
incentives, bonuses, and such other awards and incentives as the
Director considers appropriate.

(2)(A) Notwithstanding any other provision of law, the personnel of an
element of the intelligence community who are assigned or detailed
under paragraph (1)(A) to service under the Director of National
Intelligence shall be promoted at rates equivalent to or better than
personnel of such element who are not so assigned or detailed.

(B) The Director may prescribe regulations to carry out this
paragraph.

(3)(A) The Director of National Intelligence shall prescribe mechanisms
to facilitate the rotation of personnel of the intelligence community
through various elements of the intelligence community in the course of
their careers in order to facilitate the widest possible understanding by
such personnel of the variety of intelligence requirements, methods,
users, and capabilities.

(B) The mechanisms prescribed under subparagraph (A) may
include the following:

(i) The establishment of special occupational categories
involving service, over the course of a career, in more
than one element of the intelligence community.

(ii) The provision of rewards for service in positions
undertaking analysis and planning of operations
involving two or more elements of the intelligence
community.

(iii) The establishment of requirements for education,
training, service, and evaluation for service involving
more than one element of the intelligence community.

(C) It is the sense of Congress that the mechanisms prescribed
under this subsection should, to the extent practical, seek to
duplicate for civilian personnel within the intelligence
community the joint officer management policies established by
chapter 38 of title 10, United States Code, and the other
amendments made by title IV of the Goldwater-Nichols
Department of Defense Reorganization Act of 1986 (Public Law
99-433).

(D) The mechanisms prescribed under subparagraph (A) and any
other policies of the Director—

NATIONAL SECURITY ACT OF 1947

(i) may not require an employee of an office of inspector general for an element of the intelligence community, including the Office of the Inspector General of the Intelligence Community, to rotate to a position in an office or organization of such an element over which such office of inspector general exercises jurisdiction; and

(ii) shall be implemented in a manner that exempts employees of an office of inspector general from a rotation that may impact the independence of such office.

(4)(A) Except as provided in subparagraph (B) and subparagraph (D), this subsection shall not apply with respect to personnel of the elements of the intelligence community who are members of the uniformed services.

(B) Mechanisms that establish requirements for education and training pursuant to paragraph (3)(B)(iii) may apply with respect to members of the uniformed services who are assigned to an element of the intelligence community funded through the National Intelligence Program, but such mechanisms shall not be inconsistent with personnel policies and education and training requirements otherwise applicable to members of the uniformed services.

(C) The personnel policies and programs developed and implemented under this subsection with respect to law enforcement officers (as that term is defined in section 5541(3) of title 5, United States Code) shall not affect the ability of law enforcement entities to conduct operations or, through the applicable chain of command, to control the activities of such law enforcement officers.

(D) Assignment to the Office of the Director of National Intelligence of commissioned officers of the Armed Forces shall be considered a joint-duty assignment for purposes of the joint officer management policies prescribed by chapter 38 of title 10, United States Code, and other provisions of that title.

(m) ADDITIONAL AUTHORITY WITH RESPECT TO PERSONNEL.—

(1) In addition to the authorities under subsection (f)(3), the Director of National Intelligence may exercise with respect to the personnel of the Office of the Director of National Intelligence any authority of the Director of the Central Intelligence Agency with respect to the personnel of the Central Intelligence Agency under the Central Intelligence Agency Act of 1949 [50 U.S.C. § 3501 et seq.], and other applicable provisions

NATIONAL SECURITY ACT OF 1947

of law, as of the date of the enactment of this subsection to the same extent, and subject to the same conditions and limitations, that the Director of the Central Intelligence Agency may exercise such authority with respect to personnel of the Central Intelligence Agency.

(2) Employees and applicants for employment of the Office of the Director of National Intelligence shall have the same rights and protections under the Office of the Director of National Intelligence as employees of the Central Intelligence Agency have under the Central Intelligence Agency Act of 1949, and other applicable provisions of law, as of the date of the enactment of this subsection.

(n) ACQUISITION AND OTHER AUTHORITIES.—

(1) In carrying out the responsibilities and authorities under this section, the Director of National Intelligence may exercise the acquisition and appropriations authorities referred to in the Central Intelligence Agency Act of 1949 [50 U.S.C. § 3501 et seq.] other than the authorities referred to in section 8(b) of that Act [50 U.S.C. § 3510(b)].

(2) For the purpose of the exercise of any authority referred to in paragraph (1), a reference to the head of an agency shall be deemed to be a reference to the Director of National Intelligence or the Principal Deputy Director of National Intelligence.

(3)(A) Any determination or decision to be made under an authority referred to in paragraph (1) by the head of an agency may be made with respect to individual purchases and contracts or with respect to classes of purchases or contracts, and shall be final.

(B) Except as provided in subparagraph (C), the Director of National Intelligence or the Principal Deputy Director of National Intelligence may, in such official's discretion, delegate to any officer or other official of the Office of the Director of National Intelligence any authority to make a determination or decision as the head of the agency under an authority referred to in paragraph (1).

(C) The limitations and conditions set forth in section 3(d) of the Central Intelligence Agency Act of 1949 [50 U.S.C. § 3503(d)] shall apply to the exercise by the Director of National Intelligence of an authority referred to in paragraph (1).

(g)(1) In any case where access to a finding reported under subsection (c) or notification provided under subsection (d)(1) is not made available to all members of a congressional intelligence committee in accordance with subsection (c)(2), the President shall notify all members of such committee that such finding or such notification has been provided only to the members specified in subsection (c)(2).

(2) In any case where access to a finding reported under subsection (c) or notification provided under subsection (d)(1) is not made available to all members of a congressional intelligence committee in accordance with subsection (c)(2), the President shall provide to all members of such committee a general description regarding the finding or notification, as applicable, consistent with the reasons for not yet fully informing all members of such committee.

(3) The President shall maintain—

(a) Not later than 180 days after October 14, 1994, the President shall, by Executive order or regulation, establish procedures to govern access to classified information which shall be binding upon all departments, agencies, and offices of the executive branch of Government. Such procedures shall, at a minimum—

(1) provide that, except as may be permitted by the President, no employee in the executive branch of Government may be given access to classified information by any department, agency, or office of the executive branch of Government unless, based upon an appropriate background investigation, such access is determined to be clearly consistent with the national security interests of the United States;

(2) establish uniform minimum requirements governing the scope and frequency of background investigations and reinvestigations for all employees in the executive branch of Government who require access to classified information as part of their official responsibilities;

(3) provide that all employees in the executive branch of Government who require access to classified information shall be required as a condition of such access to provide to the employing department or agency written consent which permits access by an authorized investigative agency to relevant financial records, other financial information, consumer reports, travel records, and computers used in the performance of Government duties, as determined by the President, in accordance with section 802 of this title, during the period of access to classified information and for a period of three years thereafter;

NATIONAL SECURITY ACT OF 1947

(4) provide that all employees in the executive branch of Government who require access to particularly sensitive classified information, as determined by the President, shall be required, as a condition of maintaining access to such information, to submit to the employing department or agency, during the period of such access, relevant information concerning their financial condition and foreign travel, as determined by the President, as may be necessary to ensure appropriate security; and

(5) establish uniform minimum standards to ensure that employees in the executive branch of Government whose access to classified information is being denied or terminated under this title are appropriately advised of the reasons for such denial or termination and are provided an adequate opportunity to respond to all adverse information which forms the basis for such denial or termination before final action by the department or agency concerned.

(b)(1) Subsection (a) shall not be deemed to limit or affect the responsibility and power of an agency head pursuant to other law or Executive order to deny or terminate access to classified information if the national security so requires. Such responsibility and power may be exercised only when the agency head determines that the procedures prescribed by subsection (a) cannot be invoked in a manner that is consistent with the national security.

(2) Upon the exercise of such responsibility, the agency head shall submit a report to the congressional intelligence committees.

Any authorized investigative agency may also request records maintained by any commercial entity within the United States pertaining to travel by an employee in the executive branch of Government outside the United States.

(2) Requests may be made under this section where—

(A) the records sought pertain to a person who is or was an employee in the executive branch of Government required by the President in an Executive order or regulation, as a condition of access to classified information, to provide consent, during a background investigation and for such time as access to the information is maintained, and for a period of not more than

NATIONAL SECURITY ACT OF 1947

(iii) circumstances indicate the person had the capability and opportunity to disclose classified information which is known to have been lost or compromised to a foreign power or an agent of a foreign power.

(3) Each such request—

(A) shall be accompanied by a written certification signed by the department or agency head or deputy department or agency head concerned, or by a senior official designated for this purpose by the department or agency head concerned (whose rank shall be no lower than Assistant Secretary or Assistant Director), and shall certify that—

SUBTITLE F—PRIVACY AND CIVIL LIBERTIES

PRIVACY AND CIVIL LIBERTIES OVERSIGHT BOARD

SEC. 1061. [42 U.S.C. § 2000ee]

(a) IN GENERAL.—There is established as an independent agency within the executive branch a Privacy and Civil Liberties Oversight Board (referred to in this section as the “Board”).

(b) FINDINGS.—Consistent with the report of the National Commission on Terrorist Attacks Upon the United States, Congress makes the following findings:

(1) In conducting the war on terrorism, the Government may need additional powers and may need to enhance the use of its existing powers.

(2) This shift of power and authority to the Government calls for an enhanced system of checks and balances to protect the precious liberties that are vital to our way of life and to ensure that the Government uses its powers for the purposes for which the powers were given.

(3) The National Commission on Terrorist Attacks Upon the United States correctly concluded that “The choice between security and liberty is a false choice, as nothing is more likely to endanger America’s liberties than the success of a terrorist attack at home. Our history has shown us that insecurity threatens liberty. Yet, if our liberties are curtailed, we lose the values that we are struggling to defend.”.

(c) PURPOSE.—The Board shall—

(1) analyze and review actions the executive branch takes to protect the Nation from terrorism, ensuring that the need for such actions is balanced with the need to protect privacy and civil liberties; and

(2) ensure that liberty concerns are appropriately considered in the development and implementation of laws, regulations, and policies related to efforts to protect the Nation against terrorism.

(d) FUNCTIONS.—

(1) ADVICE AND COUNSEL ON POLICY DEVELOPMENT AND IMPLEMENTATION.—The Board shall—

(D) in providing advice on proposals to retain or enhance a particular governmental power, consider whether the department, agency, or element of the executive branch has established—

(i) that the need for the power is balanced with the need to protect privacy and civil liberties;

(ii) that there is adequate supervision of the use by the executive branch of the power to ensure protection of privacy and civil liberties; and

(iii) that there are adequate guidelines and oversight to properly confine its use.

(2) OVERSIGHT.—The Board shall continually review—

(A) the regulations, policies, and procedures, and the implementation of the regulations, policies, and procedures, of the departments, agencies, and elements of the executive branch relating to efforts to protect the Nation from terrorism to ensure that privacy and civil liberties are protected;

(B) the information sharing practices of the departments, agencies, and elements of the executive branch relating to efforts to protect the Nation from terrorism to determine whether they appropriately protect privacy and civil liberties and adhere to the information sharing guidelines issued or developed under subsections (d) and (f) of section 1016 and to other governing laws, regulations, and policies regarding privacy and civil liberties; and

(C) other actions by the executive branch relating to efforts to protect the Nation from terrorism to determine whether such actions—

(A) developing policies and procedures that permit, to the extent practicable, individuals alleging reprisal for having made a protected disclosure (provided the individual does not disclose classified information or other information contrary to law) to appeal any action affecting an employee's access to classified information and to retain their government employment status while such challenge is pending; and

(B) developing and implementing uniform and consistent policies and procedures to ensure proper protections during the process for denying, suspending, or revoking a security clearance or access to classified information following a protected disclosure, including the ability to appeal such a denial, suspension, or revocation, except that there shall be no appeal of an agency's suspension of a security clearance or access determination for purposes of conducting an investigation, if that suspension lasts no longer than 1 year or the head of the agency or a designee of the head of the agency certifies that a longer suspension is needed before a final decision on denial or revocation to prevent imminent harm to the national security.

(c) PERFORMANCE OF SECURITY CLEARANCE INVESTIGATIONS.—

(1) Notwithstanding any other provision of law, not later than 180 days after the date of the enactment of this Act, the President shall, in consultation with the head of the entity selected pursuant to subsection (b), select a single agency of the executive branch to conduct, to the maximum extent practicable, security clearance investigations of employees and contractor personnel of the United States Government who require access to classified information and to provide and maintain all security clearances of such employees and contractor personnel. The head of the entity selected pursuant to subsection (b) may designate other agencies to conduct such investigations if the head of the entity selected pursuant to subsection (b) considers it appropriate for national security and efficiency purposes.

(2) The agency selected under paragraph (1) shall—

(2) All security clearance background investigations initiated by an authorized investigative agency shall be transferable to any other authorized investigative agency.

(3)(A) An authorized investigative agency or authorized adjudicative agency may not establish additional investigative or adjudicative requirements (other than requirements for the conduct of a polygraph examination) that exceed requirements specified in Executive Orders establishing security requirements for access to classified information without the approval of the head of the entity selected pursuant to subsection (b).

(B) Notwithstanding subparagraph (A), the head of the entity selected pursuant to subsection (b) may establish such additional requirements as the head of such entity considers necessary for national security purposes.

(4) An authorized investigative agency or authorized adjudicative agency may not conduct an investigation for purposes of determining whether to grant a security clearance to an individual where a current investigation or clearance of equal level already exists or has been granted by another authorized adjudicative agency.

(5) The head of the entity selected pursuant to subsection (b) may disallow the reciprocal recognition of an individual security clearance by an agency under this section on a case-by-case basis if the head of the entity selected pursuant to subsection (b) determines that such action is necessary for national security purposes.

(6) The head of the entity selected pursuant to subsection (b) shall establish a review procedure by which agencies can seek review of actions required under this section.

(e) DATABASE ON SECURITY CLEARANCES.—

(1) Not later than 12 months after the date of the enactment of this Act, the Director of the Office of Personnel Management shall, in cooperation

with the heads of the entities selected pursuant to subsections (b) and (c), establish and commence operating and maintaining an integrated, secure, database into which appropriate data relevant to the granting, denial, or revocation of a security clearance or access pertaining to military, civilian, or government contractor personnel shall be entered from all authorized investigative and adjudicative agencies.

(2) The database under this subsection shall function to integrate information from existing Federal clearance tracking systems from other authorized investigative and adjudicative agencies into a single consolidated database.

(3) Each authorized investigative or adjudicative agency shall check the database under this subsection to determine whether an individual the agency has identified as requiring a security clearance has already been granted or denied a security clearance, or has had a security clearance revoked, by any other authorized investigative or adjudicative agency.

(4) The head of the entity selected pursuant to subsection (b) shall evaluate the extent to which an agency is submitting information to, and requesting information from, the database under this subsection as part of a determination of whether to certify the agency as an authorized investigative agency or authorized adjudicative agency.

(5) The head of the entity selected pursuant to subsection (b) may authorize an agency to withhold information about certain individuals from the database under this subsection if the head of the entity considers it necessary for national security purposes.

(f) EVALUATION OF USE OF AVAILABLE TECHNOLOGY IN CLEARANCE INVESTIGATIONS AND ADJUDICATIONS.—

(1) The head of the entity selected pursuant to subsection (b) shall evaluate the use of available information technology and databases to expedite investigative and adjudicative processes for all and to verify standard information submitted as part of an application for a security clearance.

(2) The evaluation shall assess the application of the technologies described in paragraph (1) for—

(A) granting interim clearances to applicants at the secret, top secret, and special access program levels before the completion of the appropriate full investigation;

(B) expediting investigations and adjudications of security clearances, including verification of information submitted by the applicant;

(C) ongoing verification of suitability of personnel with security clearances in effect for continued access to classified information;

(D) use of such technologies to augment periodic reinvestigations;

(E) assessing the impact of the use of such technologies on the rights of applicants to verify, correct, or challenge information obtained through such technologies; and

(3) An individual subject to verification utilizing the technology described in paragraph (1) shall be notified of such verification, shall provide consent to such use, and shall have access to data being verified in order to correct errors or challenge information the individual believes is incorrect.

(4) Not later than one year after the date of the enactment of this Act, the head of the entity selected pursuant to subsection (b) shall submit to the President and the appropriate committees of Congress a report on the results of the evaluation, including recommendations on the use of technologies described in paragraph (1).

(g) REDUCTION IN LENGTH OF PERSONNEL SECURITY CLEARANCE PROCESS.—

(1) The head of the entity selected pursuant to subsection (b) shall, within 90 days of selection under that subsection, develop, in consultation with the appropriate committees of Congress and each authorized adjudicative agency, a plan to reduce the length of the personnel security clearance process.

(2)(A) To the extent practical the plan under paragraph (1) shall require that each authorized adjudicative agency make a determination on at least 90 percent of all applications for a personnel security clearance within an average of 60 days after the date of receipt of the completed application for a security clearance by an authorized investigative agency. Such 60-day average period shall include—

(i) a period of not longer than 40 days to complete the investigative phase of the clearance review; and

(ii) a period of not longer than 20 days to complete the adjudicative phase of the clearance review.

(B) Determinations on clearances not made within 60 days shall be made without delay.

(3)(A) The plan under paragraph (1) shall take effect 5 years after the date of the enactment of this Act.

(B) During the period beginning on a date not later than 2 years after the date of the enactment of this Act, and ending on the date on which the plan under paragraph (1) takes effect, each authorized adjudicative agency shall make a determination on at least 80 percent of all applications for a personnel security

clearance pursuant to this section within an average of 120 days after the date of receipt of the application for a security clearance by an authorized investigative agency. Such 120-day average period shall include—

- (i) a period of not longer than 90 days to complete the investigative phase of the clearance review; and
- (ii) a period of not longer than 30 days to complete the adjudicative phase of the clearance review.

(2) Each report shall include, for the period covered by such report—

(1) IN GENERAL.—Agency personnel with authority over personnel security clearance or access determinations shall not take or fail to take, or threaten to take or fail to take, any action with respect to any employee's security clearance or access determination in retaliation for—

- (A) any lawful disclosure of information to the Director of National Intelligence (or an employee designated by the Director of National Intelligence for such purpose) or the head of the employing agency (or employee designated by the head of that agency for such purpose) by an employee that the employee reasonably believes evidences—

 - (ii) gross mismanagement, a gross waste of funds, an abuse of authority, or a substantial and specific danger to public health or safety;
 - (B) any lawful disclosure to the Inspector General of an agency or another employee designated by the head of the agency to receive such disclosures, of information which the employee reasonably believes evidences—

 - (D) if the actions do not result in the employee or applicant unlawfully disclosing information specifically required by Executive order to be kept classified in the interest of national defense or the conduct of foreign affairs, any lawful disclosure in conjunction with—
 - (i) the exercise of any appeal, complaint, or grievance right granted by any law, rule, or regulation;

(3) DISCLOSURES.—

(A) IN GENERAL.—A disclosure shall not be excluded from paragraph (1) because—

- (i) the disclosure was made to a person, including a supervisor, who participated in an activity that the employee reasonably believed to be covered by paragraph (1)(A)(ii);
- (ii) the disclosure revealed information that had been previously disclosed;
- (iii) the disclosure was not made in writing;
- (iv) the disclosure was made while the employee was off duty; or
- (v) of the amount of time which has passed since the occurrence of the events described in the disclosure.

(B) REPRISALS.—If a disclosure is made during the normal course of duties of an employee, the disclosure shall not be excluded from paragraph (1) if any employee who has authority to take, direct others to take, recommend, or approve any personnel action with respect to the employee making the disclosure, took, failed to take, or threatened to take or fail to take a personnel action with respect to that employee in reprisal for the disclosure.

(4) AGENCY ADJUDICATION.—

(A) REMEDIAL PROCEDURE.—An employee or former employee who believes that he or she has been subjected to a reprisal prohibited by paragraph (1) may, within 90 days after the issuance of notice of such decision, appeal that decision within the agency of that employee or former employee through proceedings authorized by subsection (b)(7), except that there shall be no appeal of an agency's suspension of a security clearance or access determination for purposes of conducting an investigation, if that suspension lasts not longer than 1 year (or a longer period in accordance with a certification made under subsection (b)(7)).

(B) CORRECTIVE ACTION.—If, in the course of proceedings authorized under subparagraph (A), it is determined that the adverse security clearance or access determination violated paragraph (1), the agency shall take specific corrective action to return the employee or former employee, as nearly as practicable and reasonable, to the position such employee or former employee would have held had the violation not occurred. Such corrective action may include back pay and related benefits,

travel expenses, and compensatory damages not to exceed \$300,000.

(C) CONTRIBUTING FACTOR.—In determining whether the adverse security clearance or access determination violated paragraph (1), the agency shall find that paragraph (1) was violated if a disclosure described in paragraph (1) was a contributing factor in the adverse security clearance or access determination taken against the individual, unless the agency demonstrates by a preponderance of the evidence that it would have taken the same action in the absence of such disclosure, giving the utmost deference to the agency's assessment of the particular threat to the national security interests of the United States in the instant matter.

(5) APPELLATE REVIEW OF SECURITY CLEARANCE ACCESS DETERMINATIONS BY DIRECTOR OF NATIONAL INTELLIGENCE.—

(A) APPEAL.—Within 60 days after receiving notice of an adverse final agency determination under a proceeding under paragraph (4), an employee or former employee may appeal that determination in accordance with the procedures established under subparagraph (B).

After the expiration of a period of four years following the date of transportation under authority of this paragraph of a privately owned motor vehicle of any officer or employee who has remained in continuous service outside the several States of the United States of America, excluding Alaska and Hawaii, but including the District of Columbia, during such period, the transportation of a replacement for such motor vehicle for such officer or employee may be authorized by the Director in accordance with this paragraph.

Violation of such agreement for personal convenience of an employee or because of separation for misconduct will bar such return payments and, if determined by the Director or his designee to be in the best interests of the United States, any money expended by the United States on account of such travel and transportation shall be considered as a debt due by the individual concerned to the United States.

(b)(1) The Director may pay to officers and employees of the Agency, and to persons detailed or assigned to the Agency from other agencies of the Government or from the Armed Forces, allowances and benefits comparable to the allowances and benefits authorized to be paid to members of the Foreign Service under chapter 9 of title I of the Foreign Service Act of 1980 (22 U.S.C. 4081 et seq.) or any other provision of law.

(h) TAXATION AND SOCIAL SECURITY.—

(1) IN GENERAL.—Notwithstanding any other provision of law, a designated employee—

(A) shall file a Federal or State tax return as if that employee is not a Federal employee and may claim and receive the benefit of any exclusion, deduction, tax credit, or other tax treatment that would otherwise apply if that employee was not a Federal employee, if the Director of the Central Intelligence Agency determines that taking any action under this paragraph is necessary to—

- (i) protect from unauthorized disclosure—
 - (I) intelligence operations;

(a) DEFINITIONS.—For purposes of this section—

(1) the term “Director” means the Director of the Central Intelligence Agency; and

(2) the term “employee” means an employee of the Central Intelligence Agency, serving under an appointment without time limitation, who has been currently employed for a continuous period of at least 12 months, except that such term does not include—

³ This section was enacted as part of the Central Intelligence Agency Voluntary Separation Pay Act (P.L. 103-36), not the Central Intelligence Agency Act of 1949.

(A) a reemployed annuitant under subchapter III of chapter 83 or chapter 84 of title 5, United States Code, or another retirement system for employees of the Government; or

(B) an employee having a disability on the basis of which such employee is or would be eligible for disability retirement under any of the retirement systems referred to in subparagraph (A).

(b) ESTABLISHMENT OF PROGRAM.—In order to avoid or minimize the need for involuntary separations due to downsizing, reorganization, transfer of function, or other similar action, the Director may establish a program under which employees may be offered separation pay to separate from service voluntarily (whether by retirement or resignation). An employee who receives separation pay under such program may not be reemployed by the Central Intelligence Agency for the 12-month period beginning on the effective date of the employee's separation. An employee who receives separation pay under this section on the basis of a separation occurring on or after March 30, 1994, and accepts employment with the Government of the United States within 5 years after the date of the separation on which payment of the separation pay is based shall be required to repay the entire amount of the separation pay to the Central Intelligence Agency. If the employment is with an Executive agency (as defined by section 105 of title 5, United States Code), the Director of the Office of Personnel Management may, at the request of the head of the agency, waive the repayment if the individual involved possesses unique abilities and is the only qualified applicant available for the position. If the employment is with an entity in the legislative branch, the head of the entity or the appointing official may waive the repayment if the individual involved possesses unique abilities and is the only qualified applicant available for the position. If the employment is with the judicial branch, the Director of the Administrative Office of the United States Courts may waive the repayment if the individual involved possesses unique abilities and is the only qualified applicant available for the position.

(c) BAR ON CERTAIN EMPLOYMENT.—

(1) BAR.—An employee may not be separated from service under this section unless the employee agrees that the employee will not —

(A) act as agent or attorney for, or otherwise represent, any other person (except the United States) in any formal or informal appearance before, or, with the intent to influence, make any oral or written communication on behalf of any other person (except the United States) to the Central Intelligence Agency; or

(B) participate in any manner in the award, modification, extension, or performance of any contract for property or services with the Central Intelligence Agency, during the 12-month period beginning on the effective date of the employee's separation from service.

- (2) PENALTY.—An employee who violates an agreement under this subsection shall be liable to the United States in the amount of the separation pay paid to the employee pursuant to this section times the proportion of the 12-month period during which the employee was in violation of the agreement.
- (d) LIMITATIONS.—Under this program, separation pay may be offered only—
- (1) with the prior approval of the Director; and
 - (2) to employees within such occupational groups or geographic locations, or subject to such other similar limitations or conditions, as the Director may require.
- (e) AMOUNT AND TREATMENT FOR OTHER PURPOSES.—Such separation pay—
- (1) shall be paid in a lump sum;
 - (2) shall be equal to the lesser of—
 - (A) an amount equal to the amount the employee would be entitled to receive under section 5595(c) of title 5, United States Code, if the employee were entitled to payment under such section; or
 - (B) \$25,000;
 - (3) shall not be a basis for payment, and shall not be included in the computation, of any other type of Government benefit; and
 - (4) shall not be taken into account for the purpose of determining the amount of any severance pay to which an individual may be entitled under section 5595 of title 5, United States Code, based on any other separation.
- (f) REGULATIONS.—The Director shall prescribe such regulations as may be necessary to carry out this section.
- (g) REPORTING REQUIREMENTS.—
- (1) OFFERING NOTIFICATION.—The Director may not make an offering of voluntary separation pay pursuant to this section until 30 days after submitting to the Permanent Select Committee on Intelligence of the House of Representatives and the Select Committee on Intelligence of the Senate a report describing the occupational groups or geographic locations, or other similar limitations or conditions, required by the Director under subsection (d).
 - (2) ANNUAL REPORT.—At the end of each of the fiscal years 1993 through 1997, the Director shall submit to the President and the Permanent Select Committee on Intelligence of the House of Representatives and the Select Committee on Intelligence of the Senate a report on the effectiveness and costs of carrying out this section.

In establishing programs under this section for language and language-related training, the Director—

(1) may provide for the training and instruction to be furnished, including functional and geographic area specializations;

(3) may support programs that furnish necessary language and language-related skills, including, in any case in which appropriate programs are unavailable at Government facilities, support through contracts, grants, or cooperation with nongovernmental educational institutions; and

(4) may obtain by appointment or contract the services of individuals to serve as language instructors, linguists, or special language project personnel.

(b)(1) In order to maintain necessary capability in foreign language skills and related abilities needed by the National Security Agency, the Director, without

regard to subchapter IV of chapter 55 of title 5, United States Code, may provide special monetary or other incentives to encourage civilian cryptologic personnel of the Agency to acquire or retain proficiency in foreign languages or special related abilities needed by the Agency.

(2) In order to provide linguistic training and support for cryptologic personnel, the Director—

(A) may pay all or part of the tuition and other expenses related to the training of personnel who are assigned or detailed for language and language-related training, orientation, or instruction; and

(c)(1) To the extent not inconsistent, in the opinion of the Secretary of Defense, with the operation of military cryptologic reserve units and in order to maintain necessary capability in foreign language skills and related abilities needed by the National Security Agency, the Director may establish a cryptologic linguist reserve. The cryptologic linguist reserve may consist of former or retired civilian or military cryptologic personnel of the National Security Agency and of other qualified individuals, as determined by the Director of the Agency. Each member of the cryptologic linguist reserve shall agree that, during any period of emergency (as determined by the Director), the member shall return to active civilian status with the National Security Agency and shall perform such linguistic or linguistic-related duties as the Director may assign.

(2) In order to attract individuals to become members of the cryptologic linguist reserve, the Director, without regard to subchapter IV of chapter 55 of title 5, United States Code, may provide special monetary incentives to individuals eligible to become members of the reserve who agree to become members of the cryptologic linguist reserve and to acquire or retain proficiency in foreign languages or special related abilities.

 - (B) in the case of individuals accepted for membership in the cryptologic linguist reserve, pertains to return to service when requested, and repayment of the expenses of such training for failure to fulfill the agreement, consistent with the provisions of section 4108 of title 5, United States Code.
- (2) The Director, under regulations prescribed under this section, may waive, in whole or in part, a right of recovery under an agreement made under this subsection if it is shown that the recovery would be against equity and good conscience or against the public interest.
- (e)(1) Subject to paragraph (2), the Director may provide to family members of military and civilian cryptologic personnel assigned to representational duties outside the United States, in anticipation of the assignment of such personnel outside the United States or while outside the United States, appropriate orientation and language training that is directly related to the assignment abroad.
- (2) Language training under paragraph (1) may not be provided to any individual through payment of the expenses of tuition or other cost of instruction at a non-Government educational institution unless appropriate instruction is not available at a Government facility.
- (f) The Director may waive the applicability of any provision of chapter 41 of title 5, United States Code, to any provision of this section if he finds that such waiver is important to the performance of cryptologic functions.
- (g) The authority of the Director to enter into contracts or to make grants under this section is effective for any fiscal year only to the extent that appropriated funds are available for such purpose.
- (h) Regulations issued pursuant to this section shall be submitted to the Permanent Select Committee on Intelligence of the House of Representatives and the Select Committee on Intelligence of the Senate before such regulations take effect.

Such court shall proceed as soon as practicable to the hearing and determination of such action and may, at any time before final determination, enter such restraining orders or prohibitions, or take such other action as is warranted, to prevent injury to the United States or to any person or class of persons for whose protection the action is brought.

(b) The Secretary of Defense is authorized, in his discretion, to assign civilians who may or may not be employees of the National Security Agency as students at accredited professional, technical, and other institutions of higher learning for training at the undergraduate or graduate level in skills critical to effective performance of the mission of the Agency.

(D) to reimburse the United States if, after completing the educational course of training for which the program participant is assigned, the program participant's employment with the Agency is terminated either by the Agency due to misconduct by the program participant or by the program participant voluntarily, prior to the program participant's completion of the service obligation period described in subparagraph (B), in an amount that bears the same ratio to the total cost of the education (excluding the program participant's pay and allowances) provided to the program participant as the unserved portion of the service obligation period described in subparagraph (B) bears to the total period of the service obligation described in subparagraph (B).

(2) Subject to paragraph (3), the obligation to reimburse the United States under an agreement described in paragraph (1), including interest due on such obligation, is for all purposes a debt owing the United States.

(3)(A) A discharge in bankruptcy under title 11, United States Code, shall not release a person from an obligation to reimburse the United States required under an agreement described in paragraph (1) if the final

SHORT TITLE; FINDINGS; AND SENSE OF CONGRESS

SEC. 891. [6 U.S.C. § 481]

(a) SHORT TITLE.—This subtitle may be cited as the “Homeland Security Information Sharing Act”.

(b) FINDINGS.—Congress finds the following:

- (1) The Federal Government is required by the Constitution to provide for the common defense, which includes terrorist attack.
- (2) The Federal Government relies on State and local personnel to protect against terrorist attack.

(3) The Federal Government collects, creates, manages, and protects classified and sensitive but unclassified information to enhance homeland security.

(4) Some homeland security information is needed by the State and local personnel to prevent and prepare for terrorist attack.

(5) The needs of State and local personnel to have access to relevant homeland security information to combat terrorism must be reconciled with the need to preserve the protected status of such information and to protect the sources and methods used to acquire such information.

(6) Granting security clearances to certain State and local personnel is one way to facilitate the sharing of information regarding specific terrorist threats among Federal, State, and local levels of government.

(7) Methods exist to declassify, redact, or otherwise adapt classified information so it may be shared with State and local personnel without the need for granting additional security clearances.

(8) State and local personnel have capabilities and opportunities to gather information on suspicious activities and terrorist threats not possessed by Federal agencies.

(9) The Federal Government and State and local governments and agencies in other jurisdictions may benefit from such information.

(10) Federal, State, and local governments and intelligence, law enforcement, and other emergency preparation and response agencies must act in partnership to maximize the benefits of information gathering and analysis to prevent and respond to terrorist attacks.

(11) Information systems, including the National Law Enforcement Telecommunications System and the Terrorist Threat Warning System, have been established for rapid sharing of classified and sensitive but unclassified information among Federal, State, and local entities.

(12) Increased efforts to share homeland security information should avoid duplicating existing information systems.

(c) SENSE OF CONGRESS.—It is the sense of Congress that Federal, State, and local entities should share homeland security information to the maximum extent practicable, with special emphasis on hard-to-reach urban and rural communities.

The court may permit the United States to make a request for such authorization in the form of a written statement to be inspected by the court alone. If the court enters an order granting relief following such an ex parte showing, the entire text of the statement of the United States shall be sealed and

preserved in the records of the court to be made available to the appellate court in the event of an appeal.

**NOTICE OF DEFENDANT'S INTENTION TO DISCLOSE
CLASSIFIED INFORMATION**

SEC. 5. [18 U.S.C. App. § 5]

(a) **NOTICE BY DEFENDANT.**—If a defendant reasonably expects to disclose or to cause the disclosure of classified information in any manner in connection with any trial or pretrial proceeding involving the criminal prosecution of such defendant, the defendant shall, within the time specified by the court or, where no time is specified, within thirty days prior to trial, notify the attorney for the United States and the court in writing. Such notice shall include a brief description of the classified information. Whenever a defendant learns of additional classified information he reasonably expects to disclose at any such proceeding, he shall notify the attorney for the United States and the court in writing as soon as possible thereafter and shall include a brief description of the classified information. No defendant shall disclose any information known or believed to be classified in connection with a trial or pretrial proceeding until notice has been given under this subsection and until the United States has been afforded a reasonable opportunity to seek a determination pursuant to the procedure set forth in section 6 of this Act, and until the time for the United States to appeal such determination under section 7 has expired or any appeal under section 7 by the United States is decided.

(b) **FAILURE TO COMPLY.**—If the defendant fails to comply with the requirements of subsection (a) the court may preclude disclosure of any classified information not made the subject of notification and may prohibit the examination by the defendant of any witness with respect to any such information.

PROCEDURES FOR CASES INVOLVING CLASSIFIED INFORMATION

SEC. 6. [18 U.S.C. App. § 6]

(a) **MOTION FOR HEARING.**—Within the time specified by the court for the filing of a motion under this section, the United States may request the court to conduct a hearing to make all determinations concerning the use, relevance, or admissibility of classified information that would otherwise be made during the trial or pretrial proceeding. Upon such a request, the court shall conduct such a hearing. Any hearing held pursuant to this subsection (or any portion of such hearing specified in the request of the Attorney General) shall be held in camera if the Attorney General certifies to the court in such petition that a public

proceeding may result in the disclosure of classified information. As to each item of classified information, the court shall set forth in writing the basis for its determination. Where the United States' motion under this subsection is filed prior to the trial or pretrial proceeding, the court shall rule prior to the commencement of the relevant proceeding.

(b) NOTICE.—

(1) Before any hearing is conducted pursuant to a request by the United States under subsection (a), the United States shall provide the defendant with notice of the classified information that is at issue. Such notice shall identify the specific classified information at issue whenever that information previously has been made available to the defendant by the United States. When, the United States has not previously made the information available to the defendant in connection with the case, the information may be described by generic category, in such form as the court may approve, rather than by identification of the specific information of concern to the United States.

(2) Whenever the United States requests a hearing under subsection (a), the court, upon request of the defendant, may order the United States to provide the defendant, prior to trial, such details as to the portion of the indictment or information at issue in the hearing as are needed to give the defendant fair notice to prepare for the hearing.

(c) ALTERNATIVE PROCEDURE FOR DISCLOSURE OF CLASSIFIED INFORMATION.—

(1) Upon any determination by the court authorizing the disclosure of specific classified information under the procedures established by this section, the United States may move that, in lieu of the disclosure of such specific classified information, the court order—

(A) the substitution for such classified information of a statement admitting relevant facts that the specific classified information would tend to prove; or

(B) the substitution for such classified information of a summary of the specific classified information. The court shall grant such a motion of the United States if it finds that the statement or summary will provide the defendant with substantially the same ability to make his defense as would disclosure of the specific classified information. The court shall hold a hearing on any motion under this section. Any such hearing shall be held in camera at the request of the Attorney General.

(2) The United States may, in connection with a motion under paragraph (1), submit to the court an affidavit of the Attorney General certifying that disclosure of classified information would cause identifiable damage

to the national security of the United States and explaining the basis for the classification of such information. If so requested by the United States, the court shall examine such affidavit in camera and ex parte.

(d) SEALING OF RECORDS OF IN CAMERA HEARINGS.—If at the close of an in camera hearing under this Act (or any portion of a hearing under this Act that is held in camera) the court determines that the classified information at issue may not be disclosed or elicited at the trial or pretrial proceeding, the record of such in camera hearing shall be sealed and preserved by the court for use in the event of an appeal. The defendant may seek reconsideration of the court’s determination prior to or during trial.

(e) PROHIBITION ON DISCLOSURE OF CLASSIFIED INFORMATION BY DEFENDANT, RELIEF FOR DEFENDANT WHEN UNITED STATES OPPOSES DISCLOSURE.—

(1) Whenever the court denies a motion by the United States that it issue an order under subsection (c) and the United States files with the court an affidavit of the Attorney General objecting to disclosure of the classified information at issue, the court shall order that the defendant not disclose or cause the disclosure of such information.

(2) Whenever a defendant is prevented by an order under paragraph (1) from disclosing or causing the disclosure of classified information, the court shall dismiss the indictment or information; except that, when the court determines that the interests of justice would not be served by dismissal of the indictment or information, the court shall order such other action, in lieu of dismissing the indictment or information, as the court determines is appropriate. Such action may include, but need not be limited to—

(A) dismissing specified counts of the indictment or information;

(B) finding against the United States on any issue as to which the excluded classified information relates; or

(C) striking or precluding all or part of the testimony of a witness.

An order under this paragraph shall not take effect until the court has afforded the United States an opportunity to appeal such order under section 7, and thereafter to withdraw its objection to the disclosure of the classified information at issue.

(f) RECIPROCITY.—Whenever the court determines pursuant to subsection (a) that classified information may be disclosed in connection with a trial or pretrial proceeding, the court shall, unless the interests of fairness do not so require, order the United States to provide the defendant with the information it expects to use to rebut the classified information. The court may place the United States under a continuing duty to disclose such rebuttal information. If the United States fails to comply with its obligation under this subsection, the court may exclude any evidence not made the subject of a required disclosure and may prohibit the

examination by the United States of any witness with respect to such information.

INTERLOCUTORY APPEAL

SEC. 7. [18 U.S.C. App. § 7]

(a) An interlocutory appeal by the United States taken before or after the defendant has been placed in jeopardy shall lie to a court of appeals from a decision or order of a district court in a criminal case authorizing the disclosure of classified information, imposing sanctions for nondisclosure of classified information, or refusing a protective order sought by the United States to prevent the disclosure of classified information.

(b) An appeal taken pursuant to this section either before or during trial shall be expedited by the court of appeals. Prior to trial, an appeal shall be taken within fourteen days after the decision or order appealed from and the trial shall not commence until the appeal is resolved. If an appeal is taken during trial, the trial court shall adjourn the trial until the appeal is resolved and the court of appeals (1) shall hear argument on such appeal within four days of the adjournment of the trial, excluding intermediate weekends and holidays, (2) may dispense with written briefs other than the supporting materials previously submitted to the trial court, (3) shall render its decision within four days of argument on appeal, excluding intermediate weekends and holidays, and (4) may dispense with the issuance of a written opinion in rendering its decision. Such appeal and decision shall not affect the right of the defendant, in a subsequent appeal from a judgment of conviction, to claim as error reversal by the trial court on remand of a ruling appealed from during trial.

INTRODUCTION OF CLASSIFIED INFORMATION

SEC. 8. [18 U.S.C. App. § 8]

(a) CLASSIFICATION STATUS.—Writings, recordings, and photographs containing classified information may be admitted into evidence without change in their classification status.

(b) PRECAUTIONS BY COURT.—The court, in order to prevent unnecessary disclosure of classified information involved in any criminal proceeding, may order admission into evidence of only part of a writing, recording, or photograph, or may order admission into evidence of the whole writing, recording, or photograph with excision of some or all of the classified information contained therein, unless the whole ought in fairness be considered.

(c) TAKING OF TESTIMONY.—During the examination of a witness in any criminal proceeding, the United States may object to any question or line of

inquiry that may require the witness to disclose classified information not previously found to be admissible. Following such an objection, the court shall take such suitable action to determine whether the response is admissible as will safeguard against the compromise of any classified information. Such action may include requiring the United States to provide the court with a proffer of the witness' response to the question or line of inquiry and requiring the defendant to provide the court with a proffer of the nature of the information he seeks to elicit.

(a)(1) Notwithstanding any other law, the President, through the Attorney General, may authorize electronic surveillance without a court order under this title to acquire foreign intelligence information for periods of up to one year if the Attorney General certifies in writing under oath that—

- (A) the electronic surveillance is solely directed at—
 - (i) the acquisition of the contents of communications transmitted by means of communications used exclusively between or among foreign powers, as defined in section 101(a)(1), (2), or (3); or
 - (ii) the acquisition of technical intelligence, other than the spoken communications of individuals, from

property or premises under the open and exclusive control of a foreign power, as defined in section 101(a)(1), (2), or (3);

(B) there is no substantial likelihood that the surveillance will acquire the contents of any communications to which a United States person is a party; and

(C) the proposed minimization procedures with respect to such surveillance meet the definition of minimization procedures under section 101(h); and

if the Attorney General reports such minimization procedures and any changes thereto to the House Permanent Select Committee on Intelligence and the Senate Select Committee on Intelligence at least thirty days prior to their effective date, unless the Attorney General determines immediate action is required and notifies the committees immediately of such minimization procedures and the reason for their becoming effective immediately.

(2) An electronic surveillance authorized by this subsection may be conducted only in accordance with the Attorney General's certification and the minimization procedures adopted by him. The Attorney General shall assess compliance with such procedures and shall report such assessments to the House Permanent Select Committee on Intelligence and the Senate Select Committee on Intelligence under the provisions of section 108(a).

(3) The Attorney General shall immediately transmit under seal to the court established under section 103(a) a copy of his certification. Such certification shall be maintained under security measures established by the Chief Justice with the concurrence of the Attorney General, in consultation with the Director of National Intelligence, and shall remain sealed unless—

(A) an application for a court order with respect to the surveillance is made under sections 101(h)(4) and 104; or

(B) the certification is necessary to determine the legality of the surveillance under section 106(f).

(4) With respect to electronic surveillance authorized by this subsection, the Attorney General may direct a specified communication common carrier to—

(A) furnish all information, facilities, or technical assistance necessary to accomplish the electronic surveillance in such a manner as will protect its secrecy and produce a minimum of interference with the services that such carrier is providing its customers; and

(B) maintain under security procedures approved by the Attorney General and the Director of National Intelligence any records concerning the surveillance or the aid furnished which such carrier wishes to retain.

The Government shall compensate, at the prevailing rate, such carrier for furnishing such aid.

(b) Applications for a court order under this title are authorized if the President has, by written authorization, empowered the Attorney General to approve applications to the court having jurisdiction under section 103, and a judge to whom an application is made may, notwithstanding any other law, grant an order, in conformity with section 105, approving electronic surveillance of a foreign power or an agent of a foreign power for the purpose of obtaining foreign intelligence information, except that the court shall not have jurisdiction to grant any order approving electronic surveillance directed solely as described in paragraph (1)(A) of subsection (a) unless such surveillance may involve the acquisition of communications of any United States person.

DESIGNATION OF JUDGES

SEC. 103. [50 U.S.C. § 1803]

(b) The Attorney General may require any other affidavit or certification from any other officer in connection with the application.

(c) The judge may require the applicant to furnish such other information as may be necessary to make the determinations required by section 105.

ISSUANCE OF AN ORDER

SEC. 105. [50 U.S.C. § 1805]

(a) Upon an application made pursuant to section 104, the judge shall enter an ex parte order as requested or as modified approving the electronic surveillance if he finds that—

(1) the application has been made by a Federal officer and approved by the Attorney General;

(2) on the basis of the facts submitted by the applicant there is probable cause to believe that—

(A) the target of the electronic surveillance is a foreign power or an agent of a foreign power: *Provided*, That no United States person may be considered a foreign power or an agent of a foreign power solely upon the basis of activities protected by the first amendment to the Constitution of the United States; and

(B) each of the facilities or places at which the electronic surveillance is directed is being used, or is about to be used, by a foreign power or an agent of a foreign power;

(3) the proposed minimization procedures meet the definition of minimization procedures under section 101(h); and

(4) the application which has been filed contains all statements and certifications required by section 104 and, if the target is a United States person, the certification or certifications are not clearly erroneous on the basis of the statement made under section 104(a)(7)(E) and any other information furnished under section 104(d).

(b) In determining whether or not probable cause exists for purposes of an order under subsection (a)(2), a judge may consider past activities of the target, as well as facts and circumstances relating to current or future activities of the target.

(c)(1) SPECIFICATIONS.—An order approving an electronic surveillance under this section shall specify—

- (A) the identity, if known, or a description of the specific target of the electronic surveillance identified or described in the application pursuant to section 104(a)(3);
- (B) the nature and location of each of the facilities or places at which the electronic surveillance will be directed, if known;
- (C) the type of information sought to be acquired and the type of communications or activities to be subjected to the surveillance;
- (D) the means by which the electronic surveillance will be effected and whether physical entry will be used to effect the surveillance; and
- (E) the period of time during which the electronic surveillance is approved.

(2) DIRECTIONS.— An order approving an electronic surveillance under this section shall direct—

- (A) that the minimization procedures be followed;
- (B) that, upon the request of the applicant, a specified communication or other common carrier, landlord, custodian, or other specified person, or in circumstances where the Court finds, based upon specific facts provided in the application, that the actions of the target of the application may have the effect of thwarting the identification of a specified person, such other persons, furnish the applicant forthwith all information, facilities, or technical assistance necessary to accomplish the electronic surveillance in such a manner as will protect its secrecy and produce a minimum of interference with the services that such carrier, landlord, custodian, or other person is providing that target of electronic surveillance;
- (C) that such carrier, landlord, custodian, or other person maintain under security procedures approved by the Attorney General and the Director of National Intelligence any records concerning the surveillance or the aid furnished that such person wishes to retain; and
- (D) that the applicant compensate, at the prevailing rate, such carrier, landlord, custodian, or other person for furnishing such aid.

(3) SPECIAL DIRECTIONS FOR CERTAIN ORDERS.—An order approving an electronic surveillance under this section in circumstances where the nature and location of each of the facilities or places at which the surveillance will be directed is unknown shall direct the applicant to provide notice to the court within ten days after the date on which surveillance begins to be directed at any new facility or place, unless the court finds good cause to justify a longer period of up to 60 days, of—

(A) the nature and location of each new facility or place at which the electronic surveillance is directed;

(B) the facts and circumstances relied upon by the applicant to justify the applicant's belief that each new facility or place at which the electronic surveillance is directed is or was being used, or is about to be used, by the target of the surveillance;

(C) a statement of any proposed minimization procedures that differ from those contained in the original application or order, that may be necessitated by a change in the facility or place at which the electronic surveillance is directed; and

(D) the total number of electronic surveillances that have been or are being conducted under the authority of the order.

(d)(1) An order issued under this section may approve an electronic surveillance for the period necessary to achieve its purpose, or for ninety days, whichever is less, except that (A) an order under this section shall approve an electronic surveillance targeted against a foreign power, as defined in section 101(a)(1), (2), or (3), for the period specified in the application or for one year, whichever is less, and (B) an order under this Act for a surveillance targeted against an agent of a foreign power who is not a United States person may be for the period specified in the application or for 120 days, whichever is less.

(2) Extensions of an order issued under this Act may be granted on the same basis as an original order upon an application for an extension and new findings made in the same manner as required for an original order, except that

(A) an extension of an order under this Act for a surveillance targeted against a foreign power, as defined in paragraph (5), (6), or (7) of section 101(a), or against a foreign power as defined in section 101(a)(4) that is not a United States person, may be for a period not to exceed one year if the judge finds probable cause to believe that no communication of any individual United States person will be acquired during the period, and

(B) an extension of an order under this Act for a surveillance targeted against an agent of a foreign power who is not a United States person may be for a period not to exceed 1 year.

(3) At or before the end of the period of time for which electronic surveillance is approved by an order or an extension, the judge may assess compliance with the minimization procedures by reviewing the circumstances under which information concerning United States persons was acquired, retained, or disseminated.

(4) A denial of the application made under section 104 may be reviewed as provided in section 103.

(e)(1) Notwithstanding any other provision of this title, the Attorney General may authorize the emergency employment of electronic surveillance if the Attorney General—

(A) reasonably determines that an emergency situation exists with respect to the employment of electronic surveillance to obtain foreign intelligence information before an order authorizing such surveillance can with due diligence be obtained;

(B) reasonably determines that the factual basis for the issuance of an order under this title to approve such electronic surveillance exists;

(C) informs, either personally or through a designee, a judge having jurisdiction under section 103 at the time of such authorization that the decision has been made to employ emergency electronic surveillance; and

(D) makes an application in accordance with this title to a judge having jurisdiction under section 103 as soon as practicable, but not later than 7 days after the Attorney General authorizes such surveillance.

(2) If the Attorney General authorizes the emergency employment of electronic surveillance under paragraph (1), the Attorney General shall require that the minimization procedures required by this title for the issuance of a judicial order be followed.

(3) In the absence of a judicial order approving such electronic surveillance, the surveillance shall terminate when the information sought is obtained, when the application for the order is denied, or after the expiration of 7 days from the time of authorization by the Attorney General, whichever is earliest.

(4) A denial of the application made under this subsection may be reviewed as provided in section 103.

(5) In the event that such application for approval is denied, or in any other case where the electronic surveillance is terminated and no order is issued approving the surveillance, no information obtained or evidence derived from such surveillance shall be received in evidence or otherwise disclosed in any trial, hearing, or other proceeding in or before any court,

grand jury, department, office, agency, regulatory body, legislative committee, or other authority of the United States, a State, or political subdivision thereof, and no information concerning any United States person acquired from such surveillance shall subsequently be used or disclosed in any other manner by Federal officers or employees without the consent of such person, except with the approval of the Attorney General if the information indicates a threat of death or serious bodily harm to any person.

(6) The Attorney General shall assess compliance with the requirements of paragraph (5).

(f)(1) Notwithstanding any other provision of this Act, the lawfully authorized targeting of a non-United States person previously believed to be located outside the United States for the acquisition of foreign intelligence information may continue for a period not to exceed 72 hours from the time that the non-United States person is reasonably believed to be located inside the United States and the acquisition is subject to this title or to title III of this Act, provided that the head of an element of the intelligence community—

(A) reasonably determines that a lapse in the targeting of such non-United States person poses a threat of death or serious bodily harm to any person;

(B) promptly notifies the Attorney General of a determination under subparagraph (A); and

(C) requests, as soon as practicable, the employment of emergency electronic surveillance under subsection (e) or the employment of an emergency physical search pursuant to section 304(e), as warranted.

(2) The authority under this subsection to continue the acquisition of foreign intelligence information is limited to a period not to exceed 72 hours and shall cease upon the earlier of the following:

(A) The employment of emergency electronic surveillance under subsection (e) or the employment of an emergency physical search pursuant to section 304(e).

(B) An issuance of a court order under this title or title III of this Act.

(C) The Attorney General provides direction that the acquisition be terminated.

(D) The head of the element of the intelligence community conducting the acquisition determines that a request under paragraph (1)(C) is not warranted.

(E) When the threat of death or serious bodily harm to any person is no longer reasonably believed to exist.

(3) Nonpublicly available information concerning unconsenting United States persons acquired under this subsection shall not be disseminated during the 72 hour time period under paragraph (1) unless necessary to investigate, reduce, or eliminate the threat of death or serious bodily harm to any person.

(4) If the Attorney General declines to authorize the employment of emergency electronic surveillance under subsection (e) or the employment of an emergency physical search pursuant to section 304(e), or a court order is not obtained under this title or title III of this Act, information obtained during the 72 hour acquisition time period under paragraph (1) shall not be retained, except with the approval of the Attorney General if the information indicates a threat of death or serious bodily harm to any person.

(5) Paragraphs (5) and (6) of subsection (e) shall apply to this subsection.

(g) Notwithstanding any other provision of this title, officers, employees, or agents of the United States are authorized in the normal course of their official duties to conduct electronic surveillance not targeted against the communications of any particular person or persons, under procedures approved by the Attorney General, solely to—

(1) test the capability of electronic equipment, if—

(A) it is not reasonable to obtain the consent of the persons incidentally subjected to the surveillance;

(B) the test is limited in extent and duration to that necessary to determine the capability of the equipment;

(C) the contents of any communication acquired are retained and used only for the purpose of determining the capability of the equipment, are disclosed only to test personnel, and are destroyed before or immediately upon completion of the test; and:

(D) *Provided*, That the test may exceed ninety days only with the prior approval of the Attorney General;

(2) determine the existence and capability of electronic surveillance equipment being used by persons not authorized to conduct electronic surveillance, if—

(A) it is not reasonable to obtain the consent of persons incidentally subjected to the surveillance;

(B) such electronic surveillance is limited in extent and duration to that necessary to determine the existence and capability of such equipment; and

(C) any information acquired by such surveillance is used only to enforce chapter 119 of title 18, United States Code, or section

705 of the Communications Act of 1934, or to protect information from unauthorized surveillance; or
(3) train intelligence personnel in the use of electronic surveillance equipment, if—

(A) it is not reasonable to—

(i) obtain the consent of the persons incidentally subjected to the surveillance;

(ii) train persons in the course of surveillances otherwise authorized by this title; or

(iii) train persons in the use of such equipment without engaging in electronic surveillance;

(B) such electronic surveillance is limited in extent and duration to that necessary to train the personnel in the use of the equipment; and

(C) no contents of any communication acquired are retained or disseminated for any purpose, but are destroyed as soon as reasonably possible.

(h) Certifications made by the Attorney General pursuant to section 102(a) and applications made and orders granted under this title shall be retained for a period of at least ten years from the date of the certification or application.

(i) No cause of action shall lie in any court against any provider of a wire or electronic communication service, landlord, custodian, or other person (including any officer, employee, agent, or other specified person thereof) that furnishes any information, facilities, or technical assistance in accordance with a court order or request for emergency assistance under this Act for electronic surveillance or physical search.

(j) In any case in which the Government makes an application to a judge under this title to conduct electronic surveillance involving communications and the judge grants such application, upon the request of the applicant, the judge shall also authorize the installation and use of pen registers and trap and trace devices, and direct the disclosure of the information set forth in section 402(d)(2).

USE OF INFORMATION

SEC. 106. [50 U.S.C. § 1806]

(a) Information acquired from an electronic surveillance conducted pursuant to this title concerning any United States person may be used and disclosed by Federal officers and employees without the consent of the United States person only in accordance with the minimization procedures required by this title. No otherwise privileged communication obtained in accordance with, or in violation of, the provisions of this Act shall lose its privileged character. No information

acquired from an electronic surveillance pursuant to this title may be used or disclosed by Federal officers or employees except for lawful purposes.

(b) No information acquired pursuant to this title shall be disclosed for law enforcement purposes unless such disclosure is accompanied by a statement that such information, or any information derived therefrom, may only be used in a criminal proceeding with the advance authorization of the Attorney General.

(c) Whenever the Government intends to enter into evidence or otherwise use or disclose in any trial, hearing, or other proceeding in or before any court, department, officer, agency, regulatory body, or other authority of the United States, against an aggrieved person, any information obtained or derived from an electronic surveillance of that aggrieved person pursuant to the authority of this Act, the Government shall, prior to the trial, hearing, or other proceeding or at a reasonable time prior to an effort to so disclose or so use that information or submit it in evidence, notify the aggrieved person and the court or other authority in which the information is to be disclosed or used that the Government intends to so disclose or so use such information.

(d) Whenever any State or political subdivision thereof intends to enter into evidence or otherwise use or disclose in any trial, hearing, or other proceeding in or before any court, department, officer, agency, regulatory body, or other authority of a State or a political subdivision thereof, against an aggrieved person any information obtained or derived from an electronic surveillance of that aggrieved person pursuant to the authority of this Act, the State or political subdivision thereof shall notify the aggrieved person, the court or other authority in which the information is to be disclosed or used, and the Attorney General that the State or political subdivision thereof intends to so disclose or so use such information.

(e) Any person against whom evidence obtained or derived from an electronic surveillance to which he is an aggrieved person is to be, or has been, introduced or otherwise used or disclosed in any trial, hearing, or other proceeding in or before any court, department, officer, agency, regulatory body, or other authority of the United States, a State, or a political subdivision thereof, may move to suppress the evidence obtained or derived from such electronic surveillance on the grounds that—

- (1) the information was unlawfully acquired; or
- (2) the surveillance was not made in conformity with an order of authorization or approval.

Such a motion shall be made before the trial, hearing, or other proceeding unless there was no opportunity to make such a motion or the person was not aware of the grounds of the motion.

(f) Whenever a court or other authority is notified pursuant to subsection (c) or (d), or whenever a motion is made pursuant to subsection (e), or whenever any

motion or request is made by an aggrieved person pursuant to any other statute or rule of the United States or any State before any court or other authority of the United States or any State to discover or obtain applications or orders or other materials relating to electronic surveillance or to discover, obtain, or suppress evidence or information obtained or derived from electronic surveillance under this Act, the United States district court or, where the motion is made before another authority, the United States district court in the same district as the authority, shall, notwithstanding any other law, if the Attorney General files an affidavit under oath that disclosure or an adversary hearing would harm the national security of the United States, review in camera and ex parte the application, order, and such other materials relating to the surveillance as may be necessary to determine whether the surveillance of the aggrieved person was lawfully authorized and conducted. In making this determination, the court may disclose to the aggrieved person, under appropriate security procedures and protective orders, portions of the application, order, or other materials relating to the surveillance only where such disclosure is necessary to make an accurate determination of the legality of the surveillance.

(g) If the United States district court pursuant to subsection (f) determines that the surveillance was not lawfully authorized or conducted, it shall, in accordance with the requirements of law, suppress the evidence which was unlawfully obtained or derived from electronic surveillance of the aggrieved person or otherwise grant the motion of the aggrieved person. If the court determines that the surveillance was lawfully authorized and conducted, it shall deny the motion of the aggrieved person except to the extent that due process requires discovery or disclosure.

(h) Orders granting motions or requests under subsection (g), decisions under this section that electronic surveillance was not lawfully authorized or conducted, and orders of the United States district court requiring review or granting disclosure of applications, orders, or other materials relating to a surveillance shall be final orders and binding upon all courts of the United States and the several States except a United States court of appeals and the Supreme Court.

(i) In circumstances involving the unintentional acquisition by an electronic, mechanical, or other surveillance device of the contents of any communication, under circumstances in which a person has a reasonable expectation of privacy and a warrant would be required for law enforcement purposes, and if both the sender and all intended recipients are located within the United States, such contents shall be destroyed upon recognition, unless the Attorney General determines that the contents indicates a threat of death or serious bodily harm to any person.

(j) If an emergency employment of electronic surveillance is authorized under subsection (e) or (f) of section 105 and a subsequent order approving the

surveillance is not obtained, the judge shall cause to be served on any United States person named in the application and on such other United States persons subject to electronic surveillance as the judge may determine in his discretion it is in the interest of justice to serve, notice of—

- (1) the fact of the application;
- (2) the period of the surveillance; and
- (3) the fact that during the period information was or was not obtained.

On an ex parte showing of good cause to the judge the serving of the notice required by this subsection may be postponed or suspended for a period not to exceed ninety days. Thereafter, on a further ex parte showing of good cause, the court shall forego ordering the serving of the notice required under this subsection.

(k)(1) Federal officers who conduct electronic surveillance to acquire foreign intelligence information under this title may consult with Federal law enforcement officers or law enforcement personnel of a State or political subdivision of a State (including the chief executive officer of that State or political subdivision who has the authority to appoint or direct the chief law enforcement officer of that State or political subdivision) to coordinate efforts to investigate or protect against—

- (A) actual or potential attack or other grave hostile acts of a foreign power or an agent of a foreign power;
 - (B) sabotage, international terrorism, or the international proliferation of weapons of mass destruction by a foreign power or an agent of a foreign power; or
 - (C) clandestine intelligence activities by an intelligence service or network of a foreign power or by an agent of a foreign power.
- (2) Coordination authorized under paragraph (1) shall not preclude the certification required by section 104(a)(7)(B) or the entry of an order under section 105.

TITLE II—CONFORMING AMENDMENTS

[SEC. 201. Amended Title 18.]

**TITLE III—PHYSICAL SEARCHES WITHIN THE UNITED STATES
FOR FOREIGN INTELLIGENCE PURPOSES**

DEFINITIONS

SEC. 301. [50 U.S.C. § 1821]

As used in this title:

- (1) The terms “foreign power”, “agent of a foreign power”, “international terrorism”, “sabotage”, “foreign intelligence information”, “Attorney General”, “United States person”, “United States,” “person,” “weapon of mass destruction”, and “State” shall have the same meanings as in section 101 of this Act, except as specifically provided by this title.
- (2) “Aggrieved person” means a person whose premises, property, information, or material is the target of physical search or any other person whose premises, property, information, or material was subject to physical search.
- (3) “Foreign Intelligence Surveillance Court” means the court established by section 103(a) of this Act.
- (4) “Minimization procedures” with respect to physical search, means—
 - (A) specific procedures, which shall be adopted by the Attorney General, that are reasonably designed in light of the purposes and technique of the particular physical search, to minimize the acquisition and retention, and prohibit the dissemination, of nonpublicly available information concerning unconsenting United States persons consistent with the need of the United States to obtain, produce, and disseminate foreign intelligence information;
 - (B) procedures that require that nonpublicly available information, which is not foreign intelligence information, as defined in section 101(e)(1) of this Act, shall not be disseminated in a manner that identifies any United States person, without such person’s consent, unless such person’s identity is necessary to understand such foreign intelligence information or assess its importance;
 - (C) notwithstanding subparagraphs (A) and (B), procedures that allow for the retention and dissemination of information that is evidence of a crime which has been, is being, or is about to be committed and that is to be retained or disseminated for law enforcement purposes; and
 - (D) notwithstanding subparagraphs (A), (B), and (C), with respect to any physical search approved pursuant to section 302(a), procedures that require that no information, material, or property of a United States person shall be disclosed, disseminated, or used for any purpose or retained for longer than 72 hours unless a court order under section 304 is obtained or unless the Attorney General determines that the

information indicates a threat of death or serious bodily harm to any person.

(5) “Physical search” means any physical intrusion within the United States into premises or property (including examination of the interior of property by technical means) that is intended to result in a seizure, reproduction, inspection, or alteration of information, material, or property, under circumstances in which a person has a reasonable expectation of privacy and a warrant would be required for law enforcement purposes, but does not include (A) “electronic surveillance”, as defined in section 101(f) of this Act, or (B) the acquisition by the United States Government of foreign intelligence information from international or foreign communications, or foreign intelligence activities conducted in accordance with otherwise applicable Federal law involving a foreign electronic communications system, utilizing a means other than electronic surveillance as defined in section 101(f) of this Act.

**AUTHORIZATION OF PHYSICAL SEARCHES FOR
FOREIGN INTELLIGENCE PURPOSES**

SEC. 302. [50 U.S.C. § 1822]

(a)(1) Notwithstanding any other provision of law, the President, acting through the Attorney General, may authorize physical searches without a court order under this title to acquire foreign intelligence information for periods of up to one year if—

- (A) the Attorney General certifies in writing under oath that—
 - (i) the physical search is solely directed at premises, information, material, or property used exclusively by, or under the open and exclusive control of, a foreign power or powers (as defined in section 101(a)(1), (2), or (3));
 - (ii) there is no substantial likelihood that the physical search will involve the premises, information, material, or property of a United States person; and
 - (iii) the proposed minimization procedures with respect to such physical search meet the definition of minimization procedures under subparagraphs (A) through (D) of section 301(4); and
- (B) the Attorney General reports such minimization procedures and any changes thereto to the Permanent Select Committee on Intelligence of the House of Representatives and the Select Committee on Intelligence of the Senate at least 30 days before their effective date, unless the Attorney General determines that

immediate action is required and notifies the committees immediately of such minimization procedures and the reason for their becoming effective immediately.

(2) A physical search authorized by this subsection may be conducted only in accordance with the certification and minimization procedures adopted by the Attorney General. The Attorney General shall assess compliance with such procedures and shall report such assessments to the Permanent Select Committee on Intelligence of the House of Representatives and the Select Committee on Intelligence of the Senate under the provisions of section 306.

(3) The Attorney General shall immediately transmit under seal to the Foreign Intelligence Surveillance Court a copy of the certification. Such certification shall be maintained under security measures established by the Chief Justice of the United States with the concurrence of the Attorney General, in consultation with the Director of National Intelligence, and shall remain sealed unless—

(A) an application for a court order with respect to the physical search is made under section 301(4) and section 303; or

(B) the certification is necessary to determine the legality of the physical search under section 305(g).

(4)(A) With respect to physical searches authorized by this subsection, the Attorney General may direct a specified landlord, custodian, or other specified person to—

(i) furnish all information, facilities, or assistance necessary to accomplish the physical search in such a manner as will protect its secrecy and produce a minimum of interference with the services that such landlord, custodian, or other person is providing the target of the physical search; and

(ii) maintain under security procedures approved by the Attorney General and the Director of National Intelligence any records concerning the search or the aid furnished that such person wishes to retain.

(B) The Government shall compensate, at the prevailing rate, such landlord, custodian, or other person for furnishing such aid.

(b) Applications for a court order under this title are authorized if the President has, by written authorization, empowered the Attorney General to approve applications to the Foreign Intelligence Surveillance Court. Notwithstanding any other provision of law, a judge of the court to whom application is made may grant an order in accordance with section 304 approving a physical search in the United States of the premises, property, information, or material of a foreign

power or an agent of a foreign power for the purpose of collecting foreign intelligence information.

(c) The Foreign Intelligence Surveillance Court shall have jurisdiction to hear applications for and grant orders approving a physical search for the purpose of obtaining foreign intelligence information anywhere within the United States under the procedures set forth in this title, except that no judge (except when sitting en banc) shall hear the same application which has been denied previously by another judge designated under section 103(a) of this Act. If any judge so designated denies an application for an order authorizing a physical search under this title, such judge shall provide immediately for the record a written statement of each reason for such decision and, on motion of the United States, the record shall be transmitted, under seal, to the court of review established under section 103(b).

(d) The court of review established under section 103(b) shall have jurisdiction to review the denial of any application made under this title. If such court determines that the application was properly denied, the court shall provide for the record a written statement of each reason for its decision and, on petition of the United States for a writ of certiorari, the record shall be transmitted under seal to the Supreme Court, which shall have jurisdiction to review such decision.

(e) Judicial proceedings under this title shall be concluded as expeditiously as possible. The record of proceedings under this title, including applications made and orders granted, shall be maintained under security measures established by the Chief Justice of the United States in consultation with the Attorney General and the Director of National Intelligence.

(B) Except when disabled or otherwise unavailable to make a request referred to in subparagraph (A), an official referred to in that subparagraph may not delegate the authority to make a request referred to in that subparagraph.

(C) Each official referred to in subparagraph (A) with authority to make a request under that subparagraph shall take appropriate actions in advance to ensure that delegation of such authority is clearly established in the event such official is disabled or otherwise unavailable to make such request.

(2)(A) If as a result of a request under paragraph (1) the Attorney General determines not to approve an application under the second sentence of subsection (a) for purposes of making the application under this section, the Attorney General shall provide written notice of the determination to the official making the request for the review of the application under that paragraph. Except when disabled or otherwise unavailable to make a determination under the preceding sentence, the Attorney General may not delegate the responsibility to make a determination under that sentence. The Attorney General shall take appropriate actions in advance to ensure that delegation of such responsibility is clearly established in the event the Attorney General is disabled or otherwise unavailable to make such determination.

(B) Notice with respect to an application under subparagraph (A) shall set forth the modifications, if any, of the application that are necessary in order for the Attorney General to approve the application under the second sentence of subsection (a) for purposes of making the application under this section.

(C) Upon review of any modifications of an application set forth under subparagraph (B), the official notified of the modifications under this paragraph shall modify the application if such official determines that such modification is warranted. Such official shall supervise the making of any modification under this subparagraph. Except when disabled or otherwise unavailable to supervise the making of any modification under the preceding sentence, such official may not delegate the responsibility to supervise the making of any modification under that preceding sentence. Each such official shall take appropriate actions in

advance to ensure that delegation of such responsibility is clearly established in the event such official is disabled or otherwise unavailable to supervise the making of such modification.

ISSUANCE OF AN ORDER

SEC. 304. [50 U.S.C. § 1824]

(a) Upon an application made pursuant to section 303, the judge shall enter an ex parte order as requested or as modified approving the physical search if the judge finds that—

(1) the application has been made by a Federal officer and approved by the Attorney General;

(2) on the basis of the facts submitted by the applicant there is probable cause to believe that—

(A) the target of the physical search is a foreign power or an agent of a foreign power, except that no United States person may be considered an agent of a foreign power solely upon the basis of activities protected by the first amendment to the Constitution of the United States; and

(B) the premises or property to be searched is or is about to be owned, used, possessed by, or is in transit to or from an agent of a foreign power or a foreign power;

(3) the proposed minimization procedures meet the definition of minimization contained in this title; and

(4) the application which has been filed contains all statements and certifications required by section 303, and, if the target is a United States person, the certification or certifications are not clearly erroneous on the basis of the statement made under section 303(a)(6)(E) and any other information furnished under section 303(c).

(b) In determining whether or not probable cause exists for purposes of an order under subsection (a)(2), a judge may consider past activities of the target, as well as facts and circumstances relating to current or future activities of the target.

(c) An order approving a physical search under this section shall—

(1) specify—

(A) the identity, if known, or a description of the target of the physical search;

(B) the nature and location of each of the premises or property to be searched;

(C) the type of information, material, or property to be seized, altered, or reproduced;

(D) a statement of the manner in which the physical search is to be conducted and, whenever more than one physical search is authorized under the order, the authorized scope of each search and what minimization procedures shall apply to the information acquired by each search; and

(E) the period of time during which physical searches are approved; and

(2) direct—

(A) that the minimization procedures be followed;

(B) that, upon the request of the applicant, a specified landlord, custodian, or other specified person furnish the applicant forthwith all information, facilities, or assistance necessary to accomplish the physical search in such a manner as will protect its secrecy and produce a minimum of interference with the services that such landlord, custodian, or other person is providing the target of the physical search;

(C) that such landlord, custodian, or other person maintain under security procedures approved by the Attorney General and the Director of National Intelligence any records concerning the search or the aid furnished that such person wishes to retain;

(D) that the applicant compensate, at the prevailing rate, such landlord, custodian, or other person for furnishing such aid; and

(E) that the Federal officer conducting the physical search promptly report to the court the circumstances and results of the physical search.

(d)(1) An order issued under this section may approve a physical search for the period necessary to achieve its purpose, or for 90 days, whichever is less, except that (A) an order under this section shall approve a physical search targeted against a foreign power, as defined in paragraph (1), (2), or (3) of section 101(a), for the period specified in the application or for one year, whichever is less, and (B) an order under this section for a physical search targeted against an agent of a foreign power who is not a United States person may be for the period specified in the application or for 120 days, whichever is less.

(2) Extensions of an order issued under this title may be granted on the same basis as the original order upon an application for an extension and new findings made in the same manner as required for the original order, except that an extension of an order under this Act for a physical search targeted against a foreign power, as defined in paragraph (5), (6), or (7) of section 101(a), or against a foreign power, as defined in section 101(a)(4), that is not a United States person, or against an agent of a foreign power who is not a United States person, may be for a period not

to exceed one year if the judge finds probable cause to believe that no property of any individual United States person will be acquired during the period.

(3) At or before the end of the period of time for which a physical search is approved by an order or an extension, or at any time after a physical search is carried out, the judge may assess compliance with the minimization procedures by reviewing the circumstances under which information concerning United States persons was acquired, retained, or disseminated.

(e)(1) Notwithstanding any other provision of this title, the Attorney General may authorize the emergency employment of a physical search if the Attorney General—

(A) reasonably determines that an emergency situation exists with respect to the employment of a physical search to obtain foreign intelligence information before an order authorizing such physical search can with due diligence be obtained;

(B) reasonably determines that the factual basis for issuance of an order under this title to approve such physical search exists;

(C) informs, either personally or through a designee, a judge of the Foreign Intelligence Surveillance Court at the time of such authorization that the decision has been made to employ an emergency physical search; and

(D) makes an application in accordance with this title to a judge of the Foreign Intelligence Surveillance Court as soon as practicable, but not more than 7 days after the Attorney General authorizes such physical search.

(2) If the Attorney General authorizes the emergency employment of a physical search under paragraph (1), the Attorney General shall require that the minimization procedures required by this title for the issuance of a judicial order be followed.

(3) In the absence of a judicial order approving such physical search, the physical search shall terminate when the information sought is obtained, when the application for the order is denied, or after the expiration of 7 days from the time of authorization by the Attorney General, whichever is earliest.

(4) A denial of the application made under this subsection may be reviewed as provided in section 103.

(5) In the event that such application for approval is denied, or in any other case where the physical search is terminated and no order is issued approving the physical search, no information obtained or evidence derived from such physical search shall be received in evidence or

otherwise disclosed in any trial, hearing, or other proceeding in or before any court, grand jury, department, office, agency, regulatory body, legislative committee, or other authority of the United States, a State, or political subdivision thereof, and no information concerning any United States person acquired from such physical search shall subsequently be used or disclosed in any other manner by Federal officers or employees without the consent of such person, except with the approval of the Attorney General if the information indicates a threat of death or serious bodily harm to any person.

(6) The Attorney General shall assess compliance with the requirements of paragraph (5).

(f) Applications made and orders granted under this title shall be retained for a period of at least 10 years from the date of the application.

USE OF INFORMATION

SEC. 305. [50 U.S.C. § 1825]

(a) Information acquired from a physical search conducted pursuant to this title concerning any United States person may be used and disclosed by Federal officers and employees without the consent of the United States person only in accordance with the minimization procedures required by this title. No information acquired from a physical search pursuant to this title may be used or disclosed by Federal officers or employees except for lawful purposes.

(b) Where a physical search authorized and conducted pursuant to section 304 involves the residence of a United States person, and, at any time after the search the Attorney General determines there is no national security interest in continuing to maintain the secrecy of the search, the Attorney General shall provide notice to the United States person whose residence was searched of the fact of the search conducted pursuant to this Act and shall identify any property of such person seized, altered, or reproduced during such search.

(c) No information acquired pursuant to this title shall be disclosed for law enforcement purposes unless such disclosure is accompanied by a statement that such information, or any information derived therefrom, may only be used in a criminal proceeding with the advance authorization of the Attorney General.

(d) Whenever the United States intends to enter into evidence or otherwise use or disclose in any trial, hearing, or other proceeding in or before any court, department, officer, agency, regulatory body, or other authority of the United States, against an aggrieved person, any information obtained or derived from a physical search pursuant to the authority of this Act, the United States shall, prior to the trial, hearing, or the other proceeding or at a reasonable time prior to an effort to so disclose or so use that information or submit it in evidence, notify the

aggrieved person and the court or other authority in which the information is to be disclosed or used that the United States intends to so disclose or so use such information.

(e) Whenever any State or political subdivision thereof intends to enter into evidence or otherwise use or disclose in any trial, hearing, or other proceeding in or before any court, department, officer, agency, regulatory body, or other authority of a State or a political subdivision thereof against an aggrieved person any information obtained or derived from a physical search pursuant to the authority of this Act, the State or political subdivision thereof shall notify the aggrieved person, the court or other authority in which the information is to be disclosed or used, and the Attorney General that the State or political subdivision thereof intends to so disclose or so use such information.

(f)(1) Any person against whom evidence obtained or derived from a physical search to which he is an aggrieved person is to be, or has been, introduced or otherwise used or disclosed in any trial, hearing, or other proceeding in or before any court, department, officer, agency, regulatory body, or other authority of the United States, a State, or a political subdivision thereof, may move to suppress the evidence obtained or derived from such search on the grounds that—

(A) the information was unlawfully acquired; or

(B) the physical search was not made in conformity with an order of authorization or approval.

(2) Such a motion shall be made before the trial, hearing, or other proceeding unless there was no opportunity to make such a motion or the person was not aware of the grounds of the motion.

(g) Whenever a court or other authority is notified pursuant to subsection (d) or (e), or whenever a motion is made pursuant to subsection (f), or whenever any motion or request is made by an aggrieved person pursuant to any other statute or rule of the United States or any State before any court or other authority of the United States or any State to discover or obtain applications or orders or other materials relating to a physical search authorized by this title or to discover, obtain, or suppress evidence or information obtained or derived from a physical search authorized by this title, the United States district court or, where the motion is made before another authority, the United States district court in the same district as the authority shall, notwithstanding any other provision of law, if the Attorney General files an affidavit under oath that disclosure or any adversary hearing would harm the national security of the United States, review in camera and ex parte the application, order, and such other materials relating to the physical search as may be necessary to determine whether the physical search of the aggrieved person was lawfully authorized and conducted. In making this determination, the court may disclose to the aggrieved person, under appropriate security procedures and protective orders, portions of the application, order, or

other materials relating to the physical search, or may require the Attorney General to provide to the aggrieved person a summary of such materials, only where such disclosure is necessary to make an accurate determination of the legality of the physical search.

(h) If the United States district court pursuant to subsection (g) determines that the physical search was not lawfully authorized or conducted, it shall, in accordance with the requirements of law, suppress the evidence which was unlawfully obtained or derived from the physical search of the aggrieved person or otherwise grant the motion of the aggrieved person. If the court determines that the physical search was lawfully authorized or conducted, it shall deny the motion of the aggrieved person except to the extent that due process requires discovery or disclosure.

(2) An investigation conducted under this section shall

(A) be conducted under guidelines approved by the Attorney General under Executive Order 12333 (or a successor order); and

customer lists, firearms sales records, tax return records, educational records, or medical records containing information that would identify a person, the Director of the Federal Bureau of Investigation may delegate the authority to make such application to either the Deputy Director of the Federal Bureau of Investigation or the Executive Assistant Director for National Security (or any successor position). The Deputy Director or the Executive Assistant Director may not further delegate such authority.

(b) Each application under this section—

(1) shall be made to—

- (A) a judge of the court established by section 103(a); or
- (B) a United States Magistrate Judge under chapter 43 of Title 28, United States Code, who is publicly designated by the Chief Justice of the United States to have the power to hear applications and grant orders for the production of tangible things under this section on behalf of a judge of that court; and

Such order shall direct that minimization procedures adopted pursuant to subsection (g) be followed.

- (C) shall provide clear and conspicuous notice of the principles and procedures described in subsection (d);

(2) DEFINED.—In this section, the term “minimization procedures” means—

(A) specific procedures that are reasonably designed in light of the purpose and technique of an order for the production of tangible things, to minimize the retention, and prohibit the dissemination, of nonpublicly available information concerning unconsenting United States persons consistent with the need of the United States to obtain, produce, and disseminate foreign intelligence information;

(B) procedures that require that nonpublicly available information, which is not foreign intelligence information, as defined in section 101(e)(1) of this title, shall not be

(4) A denial of the application made under this subsection may be reviewed as provided in section 103.

(5) If such application for approval is denied, or in any other case where the production of tangible things is terminated and no order is issued approving the production, no information obtained or evidence derived from such production shall be received in evidence or otherwise disclosed in any trial, hearing, or other proceeding in or before any court, grand jury, department, office, agency, regulatory body, legislative committee, or other authority of the United States, a State, or a political subdivision thereof, and no information concerning any United States person acquired from such production shall subsequently be used or disclosed in any other manner by Federal officers or employees without the consent of such person, except with the approval of the Attorney General if the information indicates a threat of death or serious bodily harm to any person.

(6) The Attorney General shall assess compliance with the requirements of paragraph (5).

(j) COMPENSATION.—The Government shall compensate a person for reasonable expenses incurred for—

(1) producing tangible things or providing information, facilities, or assistance in accordance with an order issued with respect to an application described in subsection (b)(2)(C) or an emergency production under subsection (i) that, to comply with subsection (i)(1)(D), requires an application described in subsection (b)(2)(C); or

Nothing in this section shall be construed to limit the authority of the Government to seek an order or authorization under, or otherwise engage in any activity that is authorized under, any other title of this Act.

(b) APPLICATION.—

(1) IN GENERAL.—Each application for an order under this section shall be made by a Federal officer in writing upon oath or affirmation to a judge having jurisdiction under subsection (a)(1). The Government may appeal an order under this subparagraph pursuant to subsection (f).

The Government may appeal an order under this subparagraph pursuant to subsection (f).

 - (C) if applicable, an electronic communication service provider to maintain under security procedures approved by the Attorney General any records concerning the acquisition or the aid furnished that such electronic communication service provider wishes to maintain; and

which information concerning United States persons was acquired, retained, or disseminated.

(d) EMERGENCY AUTHORIZATION.—

(1) AUTHORITY FOR EMERGENCY AUTHORIZATION.—Notwithstanding any other provision of this Act, if the Attorney General reasonably determines that—

(A) an emergency situation exists with respect to the acquisition of foreign intelligence information for which an order may be obtained under subsection (c) before an order authorizing such acquisition can with due diligence be obtained, and

(B) the factual basis for issuance of an order under this subsection to approve such acquisition exists,

the Attorney General may authorize such acquisition if a judge having jurisdiction under subsection (a)(1) is informed by the Attorney General, or a designee of the Attorney General, at the time of such authorization that the decision has been made to conduct such acquisition and if an application in accordance with this section is made to a judge of the Foreign Intelligence Surveillance Court as soon as practicable, but not more than 7 days after the Attorney General authorizes such acquisition.

(3) TERMINATION OF EMERGENCY AUTHORIZATION.—In the absence of a judicial order approving an acquisition under paragraph (1), such acquisition shall terminate when the information sought is obtained, when the application for the order is denied, or after the expiration of 7 days from the time of authorization by the Attorney General, whichever is earliest.

(4) USE OF INFORMATION.—If an application for approval submitted pursuant to paragraph (1) is denied, or in any other case where the acquisition is terminated and no order is issued approving the acquisition, no information obtained or evidence derived from such acquisition, except under circumstances in which the target of the acquisition is determined not to be a United States person, shall be received in evidence or otherwise disclosed in any trial, hearing, or other proceeding in or before any court, grand jury, department, office, agency, regulatory body, legislative committee, or other authority of the United States, a State, or political subdivision thereof, and no information concerning any United States person acquired from such acquisition shall subsequently be used or disclosed in any other manner

by Federal officers or employees without the consent of such person, except with the approval of the Attorney General if the information indicates a threat of death or serious bodily harm to any person.

(2) SCOPE.—No element of the intelligence community may intentionally target, for the purpose of acquiring foreign intelligence information, a United States person reasonably believed to be located outside the United States under circumstances in which the targeted United States person has a reasonable expectation of privacy and a warrant would be required if the acquisition were conducted inside the United States for law enforcement purposes, unless a judge of the Foreign Intelligence Surveillance Court has entered an order with respect to such targeted United States person or the Attorney General has

authorized an emergency acquisition pursuant to subsection (c) or (d), respectively, or any other provision of this Act.

(B) the factual basis for the issuance of an order under this section exists,

the Attorney General may authorize the emergency acquisition if a judge having jurisdiction under subsection (a)(1) is informed by the Attorney General or a designee of the Attorney General at the time of such authorization that the decision has been made to conduct such acquisition and if an application in accordance with this section is made to a judge of the Foreign Intelligence Surveillance Court as soon as practicable, but not more than 7 days after the Attorney General authorizes such acquisition.

MILITARY COMMISSIONS GENERALLY

SEC. 948B.

(a) PURPOSE.—This chapter establishes procedures governing the use of military commissions to try alien unprivileged enemy belligerents for violations of the law of war and other offenses triable by military commission.

(b) AUTHORITY FOR MILITARY COMMISSIONS UNDER THIS CHAPTER.—The President is authorized to establish military commissions under this chapter for offenses triable by military commission as provided in this chapter.

(c) CONSTRUCTION OF PROVISIONS.—The procedures for military commissions set forth in this chapter are based upon the procedures for trial by general courts-martial under chapter 47 of this title (the Uniform Code of Military Justice). Chapter 47 of this title does not, by its terms, apply to trial by military commission except as specifically provided therein or in this chapter, and many of the provisions of chapter 47 of this title are by their terms inapplicable to military commissions. The judicial construction and application of chapter 47 of this title, while instructive, is therefore not of its own force binding on military commissions established under this chapter.

(d) INAPPLICABILITY OF CERTAIN PROVISIONS.—

(1) The following provisions of this title shall not apply to trial by military commission under this chapter:

(A) Section 810 (article 10 of the Uniform Code of Military Justice), relating to speedy trial, including any rule of courts-martial relating to speedy trial.

(B) Sections 831(a), (b), and (d) (articles 31(a), (b), and (d) of the Uniform Code of Military Justice), relating to compulsory self-incrimination.

(C) Section 832 (article 32 of the Uniform Code of Military Justice), relating to preliminary hearing.

(e) GENEVA CONVENTIONS NOT ESTABLISHING PRIVATE RIGHT OF ACTION.— No alien unprivileged enemy belligerent subject to trial by military commission under this chapter may invoke the Geneva Conventions as a basis for a private right of action.

PERSONS SUBJECT TO MILITARY COMMISSIONS

SEC. 948C.

Any alien unprivileged enemy belligerent is subject to trial by military commission as set forth in this chapter.

JURISDICTION OF MILITARY COMMISSIONS

SEC. 948D.

A military commission under this chapter shall have jurisdiction to try persons subject to this chapter for any offense made punishable by this chapter, sections 904 and 906 of this title (articles 104 and 106 of the Uniform Code of Military Justice), or the law of war, whether such offense was committed before, on, or after September 11, 2001, and may, under such limitations as the President may prescribe, adjudge any punishment not forbidden by this chapter, including the penalty of death when specifically authorized under this chapter. A military commission is a competent tribunal to make a finding sufficient for jurisdiction.

(c) OTHER STATEMENTS OF THE ACCUSED.—A statement of the accused may be admitted in evidence in a military commission under this chapter only if the military judge finds—

SUBCHAPTER IV—TRIAL PROCEDURE

RULES

SEC. 949A.

(a) PROCEDURES AND RULES OF EVIDENCE.—Pretrial, trial, and post-trial procedures, including elements and modes of proof, for cases triable by military

commission under this chapter may be prescribed by the Secretary of Defense. Such procedures may not be contrary to or inconsistent with this chapter. Except as otherwise provided in this chapter or chapter 47 of this title, the procedures and rules of evidence applicable in trials by general courts-martial of the United States shall apply in trials by military commission under this chapter.

(b) EXCEPTIONS.—

(1) In trials by military commission under this chapter, the Secretary of Defense, in consultation with the Attorney General, may make such exceptions in the applicability of the procedures and rules of evidence otherwise applicable in general courts-martial as may be required by the unique circumstances of the conduct of military and intelligence operations during hostilities or by other practical need consistent with this chapter.

(2) Notwithstanding any exceptions authorized by paragraph (1), the procedures and rules of evidence in trials by military commission under this chapter shall include, at a minimum, the following rights of the accused:

(A) To present evidence in the accused's defense, to cross-examine the witnesses who testify against the accused, and to examine and respond to all evidence admitted against the accused on the issue of guilt or innocence and for sentencing, as provided for by this chapter.

(B) To be present at all sessions of the military commission (other than those for deliberations or voting), except when excluded under section 949d of this title.

(C)(i) When none of the charges sworn against the accused are capital, to be represented before a military commission by civilian counsel if provided at no expense to the Government, and by either the defense counsel detailed or the military counsel of the accused's own selection, if reasonably available.

(ii) When any of the charges sworn against the accused are capital, to be represented before a military commission in accordance with clause (i) and, to the greatest extent practicable, by at least one additional counsel who is learned in applicable law relating to capital cases and who, if necessary, may be a civilian and compensated in accordance with regulations prescribed by the Secretary of Defense.

(D) To self-representation, if the accused knowingly and competently waives the assistance of counsel, subject to the provisions of paragraph (4).

- (E) To the suppression of evidence that is not reliable or probative.
 - (F) To the suppression of evidence the probative value of which is substantially outweighed by—
 - (i) the danger of unfair prejudice, confusion of the issues, or misleading the members; or
 - (ii) considerations of undue delay, waste of time, or needless presentation of cumulative evidence.
- (3) In making exceptions in the applicability in trials by military commission under this chapter from the procedures and rules otherwise applicable in general courts-martial, the Secretary of Defense may provide the following:
- (A) Evidence seized outside the United States shall not be excluded from trial by military commission on the grounds that the evidence was not seized pursuant to a search warrant or authorization.
 - (B) A statement of the accused that is otherwise admissible shall not be excluded from trial by military commission on grounds of alleged coercion or compulsory self-incrimination so long as the evidence complies with the provisions of section 948r of this title.
 - (C) Evidence shall be admitted as authentic so long as—
 - (i) the military judge of the military commission determines that there is sufficient evidence that the evidence is what it is claimed to be; and
 - (ii) the military judge instructs the members that they may consider any issue as to authentication or identification of evidence in determining the weight, if any, to be given to the evidence.
 - (D) Hearsay evidence not otherwise admissible under the rules of evidence applicable in trial by general courts-martial may be admitted in a trial by military commission only if—
 - (i) the proponent of the evidence makes known to the adverse party, sufficiently in advance to provide the adverse party with a fair opportunity to meet the evidence, the proponent's intention to offer the evidence, and the particulars of the evidence (including information on the circumstances under which the evidence was obtained); and
 - (ii) the military judge, after taking into account all of the circumstances surrounding the taking of the statement,

including the degree to which the statement is corroborated, the indicia of reliability within the statement itself, and whether the will of the declarant was overborne, determines that—

- (I) the statement is offered as evidence of a material fact;
- (II) the statement is probative on the point for which it is offered;
- (III) direct testimony from the witness is not available as a practical matter, taking into consideration the physical location of the witness, the unique circumstances of military and intelligence operations during hostilities, and the adverse impacts on military or intelligence operations that would likely result from the production of the witness; and
- (IV) the general purposes of the rules of evidence and the interests of justice will best be served by admission of the statement into evidence.

(4)(A) The accused in a military commission under this chapter who exercises the right to self-representation under paragraph (2)(D) shall conform the accused's deportment and the conduct of the defense to the rules of evidence, procedure, and decorum applicable to trials by military commission.

(B) Failure of the accused to conform to the rules described in subparagraph (A) may result in a partial or total revocation by the military judge of the right of self-representation under paragraph (2)(D). In such case, the military counsel of the accused or an appropriately authorized civilian counsel shall perform the functions necessary for the defense.

(c) DELEGATION OF AUTHORITY TO PRESCRIBE REGULATIONS.—The Secretary of Defense may delegate the authority of the Secretary to prescribe regulations under this chapter.

(d) NOTICE TO CONGRESS OF MODIFICATION OF RULES.—Not later than 60 days before the date on which any proposed modification of the rules in effect for military commissions under this chapter goes into effect, the Secretary of Defense shall submit to the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives a report describing the proposed modification.

 - (B) The appellate military judge retires or otherwise separates from the armed forces.
 - (C) The appellate military judge is reassigned to other duties by the Secretary of Defense, or the designee of the Secretary, in consultation with the Judge Advocate General of the armed force of which the appellate military judge is a member, based on military necessity and such reassignment is consistent with service rotation regulations (to the extent such regulations are applicable).
 - (D) The appellate military judge is withdrawn by the Secretary of Defense, or the designee of the Secretary, in consultation with the Judge Advocate General of the armed force of which the appellate military judge is a member, for good cause consistent with applicable procedures under chapter 47 of this title (the Uniform Code of Military Justice).

(2) The form of the oath required by paragraph (1), the time and place of the taking thereof, the manner of recording thereof, and whether the oath shall be taken for all cases in which duties are to be performed or for a particular case, shall be as provided in regulations prescribed by the Secretary of Defense. The regulations may provide that—

(A) an oath to perform faithfully duties as a military judge, trial counsel, or defense counsel may be taken at any time by any judge advocate or other person certified to be qualified or competent for the duty; and

(B) if such an oath is taken, such oath need not again be taken at the time the judge advocate or other person is detailed to that duty.

(b) WITNESSES.—Each witness before a military commission under this chapter shall be examined on oath.

(c) OATH DEFINED.—In this section, the term “oath” includes an affirmation.

FORMER JEOPARDY

SEC. 949H.

(a) IN GENERAL.—No person may, without the person’s consent, be tried by a military commission under this chapter a second time for the same offense.

(b) SCOPE OF TRIAL.—No proceeding in which the accused has been found guilty by military commission under this chapter upon any charge or specification is a trial in the sense of this section until the finding of guilty has become final after review of the case has been fully completed.

PLEAS OF THE ACCUSED

SEC. 949I.

(a) PLEA OF NOT GUILTY.—If an accused in a military commission under this chapter after a plea of guilty sets up matter inconsistent with the plea, or if it appears that the accused has entered the plea of guilty through lack of understanding of its meaning and effect, or if the accused fails or refuses to

plead, a plea of not guilty shall be entered in the record, and the military commission shall proceed as though the accused had pleaded not guilty.

(b) FINDING OF GUILT AFTER GUILTY PLEA.—With respect to any charge or specification to which a plea of guilty has been made by the accused in a military commission under this chapter and accepted by the military judge, including a charge or specification that has been referred capital, a finding of guilty of the charge or specification may be entered by the military judge immediately without a vote by the members. The finding shall constitute the finding of the military commission unless the plea of guilty is withdrawn prior to announcement of the sentence, in which event the proceedings shall continue as though the accused had pleaded not guilty.

(c) PRE-TRIAL AGREEMENTS.—

(1) A plea of guilty made by the accused that is accepted by a military judge under subsection (b) and not withdrawn prior to announcement of the sentence may form the basis for an agreement reducing the maximum sentence approved by the convening authority, including the reduction of a sentence of death to a lesser punishment, or that the case will be referred to a military commission under this chapter without seeking the penalty of death. Such an agreement may provide for terms and conditions in addition to a guilty plea by the accused in order to be effective.

(2) A plea agreement under this subsection may not provide for a sentence of death imposed by a military judge alone. A sentence of death may only be imposed by the unanimous vote of all members of a military commission concurring in the sentence of death as provided in section 949m(b)(2)(D) of this title.

OPPORTUNITY TO OBTAIN WITNESSES AND OTHER EVIDENCE

SEC. 949J.

(a) IN GENERAL.—

(1) Defense counsel in a military commission under this chapter shall have a reasonable opportunity to obtain witnesses and other evidence as provided in regulations prescribed by the Secretary of Defense. The opportunity to obtain witnesses and evidence shall be comparable to the opportunity available to a criminal defendant in a court of the United States under article III of the Constitution.

(2) Process issued in military commissions under this chapter to compel witnesses to appear and testify and to compel the production of other evidence—

(A) shall be similar to that which courts of the United States having criminal jurisdiction may lawfully issue; and

(B) shall run to any place where the United States shall have jurisdiction thereof.

(b) DISCLOSURE OF EXCULPATORY EVIDENCE.—

(1) As soon as practicable, trial counsel in a military commission under this chapter shall disclose to the defense the existence of any evidence that reasonably tends to—

(A) negate the guilt of the accused of an offense charged; or

(B) reduce the degree of guilt of the accused with respect to an offense charged.

(2) The trial counsel shall, as soon as practicable, disclose to the defense the existence of evidence that reasonably tends to impeach the credibility of a witness whom the government intends to call at trial.

(3) The trial counsel shall, as soon as practicable upon a finding of guilt, disclose to the defense the existence of evidence that is not subject to paragraph (1) or paragraph (2) but that reasonably may be viewed as mitigation evidence at sentencing.

(4) The disclosure obligations under this subsection encompass evidence that is known or reasonably should be known to any government officials who participated in the investigation and prosecution of the case against the defendant.

DEFENSE OF LACK OF MENTAL RESPONSIBILITY

SEC. 949K.

(a) AFFIRMATIVE DEFENSE.—It is an affirmative defense in a trial by military commission under this chapter that, at the time of the commission of the acts constituting the offense, the accused, as a result of a severe mental disease or defect, was unable to appreciate the nature and quality or the wrongfulness of the acts. Mental disease or defect does not otherwise constitute a defense.

(b) BURDEN OF PROOF.—The accused in a military commission under this chapter has the burden of proving the defense of lack of mental responsibility by clear and convincing evidence.

(c) FINDINGS FOLLOWING ASSERTION OF DEFENSE.—Whenever lack of mental responsibility of the accused with respect to an offense is properly at issue in a military commission under this chapter, the military judge shall instruct the members as to the defense of lack of mental responsibility under this section and shall charge the members to find the accused—

(1) guilty;

(2) not guilty; or

(3) subject to subsection (d), not guilty by reason of lack of mental responsibility.

(d) MAJORITY VOTE REQUIRED FOR FINDING.—The accused shall be found not guilty by reason of lack of mental responsibility under subsection (c)(3) only if a majority of the members present at the time the vote is taken determines that the defense of lack of mental responsibility has been established.

VOTING AND RULINGS

SEC. 949L.

(a) VOTE BY SECRET WRITTEN BALLOT.—Voting by members of a military commission under this chapter on the findings and on the sentence shall be by secret written ballot.

(b) RULINGS.—

(1) The military judge in a military commission under this chapter shall rule upon all questions of law, including the admissibility of evidence and all interlocutory questions arising during the proceedings.

(2) Any ruling made by the military judge upon a question of law or an interlocutory question (other than the factual issue of mental responsibility of the accused) is conclusive and constitutes the ruling of the military commission. However, a military judge may change such a ruling at any time during the trial.

(c) INSTRUCTIONS PRIOR TO VOTE.—Before a vote is taken of the findings of a military commission under this chapter, the military judge shall, in the presence of the accused and counsel, instruct the members as to the elements of the offense and charge the members—

(1) that the accused must be presumed to be innocent until the accused's guilt is established by legal and competent evidence beyond a reasonable doubt;

(2) that in the case being considered, if there is a reasonable doubt as to the guilt of the accused, the doubt must be resolved in favor of the accused and the accused must be acquitted;

(3) that, if there is reasonable doubt as to the degree of guilt, the finding must be in a lower degree as to which there is no reasonable doubt; and

(4) that the burden of proof to establish the guilt of the accused beyond a reasonable doubt is upon the United States.

NUMBER OF VOTES REQUIRED

SEC. 949M.

(a) **CONVICTION.**—No person may be convicted by a military commission under this chapter of any offense, except as provided in section 949i(b) of this title or by concurrence of two-thirds of the primary members present at the time the vote is taken.

(b) **SENTENCES.**—

(1) Except as provided in paragraphs (2) and (3), sentences shall be determined by a military commission by the concurrence of two-thirds of the primary members present at the time the vote is taken.

(2) No person may be sentenced to death by a military commission, except insofar as—

(A) the penalty of death has been expressly authorized under this chapter, chapter 47 of this title, or the law of war for an offense of which the accused has been found guilty;

(B) trial counsel expressly sought the penalty of death by filing an appropriate notice in advance of trial;

(C) the accused was convicted of the offense by the concurrence of all the primary members present at the time the vote is taken, or a guilty plea was accepted and not withdrawn prior to announcement of the sentence in accordance with section 949i(b) of this title; and

(D) all primary members present at the time the vote was taken on the sentence concurred in the sentence of death.

(3) No person may be sentenced to life imprisonment, or to confinement for more than 10 years, by a military commission under this chapter except by the concurrence of three-fourths of the primary members present at the time the vote is taken.

(4) The primary members present for a vote on a sentence need not be the same primary members who voted on the conviction if the requirements of section 948m(d) of this title are met.

(c) **NUMBER OF MEMBERS REQUIRED FOR PENALTY OF DEATH.**—

(1) Except as provided in paragraph (2), in a case in which the penalty of death is sought, the number of primary members of the military commission under this chapter shall be not less than 12 primary members.

(2) In any case described in paragraph (1) in which 12 primary members are not reasonably available for a military commission because of physical conditions or military exigencies, the convening authority shall specify a lesser number of primary members for the military commission

(but not fewer than 9 primary members), and the military commission may be assembled, and the trial held, with not less than the number of primary members so specified. In any such case, the convening authority shall make a detailed written statement, to be appended to the record, stating why a greater number of primary members were not reasonably available.

MILITARY COMMISSION TO ANNOUNCE ACTION

SEC. 949N.

A military commission under this chapter shall announce its findings and sentence to the parties as soon as determined.

RECORD OF TRIAL

SEC. 949O.

(a) **RECORD; AUTHENTICATION.**—Each military commission under this chapter shall keep a separate, verbatim, record of the proceedings in each case brought before it, and the record shall be authenticated by the signature of the military judge. If the record cannot be authenticated by the military judge by reason of death, disability, or absence, it shall be authenticated by the signature of the trial counsel or by a member of the commission if the trial counsel is unable to authenticate it by reason of death, disability, or absence. Where appropriate, and as provided in regulations prescribed by the Secretary of Defense, the record of a military commission under this chapter may contain a classified annex.

(b) **COMPLETE RECORD REQUIRED.**—A complete record of the proceedings and testimony shall be prepared in every military commission under this chapter.

(c) **PROVISION OF COPY TO ACCUSED.**—A copy of the record of the proceedings of the military commission under this chapter shall be given the accused as soon as it is authenticated. If the record contains classified information, or a classified annex, the accused shall receive a redacted version of the record consistent with the requirements of subchapter V of this chapter. Defense counsel shall have access to the unredacted record, as provided in regulations prescribed by the Secretary of Defense.

SUBCHAPTER V—CLASSIFIED INFORMATION PROCEDURES

**PROTECTION OF CLASSIFIED INFORMATION:
APPLICABILITY OF SUBCHAPTER**

SEC. 949P-1.

(a) **PROTECTION OF CLASSIFIED INFORMATION.**—Classified information shall be protected and is privileged from disclosure if disclosure would be detrimental to the national security. Under no circumstances may a military judge order the release of classified information to any person not authorized to receive such information.

(b) **ACCESS TO EVIDENCE.**—Any information admitted into evidence pursuant to any rule, procedure, or order by the military judge shall be provided to the accused.

(c) **DECLASSIFICATION.**—Trial counsel shall work with the original classification authorities for evidence that may be used at trial to ensure that such evidence is declassified to the maximum extent possible, consistent with the requirements of national security. A decision not to declassify evidence under this section shall not be subject to review by a military commission or upon appeal.

(d) **CONSTRUCTION OF PROVISIONS.**—The judicial construction of the Classified Information Procedures Act (18 U.S.C. App.) shall be authoritative in the interpretation of this subchapter, except to the extent that such construction is inconsistent with the specific requirements of this chapter.

PRETRIAL CONFERENCE

SEC. 949P-2.

(a) **MOTION.**—At any time after service of charges, any party may move for a pretrial conference to consider matters relating to classified information that may arise in connection with the prosecution.

(b) **CONFERENCE.**—Following a motion under subsection (a), or sua sponte, the military judge shall promptly hold a pretrial conference. Upon request by either party, the court shall hold such conference ex parte to the extent necessary to protect classified information from disclosure, in accordance with the practice of the Federal courts under the Classified Information Procedures Act (18 U.S.C. App.).

(c) **MATTERS TO BE ESTABLISHED AT PRETRIAL CONFERENCE.**—

(1) **TIMING OF SUBSEQUENT ACTIONS.**—At the pretrial conference, the military judge shall establish the timing of—

(A) requests for discovery;

(B) the provision of notice required by section 949p-5 of this title; and

(C) the initiation of the procedure established by section 949p-6 of this title.

(2) OTHER MATTERS.—At the pretrial conference, the military judge may also consider any matter—

(A) which relates to classified information; or

(B) which may promote a fair and expeditious trial.

(d) EFFECT OF ADMISSIONS BY ACCUSED AT PRETRIAL CONFERENCE.—No admission made by the accused or by any counsel for the accused at a pretrial conference under this section may be used against the accused unless the admission is in writing and is signed by the accused and by the counsel for the accused.

PROTECTIVE ORDERS

SEC. 949P-3.

Upon motion of the trial counsel, the military judge shall issue an order to protect against the disclosure of any classified information that has been disclosed by the United States to any accused in any military commission under this chapter or that has otherwise been provided to, or obtained by, any such accused in any such military commission.

DISCOVERY OF, AND ACCESS TO, CLASSIFIED INFORMATION BY THE ACCUSED

SEC. 949P-4.

(a) LIMITATIONS ON DISCOVERY OR ACCESS BY THE ACCUSED.—

(1) DECLARATIONS BY THE UNITED STATES OF DAMAGE TO NATIONAL SECURITY.—In any case before a military commission in which the United States seeks to delete, withhold, or otherwise obtain other relief with respect to the discovery of or access to any classified information, the trial counsel shall submit a declaration invoking the United States' classified information privilege and setting forth the damage to the national security that the discovery of or access to such information reasonably could be expected to cause. The declaration shall be signed by a knowledgeable United States official possessing authority to classify information.

(2) STANDARD FOR AUTHORIZATION OF DISCOVERY OR ACCESS.—Upon the submission of a declaration under paragraph (1), the military judge may not authorize the discovery of or access to such classified

information unless the military judge determines that such classified information would be noncumulative, relevant, and helpful to a legally cognizable defense, rebuttal of the prosecution's case, or to sentencing, in accordance with standards generally applicable to discovery of or access to classified information in Federal criminal cases. If the discovery of or access to such classified information is authorized, it shall be addressed in accordance with the requirements of subsection (b).

(b) DISCOVERY OF CLASSIFIED INFORMATION.—

(1) SUBSTITUTIONS AND OTHER RELIEF.—The military judge, in assessing the accused's discovery of or access to classified information under this section, may authorize the United States—

(A) to delete or withhold specified items of classified information;

(B) to substitute a summary for classified information; or

(C) to substitute a statement admitting relevant facts that the classified information or material would tend to prove.

(2) EX PARTE PRESENTATIONS.—The military judge shall permit the trial counsel to make a request for an authorization under paragraph (1) in the form of an ex parte presentation to the extent necessary to protect classified information, in accordance with the practice of the Federal courts under the Classified Information Procedures Act (18 U.S.C. App.). If the military judge enters an order granting relief following such an ex parte showing, the entire presentation (including the text of any written submission, verbatim transcript of the ex parte oral conference or hearing, and any exhibits received by the court as part of the ex parte presentation) shall be sealed and preserved in the records of the military commission to be made available to the appellate court in the event of an appeal.

(3) ACTION BY MILITARY JUDGE.—The military judge shall grant the request of the trial counsel to substitute a summary or to substitute a statement admitting relevant facts, or to provide other relief in accordance with paragraph (1), if the military judge finds that the summary, statement, or other relief would provide the accused with substantially the same ability to make a defense as would discovery of or access to the specific classified information.

(c) RECONSIDERATION.—An order of a military judge authorizing a request of the trial counsel to substitute, summarize, withhold, or prevent access to classified information under this section is not subject to a motion for reconsideration by the accused, if such order was entered pursuant to an ex parte showing under this section.

**NOTICE BY ACCUSED OF INTENTION TO DISCLOSE
CLASSIFIED INFORMATION**

SEC. 949P-5.

(a) NOTICE BY ACCUSED.—

(1) NOTIFICATION OF TRIAL COUNSEL AND MILITARY JUDGE.—If an accused reasonably expects to disclose, or to cause the disclosure of, classified information in any manner in connection with any trial or pretrial proceeding involving the prosecution of such accused, the accused shall, within the time specified by the military judge or, where no time is specified, within 30 days before trial, notify the trial counsel and the military judge in writing. Such notice shall include a brief description of the classified information. Whenever the accused learns of additional classified information the accused reasonably expects to disclose, or to cause the disclosure of, at any such proceeding, the accused shall notify trial counsel and the military judge in writing as soon as possible thereafter and shall include a brief description of the classified information.

(2) LIMITATION ON DISCLOSURE BY ACCUSED.—No accused shall disclose, or cause the disclosure of, any information known or believed to be classified in connection with a trial or pretrial proceeding until—

(A) notice has been given under paragraph (1); and

(B) the United States has been afforded a reasonable opportunity to seek a determination pursuant to the procedure set forth in section 949p-6 of this title and the time for the United States to appeal such determination under section 950d of this title has expired or any appeal under that section by the United States is decided.

(b) FAILURE TO COMPLY.—If the accused fails to comply with the requirements of subsection (a), the military judge—

(1) may preclude disclosure of any classified information not made the subject of notification; and

(2) may prohibit the examination by the accused of any witness with respect to any such information.

PROCEDURE FOR CASES INVOLVING CLASSIFIED INFORMATION

SEC. 949P-6.

(a) MOTION FOR HEARING.—

(1) REQUEST FOR HEARING.—Within the time specified by the military judge for the filing of a motion under this section, either party may

request the military judge to conduct a hearing to make all determinations concerning the use, relevance, or admissibility of classified information that would otherwise be made during the trial or pretrial proceeding.

(2) CONDUCT OF HEARING.—Upon a request by either party under paragraph (1), the military judge shall conduct such a hearing and shall rule prior to conducting any further proceedings.

(3) IN CAMERA HEARING UPON DECLARATION TO COURT BY APPROPRIATE OFFICIAL OF RISK OF DISCLOSURE OF CLASSIFIED INFORMATION.—Any hearing held pursuant to this subsection (or any portion of such hearing specified in the request of a knowledgeable United States official) shall be held in camera if a knowledgeable United States official possessing authority to classify information submits to the military judge a declaration that a public proceeding may result in the disclosure of classified information. Classified information is not subject to disclosure under this section unless the information is relevant and necessary to an element of the offense or a legally cognizable defense and is otherwise admissible in evidence.

(4) MILITARY JUDGE TO MAKE DETERMINATIONS IN WRITING.—As to each item of classified information, the military judge shall set forth in writing the basis for the determination.

(b) NOTICE AND USE OF CLASSIFIED INFORMATION BY THE GOVERNMENT.—

(1) NOTICE TO ACCUSED.—Before any hearing is conducted pursuant to a request by the trial counsel under subsection (a), trial counsel shall provide the accused with notice of the classified information that is at issue. Such notice shall identify the specific classified information at issue whenever that information previously has been made available to the accused by the United States. When the United States has not previously made the information available to the accused in connection with the case the information may be described by generic category, in such forms as the military judge may approve, rather than by identification of the specific information of concern to the United States.

(2) ORDER BY MILITARY JUDGE UPON REQUEST OF ACCUSED.—

Whenever the trial counsel requests a hearing under subsection (a), the military judge, upon request of the accused, may order the trial counsel to provide the accused, prior to trial, such details as to the portion of the charge or specification at issue in the hearing as are needed to give the accused fair notice to prepare for the hearing.

(c) SUBSTITUTIONS.—

(1) IN CAMERA PRETRIAL HEARING.—Upon request of the trial counsel pursuant to the Military Commission Rules of Evidence, and in

accordance with the security procedures established by the military judge, the military judge shall conduct a classified in camera pretrial hearing concerning the admissibility of classified information.

(2) PROTECTION OF SOURCES, METHODS, AND ACTIVITIES BY WHICH EVIDENCE ACQUIRED.—When trial counsel seeks to introduce evidence before a military commission under this chapter and the Executive branch has classified the sources, methods, or activities by which the United States acquired the evidence, the military judge shall permit trial counsel to introduce the evidence, including a substituted evidentiary foundation pursuant to the procedures described in subsection (d), while protecting from disclosure information identifying those sources, methods, or activities, if—

(A) the evidence is otherwise admissible; and

(B) the military judge finds that—

(i) the evidence is reliable; and

(ii) the redaction is consistent with affording the accused a fair trial.

(d) ALTERNATIVE PROCEDURE FOR DISCLOSURE OF CLASSIFIED INFORMATION.—

(1) MOTION BY THE UNITED STATES.—Upon any determination by the military judge authorizing the disclosure of specific classified information under the procedures established by this section, the trial counsel may move that, in lieu of the disclosure of such specific classified information, the military judge order—

(A) the substitution for such classified information of a statement admitting relevant facts that the specific classified information would tend to prove;

(B) the substitution for such classified information of a summary of the specific classified information; or

(C) any other procedure or redaction limiting the disclosure of specific classified information.

(2) ACTION ON MOTION.—The military judge shall grant such a motion of the trial counsel if the military judge finds that the statement, summary, or other procedure or redaction will provide the defendant with substantially the same ability to make his defense as would disclosure of the specific classified information.

(3) HEARING ON MOTION.—The military judge shall hold a hearing on any motion under this subsection. Any such hearing shall be held in camera at the request of a knowledgeable United States official possessing authority to classify information.

(4) SUBMISSION OF STATEMENT OF DAMAGE TO NATIONAL SECURITY IF DISCLOSURE ORDERED.—The trial counsel may, in connection with a motion under paragraph (1), submit to the military judge a declaration signed by a knowledgeable United States official possessing authority to classify information certifying that disclosure of classified information would cause identifiable damage to the national security of the United States and explaining the basis for the classification of such information. If so requested by the trial counsel, the military judge shall examine such declaration during an ex parte presentation.

(e) SEALING OF RECORDS OF IN CAMERA HEARINGS.—If at the close of an in camera hearing under this section (or any portion of a hearing under this section that is held in camera), the military judge determines that the classified information at issue may not be disclosed or elicited at the trial or pretrial proceeding, the record of such in camera hearing shall be sealed and preserved for use in the event of an appeal. The accused may seek reconsideration of the military judge's determination prior to or during trial.

(f) PROHIBITION ON DISCLOSURE OF CLASSIFIED INFORMATION BY THE ACCUSED; RELIEF FOR ACCUSED WHEN THE UNITED STATES OPPOSES DISCLOSURE.—

(1) ORDER TO PREVENT DISCLOSURE BY ACCUSED.—Whenever the military judge denies a motion by the trial counsel that the judge issue an order under subsection (a), (c), or (d) and the trial counsel files with the military judge a declaration signed by a knowledgeable United States official possessing authority to classify information objecting to disclosure of the classified information at issue, the military judge shall order that the accused not disclose or cause the disclosure of such information.

(2) RESULT OF ORDER UNDER PARAGRAPH (1).—Whenever an accused is prevented by an order under paragraph (1) from disclosing or causing the disclosure of classified information, the military judge shall dismiss the case, except that, when the military judge determines that the interests of justice would not be served by dismissal of the case, the military judge shall order such other action, in lieu of dismissing the charge or specification, as the military judge determines is appropriate. Such action may include, but need not be limited to, the following:

(A) Dismissing specified charges or specifications.

(B) Finding against the United States on any issue as to which the excluded classified information relates.

(C) Striking or precluding all or part of the testimony of a witness.

(3) TIME FOR THE UNITED STATES TO SEEK INTERLOCUTORY APPEAL.—An order under paragraph (2) shall not take effect until the military judge has afforded the United States—

(A) an opportunity to appeal such order under section 950d of this title; and

(B) an opportunity thereafter to withdraw its objection to the disclosure of the classified information at issue.

(g) RECIPROCIITY.—

(1) DISCLOSURE OF REBUTTAL INFORMATION.—Whenever the military judge determines that classified information may be disclosed in connection with a trial or pretrial proceeding, the military judge shall, unless the interests of fairness do not so require, order the United States to provide the accused with the information it expects to use to rebut the classified information. The military judge may place the United States under a continuing duty to disclose such rebuttal information.

(2) SANCTION FOR FAILURE TO COMPLY.—If the United States fails to comply with its obligation under this subsection, the military judge—

(A) may exclude any evidence not made the subject of a required disclosure; and

(B) may prohibit the examination by the United States of any witness with respect to such information.

INTRODUCTION OF CLASSIFIED INFORMATION INTO EVIDENCE

SEC. 949P-7.

(a) PRESERVATION OF CLASSIFICATION STATUS.—Writings, recordings, and photographs containing classified information may be admitted into evidence in proceedings of military commissions under this chapter without change in their classification status.

(b) PRECAUTIONS BY MILITARY JUDGES.—

(1) PRECAUTIONS IN ADMITTING CLASSIFIED INFORMATION INTO EVIDENCE.—The military judge in a trial by military commission, in order to prevent unnecessary disclosure of classified information, may order admission into evidence of only part of a writing, recording, or photograph, or may order admission into evidence of the whole writing, recording, or photograph with excision of some or all of the classified information contained therein, unless the whole ought in fairness be considered.

(2) CLASSIFIED INFORMATION KEPT UNDER SEAL.—The military judge shall allow classified information offered or accepted into evidence to remain under seal during the trial, even if such evidence is disclosed in

the military commission, and may, upon motion by the United States, seal exhibits containing classified information for any period after trial as necessary to prevent a disclosure of classified information when a knowledgeable United States official possessing authority to classify information submits to the military judge a declaration setting forth the damage to the national security that the disclosure of such information reasonably could be expected to cause.

(c) TAKING OF TESTIMONY.—

(1) OBJECTION BY TRIAL COUNSEL.—During the examination of a witness, trial counsel may object to any question or line of inquiry that may require the witness to disclose classified information not previously found to be admissible.

(2) ACTION BY MILITARY JUDGE.—Following an objection under paragraph (1), the military judge shall take such suitable action to determine whether the response is admissible as will safeguard against the compromise of any classified information. Such action may include requiring trial counsel to provide the military judge with a proffer of the witness' response to the question or line of inquiry and requiring the accused to provide the military judge with a proffer of the nature of the information sought to be elicited by the accused. Upon request, the military judge may accept an ex parte proffer by trial counsel to the extent necessary to protect classified information from disclosure, in accordance with the practice of the Federal courts under the Classified Information Procedures Act (18 U.S.C. App.).

(d) DISCLOSURE AT TRIAL OF CERTAIN STATEMENTS PREVIOUSLY MADE BY A WITNESS.—

(1) MOTION FOR PRODUCTION OF STATEMENTS IN POSSESSION OF THE UNITED STATES.—After a witness called by the trial counsel has testified on direct examination, the military judge, on motion of the accused, may order production of statements of the witness in the possession of the United States which relate to the subject matter as to which the witness has testified. This paragraph does not preclude discovery or assertion of a privilege otherwise authorized.

(2) INVOCATION OF PRIVILEGE BY THE UNITED STATES.—If the United States invokes a privilege, the trial counsel may provide the prior statements of the witness to the military judge during an ex parte presentation to the extent necessary to protect classified information from disclosure, in accordance with the practice of the Federal courts under the Classified Information Procedures Act (18 U.S.C. App.).

(3) ACTION BY MILITARY JUDGE ON MOTION.—If the military judge finds that disclosure of any portion of the statement identified by the

United States as classified would be detrimental to the national security in the degree to warrant classification under the applicable Executive Order, statute, or regulation, that such portion of the statement is consistent with the testimony of the witness, and that the disclosure of such portion is not necessary to afford the accused a fair trial, the military judge shall excise that portion from the statement. If the military judge finds that such portion of the statement is inconsistent with the testimony of the witness or that its disclosure is necessary to afford the accused a fair trial, the military judge, shall, upon the request of the trial counsel, review alternatives to disclosure in accordance with section 949p-6(d) of this title.

SUBCHAPTER VI—SENTENCES

CRUEL OR UNUSUAL PUNISHMENTS PROHIBITED

SEC. 949S.

Punishment by flogging, or by branding, marking, or tattooing on the body, or any other cruel or unusual punishment, may not be adjudged by a military commission under this chapter or inflicted under this chapter upon any person subject to this chapter. The use of irons, single or double, except for the purpose of safe custody, is prohibited under this chapter.

EXECUTION OF CONFINEMENT

SEC. 949U.

(a) **IN GENERAL.**—Under such regulations as the Secretary of Defense may prescribe, a sentence of confinement adjudged by a military commission under this chapter may be carried into execution by confinement—

(1) in any place of confinement under the control of any of the armed forces; or

(2) in any penal or correctional institution under the control of the United States or its allies, or which the United States may be allowed to use.

(b) **TREATMENT DURING CONFINEMENT BY OTHER THAN THE ARMED**

FORCES.—Persons confined under subsection (a)(2) in a penal or correctional

institution not under the control of an armed force are subject to the same discipline and treatment as persons confined or committed by the courts of the United States or of the State, District of Columbia, or place in which the institution is situated.

SUBCHAPTER VII—POST-TRIAL PROCEDURE AND REVIEW OF MILITARY COMMISSIONS

ERROR OF LAW; LESSER INCLUDED OFFENSE

SEC. 950A.

(a) **ERROR OF LAW.**—A finding or sentence of a military commission under this chapter may not be held incorrect on the ground of an error of law unless the error materially prejudices the substantial rights of the accused.

(b) **LESSER INCLUDED OFFENSE.**—Any reviewing authority with the power to approve or affirm a finding of guilty by a military commission under this chapter may approve or affirm, instead, so much of the finding as includes a lesser included offense.

REVIEW BY THE CONVENING AUTHORITY

SEC. 950B.

(a) **NOTICE TO CONVENING AUTHORITY OF FINDINGS AND SENTENCE.**—The findings and sentence of a military commission under this chapter shall be reported in writing promptly to the convening authority after the announcement of the sentence.

(b) **SUBMITTAL OF MATTERS BY ACCUSED TO CONVENING AUTHORITY.**—(1) The accused may submit to the convening authority matters for consideration by the convening authority with respect to the findings and the sentence of the military commission under this chapter.

(2)(A) Except as provided in subparagraph (B), a submittal under paragraph (1) shall be made in writing within 20 days after the accused has been given an authenticated record of trial under section 949o(c) of this title.

(B) If the accused shows that additional time is required for the accused to make a submittal under paragraph (1), the convening authority may, for good cause, extend the applicable period under subparagraph (A) for not more than an additional 20 days.

(3) The accused may waive the accused's right to make a submittal to the convening authority under paragraph (1). Such a waiver shall be made in writing, and may not be revoked. For the purposes of subsection (c)(2), the time within which the accused may make a submittal under this

subsection shall be deemed to have expired upon the submittal of a waiver under this paragraph to the convening authority.

(c) ACTION BY CONVENING AUTHORITY.—

(1) The authority under this subsection to modify the findings and sentence of a military commission under this chapter is a matter of the sole discretion and prerogative of the convening authority.

(2) The convening authority is not required to take action on the findings of a military commission under this chapter. If the convening authority takes action on the findings, the convening authority may, in the sole discretion of the convening authority, only—

(A) dismiss any charge or specification by setting aside a finding of guilty thereto; or

(B) change a finding of guilty to a charge to a finding of guilty to an offense that is a lesser included offense of the offense stated in the charge.

(3)(A) The convening authority shall take action on the sentence of a military commission under this chapter.

(B) Subject to regulations prescribed by the Secretary of Defense, action under this paragraph may be taken only after consideration of any matters submitted by the accused under subsection (b) or after the time for submitting such matters expires, whichever is earlier.

(C) In taking action under this paragraph, the convening authority may, in the sole discretion of the convening authority, approve, disapprove, commute, or suspend the sentence in whole or in part. The convening authority may not increase a sentence beyond that which is found by the military commission.

(4) The convening authority shall serve on the accused or on defense counsel notice of any action taken by the convening authority under this subsection.

(ii) the record shows improper or inconsistent action by the military commission with respect to the findings or sentence that can be rectified without material prejudice to the substantial rights of the accused.

- (B) In no case may a proceeding in revision—
- (i) reconsider a finding of not guilty of a specification or a ruling which amounts to a finding of not guilty;
 - (ii) reconsider a finding of not guilty of any charge, unless there has been a finding of guilty under a specification laid under that charge, which sufficiently alleges a violation; or
 - (iii) increase the severity of the sentence unless the sentence prescribed for the offense is mandatory.
- (3) A rehearing may be ordered by the convening authority if the convening authority disapproves the findings and sentence and states the reasons for disapproval of the findings. If the convening authority disapproves the finding and sentence and does not order a rehearing, the convening authority shall dismiss the charges. A rehearing as to the findings may not be ordered by the convening authority when there is a lack of sufficient evidence in the record to support the findings. A rehearing as to the sentence may be ordered by the convening authority if the convening authority disapproves the sentence.

(c) **SCOPE OF APPEAL RIGHT WITH RESPECT TO CLASSIFIED INFORMATION.**—The United States has the right to appeal under paragraph (4) of subsection (a) whenever the military judge enters an order or ruling that would require the disclosure of classified information, without regard to whether the order or ruling appealed from was entered under this chapter, another provision of law, a rule, or otherwise. Any such appeal may embrace any preceding order, ruling, or reasoning constituting the basis of the order or ruling that would authorize such disclosure.

(2) Upon a rehearing, if the sentence approved after the first military commission was in accordance with a pretrial agreement and the accused at the rehearing changes his plea with respect to the charges or specifications upon which the pretrial agreement was based, or otherwise does not comply with pretrial agreement, the sentence as to those charges or specifications may include any punishment not in excess of that lawfully adjudged at the first military commission.

REVIEW BY UNITED STATES COURT OF MILITARY COMMISSION REVIEW

SEC. 950F.

(a) ESTABLISHMENT.—There is a court of record to be known as the “United States Court of Military Commission Review” (in this section referred to as the “Court”). (6) The term of an appellate military judge assigned to the Court under paragraph (2) or appointed to the Court under paragraph (3) shall expire on the earlier of the date on which—

(A) the judge leaves active duty; or

(B) the judge is reassigned to other duties in accordance with section 949b(b)(4) of this title.

(c) CASES TO BE REVIEWED.—The Court shall, in accordance with procedures prescribed under regulations of the Secretary, review the record in each case that is referred to the Court by the convening authority under section 950c of this title with respect to any matter properly raised by the accused.

(d) STANDARD AND SCOPE OF REVIEW.—In a case reviewed by the Court under this section, the Court may act only with respect to the findings and sentence as approved by the convening authority. The Court may affirm only such findings of guilty, and the sentence or such part or amount of the sentence, as the Court finds correct in law and fact and determines, on the basis of the entire record, should be approved. In considering the record, the Court may weigh the evidence, judge the credibility of witnesses, and determine controverted questions of fact, recognizing that the military commission saw and heard the witnesses.

(e) REHEARINGS.—If the Court sets aside the findings or sentence, the Court may, except where the setting aside is based on lack of sufficient evidence in the record to support the findings, order a rehearing. If the Court sets aside the findings or sentence and does not order a rehearing, the Court shall order that the charges be dismissed.

(c) EXECUTION OF SENTENCE OF DEATH ONLY UPON FINAL JUDGMENT OF LEGALITY OF PROCEEDINGS.—

FINALITY OF PROCEEDINGS, FINDINGS, AND SENTENCES

SEC. 950J.

The appellate review of records of trial provided by this chapter, and the proceedings, findings, and sentences of military commissions as approved, reviewed, or affirmed as required by this chapter, are final and conclusive. Orders publishing the proceedings of military commissions under this chapter are binding upon all departments, courts, agencies, and officers of the United States, subject only to action by the Secretary or the convening authority as provided in section 950i(c) of this title and the authority of the President.

SUBCHAPTER VIII—PUNITIVE MATTERS

DEFINITIONS; CONSTRUCTION OF CERTAIN OFFENSES; COMMON CIRCUMSTANCES

SEC. 950P.

(a) **DEFINITIONS.**—In this subchapter:

- (1) The term “military objective” means combatants and those objects during hostilities which, by their nature, location, purpose, or use, effectively contribute to the war-fighting or war-sustaining capability of an opposing force and whose total or partial destruction, capture, or neutralization would constitute a definite military advantage to the attacker under the circumstances at the time of an attack.
- (2) The term “protected person” means any person entitled to protection under one or more of the Geneva Conventions, including civilians not taking an active part in hostilities, military personnel placed out of combat by sickness, wounds, or detention, and military medical or religious personnel.
- (3) The term “protected property” means any property specifically protected by the law of war, including buildings dedicated to religion, education, art, science, or charitable purposes, historic monuments, hospitals, and places where the sick and wounded are collected, but only

if and to the extent such property is not being used for military purposes or is not otherwise a military objective. The term includes objects properly identified by one of the distinctive emblems of the Geneva Conventions, but does not include civilian property that is a military objective.

(b) CONSTRUCTION OF CERTAIN OFFENSES.—The intent required for offenses under paragraphs (1), (2), (3), (4), and (12) of section 950t of this title precludes the applicability of such offenses with regard to collateral damage or to death, damage, or injury incident to a lawful attack.

(c) COMMON CIRCUMSTANCES.—An offense specified in this subchapter is triable by military commission under this chapter only if the offense is committed in the context of and associated with hostilities.

(d) EFFECT.—The provisions of this subchapter codify offenses that have traditionally been triable by military commission. This chapter does not establish new crimes that did not exist before the date of the enactment of this subchapter, as amended by the National Defense Authorization Act for Fiscal Year 2010, but rather codifies those crimes for trial by military commission. Because the provisions of this subchapter codify offenses that have traditionally been triable under the law of war or otherwise triable by military commission, this subchapter does not preclude trial for offenses that occurred before the date of the enactment of this subchapter, as so amended.

(30) SOLICITATION.—Any person subject to this chapter who solicits or advises another or others to commit one or more substantive offenses triable by military commission under this chapter shall, if the offense solicited or advised is attempted or committed, be punished with the punishment provided for the commission of the offense, but, if the offense solicited or advised is not committed or attempted, shall be punished as a military commission under this chapter may direct.

(31) CONTEMPT.—A military commission under this chapter may punish for contempt any person who uses any menacing word, sign, or gesture in its presence, or who disturbs its proceedings by any riot or disorder.

(32) PERJURY AND OBSTRUCTION OF JUSTICE.—A military commission under this chapter may try offenses and impose such punishment as the military commission may direct for perjury, false testimony, or obstruction of justice related to the military commission.

TITLE 5, SECTION 552, UNITED STATES CODE
(THE "FREEDOM OF INFORMATION ACT")

**PUBLIC INFORMATION; AGENCY RULES, OPINIONS, ORDERS,
RECORDS, AND PROCEEDINGS**

SECTION 552.

(a) Each agency shall make available to the public information as follows:

(1) Each agency shall separately state and currently publish in the Federal Register for the guidance of the public—

(A) descriptions of its central and field organization and the established places at which, the employees (and in the case of a uniformed service, the members) from whom, and the methods whereby, the public may obtain information, make submittals or requests, or obtain decisions;

(B) statements of the general course and method by which its functions are channeled and determined, including the nature and requirements of all formal and informal procedures available;

(C) rules of procedure, descriptions of forms available or the places at which forms may be obtained, and instructions as to the scope and contents of all papers, reports, or examinations;

(D) substantive rules of general applicability adopted as authorized by law, and statements of general policy or interpretations of general applicability formulated and adopted by the agency; and

(E) each amendment, revision, or repeal of the foregoing.

Except to the extent that a person has actual and timely notice of the terms thereof, a person may not in any manner be required to resort to, or be adversely affected by, a matter required to be published in the Federal Register and not so published. For the purpose of this paragraph, matter reasonably available to the class of persons affected thereby is deemed published in the Federal Register when incorporated by reference therein with the approval of the Director of the Federal Register.

(2) Each agency, in accordance with published rules, shall make available for public inspection in an electronic format—

(A) final opinions, including concurring and dissenting opinions, as well as orders, made in the adjudication of cases;

(B) those statements of policy and interpretations which have been adopted by the agency and are not published in the Federal Register;

- (C) administrative staff manuals and instructions to staff that affect a member of the public;
- (D) copies of all records, regardless of form or format—
 - (i) that have been released to any person under paragraph (3); and
 - (ii)(I) that because of the nature of their subject matter, the agency determines have become or are likely to become the subject of subsequent requests for substantially the same records; or
 - (II) that have been requested 3 or more times;and
- (E) a general index of the records referred to under subparagraph (D);

unless the materials are promptly published and copies offered for sale. For records created on or after November 1, 1996, within one year after such date, each agency shall make such records available, including by computer telecommunications or, if computer telecommunications means have not been established by the agency, by other electronic means. To the extent required to prevent a clearly unwarranted invasion of personal privacy, an agency may delete identifying details when it makes available or publishes an opinion, statement of policy, interpretation, staff manual, instruction, or copies of records referred to in subparagraph (D). However, in each case the justification for the deletion shall be explained fully in writing, and the extent of such deletion shall be indicated on the portion of the record which is made available or published, unless including that indication would harm an interest protected by the exemption in subsection (b) under which the deletion is made. If technically feasible, the extent of the deletion shall be indicated at the place in the record where the deletion was made. Each agency shall also maintain and make available for public inspection in an electronic format current indexes providing identifying information for the public as to any matter issued, adopted, or promulgated after July 4, 1967, and required by this paragraph to be made available or published. Each agency shall promptly publish, quarterly or more frequently, and distribute (by sale or otherwise) copies of each index or supplements thereto unless it determines by order published in the Federal Register that the publication would be unnecessary and impracticable, in which case the agency shall nonetheless provide copies of such index on request at a cost not to exceed the direct cost of duplication. Each agency shall make the index referred to in subparagraph (E) available by computer telecommunications by December 31, 1999. A final order,

opinion, statement of policy, interpretation, or staff manual or instruction that affects a member of the public may be relied on, used, or cited as precedent by an agency against a party other than an agency only if—

- (i) it has been indexed and either made available or published as provided by this paragraph; or
- (ii) the party has actual and timely notice of the terms thereof.

(3)(A) Except with respect to the records made available under paragraphs (1) and (2) of this subsection, and except as provided in subparagraph (E), each agency, upon any request for records which (i) reasonably describes such records and (ii) is made in accordance with published rules stating the time, place, fees (if any), and procedures to be followed, shall make the records promptly available to any person.

(B) In making any record available to a person under this paragraph, an agency shall provide the record in any form or format requested by the person if the record is readily reproducible by the agency in that form or format. Each agency shall make reasonable efforts to maintain its records in forms or formats that are reproducible for purposes of this section.

(C) In responding under this paragraph to a request for records, an agency shall make reasonable efforts to search for the records in electronic form or format, except when such efforts would significantly interfere with the operation of the agency's automated information system.

(D) For purposes of this paragraph, the term "search" means to review, manually or by automated means, agency records for the purpose of locating those records which are responsive to a request.

(E) An agency, or part of an agency, that is an element of the intelligence community (as that term is defined in section 3(4) of the National Security Act of 1947 (50 U.S.C. 401a(4))) shall not make any record available under this paragraph to—

- (i) any government entity, other than a State, territory, commonwealth, or district of the United States, or any subdivision thereof; or
- (ii) a representative of a government entity described in clause (i).

(4)(A)(i) In order to carry out the provisions of this section, each agency shall promulgate regulations, pursuant to notice and receipt of public comment, specifying the schedule of fees applicable to the processing of requests under this section and establishing procedures and guidelines for determining when such fees should be waived or reduced. Such schedule

shall conform to the guidelines which shall be promulgated, pursuant to notice and receipt of public comment, by the Director of the Office of Management and Budget and which shall provide for a uniform schedule of fees for all agencies.

(ii) Such agency regulations shall provide that—

(I) fees shall be limited to reasonable standard charges for document search, duplication, and review, when records are requested for commercial use;

(II) fees shall be limited to reasonable standard charges for document duplication when records are not sought for commercial use and the request is made by an educational or noncommercial scientific institution, whose purpose is scholarly or scientific research; or a representative of the news media; and

(III) for any request not described in (I) or (II), fees shall be limited to reasonable standard charges for document search and duplication.

In this clause, the term “a representative of the news media” means any person or entity that gathers information of potential interest to a segment of the public, uses its editorial skills to turn the raw materials into a distinct work, and distributes that work to an audience. In this clause, the term “news” means information that is about current events or that would be of current interest to the public. Examples of news-media entities are television or radio stations broadcasting to the public at large and publishers of periodicals (but only if such entities qualify as disseminators of “news”) who make their products available for purchase by or subscription by or free distribution to the general public. These examples are not all-inclusive. Moreover, as methods of news delivery evolve (for example, the adoption of the electronic dissemination of newspapers through telecommunications services), such alternative media shall be considered to be news-media entities. A freelance journalist shall be regarded as working for a news-media entity if the journalist can demonstrate a solid basis for expecting publication through that entity,

whether or not the journalist is actually employed by the entity. A publication contract would present a solid basis for such an expectation; the Government may also consider the past publication record of the requester in making such a determination.

(iii) Documents shall be furnished without any charge or at a charge reduced below the fees established under clause (ii) if disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requester.

(iv) Fee schedules shall provide for the recovery of only the direct costs of search, duplication, or review. Review costs shall include only the direct costs incurred during the initial examination of a document for the purposes of determining whether the documents must be disclosed under this section and for the purposes of withholding any portions exempt from disclosure under this section. Review costs may not include any costs incurred in resolving issues of law or policy that may be raised in the course of processing a request under this section. No fee may be charged by any agency under this section—

(I) if the costs of routine collection and processing of the fee are likely to equal or exceed the amount of the fee; or

(II) for any request described in clause (ii)(II) or (III) of this subparagraph for the first two hours of search time or for the first one hundred pages of duplication.

(v) No agency may require advance payment of any fee unless the requester has previously failed to pay fees in a timely fashion, or the agency has determined that the fee will exceed \$250.

(vi) Nothing in this subparagraph shall supersede fees chargeable under a statute specifically providing for setting the level of fees for particular types of records.

(vii) In any action by a requester regarding the waiver of fees under this section, the court shall determine the matter de novo: Provided, That the court's review of the matter shall be limited to the record before the agency.

(viii)(I) Except as provided in subclause (II), an agency shall not assess any search fees (or in the case of a requester described under clause (ii)(II) of this subparagraph, duplication fees) under this subparagraph if the agency has failed to comply with any time limit under paragraph (6).

(II)(aa) If an agency has determined that unusual circumstances apply (as the term is defined in paragraph (6)(B)) and the agency provided a timely written notice to the requester in accordance with paragraph (6)(B), a failure described in subclause (I) is excused for an additional 10 days. If the agency fails to comply with the extended time limit, the agency may not assess any search fees (or in the case of a requester described under clause (ii)(II) of this subparagraph, duplication fees).

(bb) If an agency has determined that unusual circumstances apply and more than 5,000 pages are necessary to respond to the request, an agency may charge search fees (or in the case of a requester described under clause (ii)(II) of this subparagraph, duplication fees) if the agency has provided a timely written notice to the requester in accordance with paragraph (6)(B) and the agency has discussed with the requester via written mail, electronic mail, or telephone (or made not less than 3 good-faith attempts to do so) how the requester could effectively limit the scope of the request in accordance with paragraph (6)(B)(ii).

(cc) If a court has determined that exceptional circumstances exist (as that term is defined in paragraph (6)(C)), a failure described in subclause (I) shall be excused for the length of time provided by the court order.

(B) On complaint, the district court of the United States in the district in which the complainant resides, or has his principal place of business, or in which the agency records are situated, or in the District of Columbia, has jurisdiction to enjoin the agency from withholding agency records and to order the production of any agency records improperly withheld from the complainant. In such a case the court shall determine the matter de novo, and may examine the contents of such agency records in camera to determine whether such records or any part thereof shall be withheld under any of the exemptions set forth in subsection (b) of this section, and the burden is on the agency to sustain its action. In addition to any other matters to which a court accords substantial weight, a court shall accord substantial weight to an affidavit of an agency concerning the agency's determination as to technical feasibility under paragraph (2)(C) and subsection (b) and reproducibility under paragraph (3)(B).

(C) Notwithstanding any other provision of law, the defendant shall serve an answer or otherwise plead to any complaint made under this subsection within thirty days after service upon the defendant of the pleading in which such complaint is made, unless the court otherwise directs for good cause shown.

[(D) Repealed.]

(E)(i) The court may assess against the United States reasonable attorney fees and other litigation costs reasonably incurred in any case under this section in which the complainant has substantially prevailed.

(ii) For purposes of this subparagraph, a complainant has substantially prevailed if the complainant has obtained relief through either—

(I) a judicial order, or an enforceable written agreement or consent decree; or

(II) a voluntary or unilateral change in position by the agency, if the complainant's claim is not insubstantial.

(F)(i) Whenever the court orders the production of any agency records improperly withheld from the complainant and assesses against the United States reasonable attorney fees and other litigation costs, and the court additionally issues a written finding that the circumstances surrounding the withholding raise questions whether agency personnel acted arbitrarily or capriciously with respect to the withholding, the Special Counsel

shall promptly initiate a proceeding to determine whether disciplinary action is warranted against the officer or employee who was primarily responsible for the withholding. The Special Counsel, after investigation and consideration of the evidence submitted, shall submit his findings and recommendations to the administrative authority of the agency concerned and shall send copies of the findings and recommendations to the officer or employee or his representative. The administrative authority shall take the corrective action that the Special Counsel recommends.

(ii) The Attorney General shall—

(I) notify the Special Counsel of each civil action described under the first sentence of clause (i); and

(II) annually submit a report to Congress on the number of such civil actions in the preceding year.

(iii) The Special Counsel shall annually submit a report to Congress on the actions taken by the Special Counsel under clause (i).

(G) In the event of noncompliance with the order of the court, the district court may punish for contempt the responsible employee, and in the case of a uniformed service, the responsible member.

(5) Each agency having more than one member shall maintain and make available for public inspection a record of the final votes of each member in every agency proceeding.

(6)(A) Each agency, upon any request for records made under paragraph (1), (2), or (3) of this subsection, shall—

(i) determine within 20 days (excepting Saturdays, Sundays, and legal public holidays) after the receipt of any such request whether to comply with such request and shall immediately notify the person making such request of—

(I) such determination and the reasons therefor;

(II) the right of such person to seek assistance from the FOIA Public Liaison of the agency; and

(III) in the case of an adverse determination—

(aa) the right of such person to appeal to the head of the agency, within a period

determined by the head of the agency that is not less than 90 days after the date of such adverse determination; and (bb) the right of such person to seek dispute resolution services from the FOIA Public Liaison of the agency or the Office of Government Information Services; and

(ii) make a determination with respect to any appeal within twenty days (excepting Saturdays, Sundays, and legal public holidays) after the receipt of such appeal. If on appeal the denial of the request for records is in whole or in part upheld, the agency shall notify the person making such request of the provisions for judicial review of that determination under paragraph (4) of this subsection.

The 20-day period under clause (i) shall commence on the date on which the request is first received by the appropriate component of the agency, but in any event not later than ten days after the request is first received by any component of the agency that is designated in the agency's regulations under this section to receive requests under this section. The 20-day period shall not be tolled by the agency except—

(I) that the agency may make one request to the requester for information and toll the 20-day period while it is awaiting such information that it has reasonably requested from the requester under this section; or

(II) if necessary to clarify with the requester issues regarding fee assessment. In either case, the agency's receipt of the requester's response to the agency's request for information or clarification ends the tolling period.

(B)(i) In unusual circumstances as specified in this subparagraph, the time limits prescribed in either clause (i) or clause (ii) of subparagraph (A) may be extended by written notice to the person making such request setting forth the unusual circumstances for such extension and the date on which a determination is expected to be dispatched. No such notice shall specify a date that would result in an extension for more

than ten working days, except as provided in clause (ii) of this subparagraph.

(ii) With respect to a request for which a written notice under clause (i) extends the time limits prescribed under clause (i) of subparagraph (A), the agency shall notify the person making the request if the request cannot be processed within the time limit specified in that clause and shall provide the person an opportunity to limit the scope of the request so that it may be processed within that time limit or an opportunity to arrange with the agency an alternative time frame for processing the request or a modified request. To aid the requester, each agency shall make available its FOIA Public Liaison, who shall assist in the resolution of any disputes between the requester and the agency, and notify the requester of the right of the requester to seek dispute resolution services from the Office of Government Information Services. Refusal by the person to reasonably modify the request or arrange such an alternative time frame shall be considered as a factor in determining whether exceptional circumstances exist for purposes of subparagraph (C).

(iii) As used in this subparagraph, “unusual circumstances” means, but only to the extent reasonably necessary to the proper processing of the particular requests—

- (I) the need to search for and collect the requested records from field facilities or other establishments that are separate from the office processing the request;
- (II) the need to search for, collect, and appropriately examine a voluminous amount of separate and distinct records which are demanded in a single request; or
- (III) the need for consultation, which shall be conducted with all practicable speed, with another agency having a substantial interest in the determination of the request or among two or more components of the agency having substantial subject-matter interest therein.

(iv) Each agency may promulgate regulations, pursuant to notice and receipt of public comment, providing for the aggregation of certain requests by the same requestor, or by a group of requestors acting in concert, if the agency reasonably believes that such requests actually constitute a single request, which would otherwise satisfy the unusual circumstances specified in this subparagraph, and the requests involve clearly related matters. Multiple requests involving unrelated matters shall not be aggregated.

(C)(i) Any person making a request to any agency for records under paragraph (1), (2), or (3) of this subsection shall be deemed to have exhausted his administrative remedies with respect to such request if the agency fails to comply with the applicable time limit provisions of this paragraph. If the Government can show exceptional circumstances exist and that the agency is exercising due diligence in responding to the request, the court may retain jurisdiction and allow the agency additional time to complete its review of the records. Upon any determination by an agency to comply with a request for records, the records shall be made promptly available to such person making such request. Any notification of denial of any request for records under this subsection shall set forth the names and titles or positions of each person responsible for the denial of such request.

(ii) For purposes of this subparagraph, the term “exceptional circumstances” does not include a delay that results from a predictable agency workload of requests under this section, unless the agency demonstrates reasonable progress in reducing its backlog of pending requests.

(iii) Refusal by a person to reasonably modify the scope of a request or arrange an alternative time frame for processing a request (or a modified request) under clause (ii) after being given an opportunity to do so by the agency to whom the person made the request shall be considered as a factor in determining whether exceptional circumstances exist for purposes of this subparagraph.

(D)(i) Each agency may promulgate regulations, pursuant to notice and receipt of public comment, providing for multitrack

processing of requests for records based on the amount of work or time (or both) involved in processing requests.

(ii) Regulations under this subparagraph may provide a person making a request that does not qualify for the fastest multitrack processing an opportunity to limit the scope of the request in order to qualify for faster processing.

(iii) This subparagraph shall not be considered to affect the requirement under subparagraph (C) to exercise due diligence.

(E)(i) Each agency shall promulgate regulations, pursuant to notice and receipt of public comment, providing for expedited processing of requests for records—

(I) in cases in which the person requesting the records demonstrates a compelling need; and

(II) in other cases determined by the agency.

(ii) Notwithstanding clause (i), regulations under this subparagraph must ensure—

(I) that a determination of whether to provide expedited processing shall be made, and notice of the determination shall be provided to the person making the request, within 10 days after the date of the request; and

(II) expeditious consideration of administrative appeals of such determinations of whether to provide expedited processing.

(iii) An agency shall process as soon as practicable any request for records to which the agency has granted expedited processing under this subparagraph. Agency action to deny or affirm denial of a request for expedited processing pursuant to this subparagraph, and failure by an agency to respond in a timely manner to such a request shall be subject to judicial review under paragraph (4), except that the judicial review shall be based on the record before the agency at the time of the determination.

(iv) A district court of the United States shall not have jurisdiction to review an agency denial of expedited processing of a request for records after the agency has provided a complete response to the request.

(v) For purposes of this subparagraph, the term “compelling need” means—

(I) that a failure to obtain requested records on an expedited basis under this paragraph could reasonably be expected to pose an imminent threat to the life or physical safety of an individual; or

(II) with respect to a request made by a person primarily engaged in disseminating information, urgency to inform the public concerning actual or alleged Federal Government activity.

(vi) A demonstration of a compelling need by a person making a request for expedited processing shall be made by a statement certified by such person to be true and correct to the best of such person’s knowledge and belief.

(F) In denying a request for records, in whole or in part, an agency shall make a reasonable effort to estimate the volume of any requested matter the provision of which is denied, and shall provide any such estimate to the person making the request, unless providing such estimate would harm an interest protected by the exemption in subsection (b) pursuant to which the denial is made.

(7) Each agency shall—

(A) establish a system to assign an individualized tracking number for each request received that will take longer than ten days to process and provide to each person making a request the tracking number assigned to the request; and

(B) establish a telephone line or Internet service that provides information about the status of a request to the person making the request using the assigned tracking number, including—

(i) the date on which the agency originally received the request; and

(ii) an estimated date on which the agency will complete action on the request.

(8)(A) An agency shall—

(i) withhold information under this section only if—

(I) the agency reasonably foresees that disclosure would harm an interest protected by an exemption described in subsection (b); or

(II) disclosure is prohibited by law; and

(ii)(I) consider whether partial disclosure of information is possible whenever the agency determines that a full disclosure of a requested record is not possible; and

(II) take reasonable steps necessary to segregate and release nonexempt information; and

(B) Nothing in this paragraph requires disclosure of information that is otherwise prohibited from disclosure by law, or otherwise exempted from disclosure under subsection (b)(3).

(b) This section does not apply to matters that are—

(1)(A) specifically authorized under criteria established by an Executive order to be kept secret in the interest of national defense or foreign policy and (B) are in fact properly classified pursuant to such Executive order;

(2) related solely to the internal personnel rules and practices of an agency;

(3) specifically exempted from disclosure by statute (other than section 552b of this title), if that statute—

(A)(i) requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue; or

(ii) establishes particular criteria for withholding or refers to particular types of matters to be withheld; and

(B) if enacted after the date of enactment of the OPEN FOIA Act of 2009, specifically cites to this paragraph.

(4) trade secrets and commercial or financial information obtained from a person and privileged or confidential;

(5) inter-agency or intra-agency memorandums or letters that would not be available by law to a party other than an agency in litigation with the agency, provided that the deliberative process privilege shall not apply to records created 25 years or more before the date on which the records were requested;

(6) personnel and medical files and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy;

(7) records or information compiled for law enforcement purposes, but only to the extent that the production of such law enforcement records or information (A) could reasonably be expected to interfere with enforcement proceedings, (B) would deprive a person of a right to a fair trial or an impartial adjudication, (C) could reasonably be expected to constitute an unwarranted invasion of personal privacy, (D) could reasonably be expected to disclose the identity of a confidential source, including a State, local, or foreign agency or authority or any private institution which furnished information on a confidential basis, and, in the case of a record or information compiled by criminal law

enforcement authority in the course of a criminal investigation or by an agency conducting a lawful national security intelligence investigation, information furnished by a confidential source, (E) would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions if such disclosure could reasonably be expected to risk circumvention of the law, or (F) could reasonably be expected to endanger the life or physical safety of any individual;

(8) contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions; or

(9) geological and geophysical information and data, including maps, concerning wells.

Any reasonably segregable portion of a record shall be provided to any person requesting such record after deletion of the portions which are exempt under this subsection. The amount of information deleted, and the exemption under which the deletion is made, shall be indicated on the released portion of the record, unless including that indication would harm an interest protected by the exemption in this subsection under which the deletion is made. If technically feasible, the amount of the information deleted, and the exemption under which the deletion is made, shall be indicated at the place in the record where such deletion is made.

(c)(1) Whenever a request is made which involves access to records described in subsection (b)(7)(A) and—

(A) the investigation or proceeding involves a possible violation of criminal law; and

(B) there is reason to believe that (i) the subject of the investigation or proceeding is not aware of its pendency, and (ii) disclosure of the existence of the records could reasonably be expected to interfere with enforcement proceedings,

the agency may, during only such time as that circumstance continues, treat the records as not subject to the requirements of this section.

(2) Whenever informant records maintained by a criminal law enforcement agency under an informant's name or personal identifier are requested by a third party according to the informant's name or personal identifier, the agency may treat the records as not subject to the requirements of this section unless the informant's status as an informant has been officially confirmed.

(3) Whenever a request is made which involves access to records maintained by the Federal Bureau of Investigation pertaining to foreign intelligence or counterintelligence, or international terrorism, and the

FREEDOM OF INFORMATION ACT

existence of the records is classified information as provided in subsection (b)(1), the Bureau may, as long as the existence of the records remains classified information, treat the records as not subject to the requirements of this section.

(d) This section does not authorize withholding of information or limit the availability of records to the public, except as specifically stated in this section. This section is not authority to withhold information from Congress.

(e)(1) On or before February 1 of each year, each agency shall submit to the Attorney General of the United States and to the Director of the Office of Government Information Services a report which shall cover the preceding fiscal year and which shall include—

- (A) the number of determinations made by the agency not to comply with requests for records made to such agency under subsection (a) and the reasons for each such determination;
- (B)(i) the number of appeals made by persons under subsection (a)(6), the result of such appeals, and the reason for the action upon each appeal that results in a denial of information; and
 - (ii) a complete list of all statutes that the agency relies upon to authorize the agency to withhold information under subsection (b)(3), the number of occasions on which each statute was relied upon, a description of whether a court has upheld the decision of the agency to withhold information under each such statute, and a concise description of the scope of any information withheld;
- (C) the number of requests for records pending before the agency as of September 30 of the preceding year, and the median and average number of days that such requests had been pending before the agency as of that date;
- (D) the number of requests for records received by the agency and the number of requests which the agency processed;
- (E) the median number of days taken by the agency to process different types of requests, based on the date on which the requests were received by the agency;
- (F) the average number of days for the agency to respond to a request beginning on the date on which the request was received by the agency, the median number of days for the agency to respond to such requests, and the range in number of days for the agency to respond to such requests;
- (G) based on the number of business days that have elapsed since each request was originally received by the agency—

- (i) the number of requests for records to which the agency has responded with a determination within a period up to and including 20 days, and in 20-day increments up to and including 200 days;
 - (ii) the number of requests for records to which the agency has responded with a determination within a period greater than 200 days and less than 301 days;
 - (iii) the number of requests for records to which the agency has responded with a determination within a period greater than 300 days and less than 401 days; and
 - (iv) the number of requests for records to which the agency has responded with a determination within a period greater than 400 days;
- (H) the average number of days for the agency to provide the granted information beginning on the date on which the request was originally filed, the median number of days for the agency to provide the granted information, and the range in number of days for the agency to provide the granted information;
- (I) the median and average number of days for the agency to respond to administrative appeals based on the date on which the appeals originally were received by the agency, the highest number of business days taken by the agency to respond to an administrative appeal, and the lowest number of business days taken by the agency to respond to an administrative appeal;
- (J) data on the 10 active requests with the earliest filing dates pending at each agency, including the amount of time that has elapsed since each request was originally received by the agency;
- (K) data on the 10 active administrative appeals with the earliest filing dates pending before the agency as of September 30 of the preceding year, including the number of business days that have elapsed since the requests were originally received by the agency;
- (L) the number of expedited review requests that are granted and denied, the average and median number of days for adjudicating expedited review requests, and the number adjudicated within the required 10 days;
- (M) the number of fee waiver requests that are granted and denied, and the average and median number of days for adjudicating fee waiver determinations;

- (N) the total amount of fees collected by the agency for processing requests;
 - (O) the number of full-time staff of the agency devoted to processing requests for records under this section, and the total amount expended by the agency for processing such requests;
 - (P) the number of times the agency denied a request for records under subsection (c); and
 - (Q) the number of records that were made available for public inspection in an electronic format under subsection (a)(2).
- (2) Information in each report submitted under paragraph (1) shall be expressed in terms of each principal component of the agency and for the agency overall.
- (3) Each agency shall make each such report available for public inspection in an electronic format. In addition, each agency shall make the raw statistical data used in each report available in a timely manner for public inspection in an electronic format, which shall be made available—
- (A) without charge, license, or registration requirement;
 - (B) in an aggregated, searchable format; and
 - (C) in a format that may be downloaded in bulk.
- (4) The Attorney General of the United States shall make each report which has been made available by electronic means available at a single electronic access point. The Attorney General of the United States shall notify the Chairman and ranking minority member of the Committee on Oversight and Government Reform of the House of Representatives and the Chairman and ranking minority member of the Committees on Homeland Security and Governmental Affairs and the Judiciary of the Senate, no later than March 1 of the year in which each such report is issued, that such reports are available by electronic means.
- (5) The Attorney General of the United States, in consultation with the Director of the Office of Management and Budget, shall develop reporting and performance guidelines in connection with reports required by this subsection by October 1, 1997, and may establish additional requirements for such reports as the Attorney General determines may be useful.

- (i) as otherwise authorized in section 2511(2)(a) or 2517 of this title;
- (ii) with the lawful consent of the originator or any addressee or intended recipient of such communication;
- (iii) to a person employed or authorized, or whose facilities are used, to forward such communication to its destination; or

EXECUTIVE ORDER 12968:
ACCESS TO CLASSIFIED INFORMATION

[Signed: August 2, 1995, Federal Register Vol. 60, No. 151 (August 7, 1995), as amended by EO 13467 (2008)]

The national interest requires that certain information be maintained in confidence through a system of classification in order to protect our citizens, our democratic institutions, and our participation within the community of nations. The unauthorized disclosure of information classified in the national interest can cause irreparable damage to the national security and loss of human life.

Security policies designed to protect classified information must ensure consistent, cost effective, and efficient protection of our Nation's classified information, while providing fair and equitable treatment to those Americans upon whom we rely to guard our national security.

This order establishes a uniform Federal personnel security program for employees who will be considered for initial or continued access to classified information.

NOW, THEREFORE, by the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

SEC. 1.2. ACCESS TO CLASSIFIED INFORMATION.

(a) No employee shall be granted access to classified information unless that employee has been determined to be eligible in accordance with this order and to possess a need-to-know.

(b) Agency heads shall be responsible for establishing and maintaining an effective program to ensure that access to classified information by each employee is clearly consistent with the interests of the national security.

(c) Employees shall not be granted access to classified information unless they:

- (1) have been determined to be eligible for access under section 3.1 of this order by agency heads or designated officials based upon a favorable adjudication of an appropriate investigation of the employee's background;

SEC. 1.3. FINANCIAL DISCLOSURE.

(a) Not later than 180 days after the effective date of this order, the head of each agency that originates, handles, transmits, or possesses classified information shall designate each employee, by position or category where possible, who has a regular need for access to classified information that, in the discretion of the agency head, would reveal:

- (1) the identity of covert agents as defined in the Intelligence Identities Protection Act of 1982 [50 U.S.C. § 3121];
- (2) technical or specialized national intelligence collection and processing systems that, if disclosed in an unauthorized manner, would substantially negate or impair the effectiveness of the system;

 - (B) the design, construction, functioning, maintenance, or repair of any cryptographic equipment; but not including information concerning the use of cryptographic equipment and services;
- (4) particularly sensitive special access programs, the disclosure of which would substantially negate or impair the effectiveness of the information or activity involved; or
- (5) especially sensitive nuclear weapons design information (but only for those positions that have been certified as being of a high degree of importance or sensitivity, as described in section 145(f) of the Atomic Energy Act of 1954, as amended).

(b) An employee may not be granted access, or hold a position designated as requiring access, to information described in subsection (a) unless, as a condition of access to such information, the employee:

- (1) files with the head of the agency a financial disclosure report, including information with respect to the spouse and dependent children of the employee, as part of all background investigations or reinvestigations;
- (2) is subject to annual financial disclosure requirements, if selected by the agency head; and
- (3) files relevant information concerning foreign travel, as determined by the Security Executive Agent.

(c) Not later than 180 days after the effective date of this order, the Security Executive Agent shall develop procedures for the implementation of this section, including a standard financial disclosure form for use by employees under subsection (b) of this section, and agency heads shall identify certain employees, by position or category, who are subject to annual financial disclosure.

SEC. 1.4. USE OF AUTOMATED FINANCIAL RECORD DATA BASES.

As part of all investigations and reinvestigations described in section 1.2(d) of this order, agencies may request the Department of the Treasury, under terms and conditions prescribed by the Secretary of the Treasury, to search automated data bases consisting of reports of currency transactions by financial institutions, international transportation of currency or monetary instruments, foreign bank and financial accounts, transactions under \$10,000 that are reported as possible money laundering violations, and records of foreign travel.

SEC. 1.5. EMPLOYEE EDUCATION AND ASSISTANCE.

The head of each agency that grants access to classified information shall establish a program for employees with access to classified information to:

- (a) educate employees about individual responsibilities under this order; and
- (b) inform employees about guidance and assistance available concerning issues that may affect their eligibility for access to classified information, including sources of assistance for employees who have questions or concerns about financial matters, mental health, or substance abuse.

PART 2—ACCESS ELIGIBILITY POLICY AND PROCEDURE

SEC. 2.1. ELIGIBILITY DETERMINATIONS.

(a) Determinations of eligibility for access to classified information shall be based on criteria established under this order. Such determinations are separate from suitability determinations with respect to the hiring or retention of persons for employment by the government or any other personnel actions.

(b) The number of employees that each agency determines are eligible for access to classified information shall be kept to the minimum required for the conduct of agency functions.

(1) Eligibility for access to classified information shall not be requested or granted solely to permit entry to, or ease of movement within, controlled areas when the employee has no need for access and access to classified information may reasonably be prevented. Where circumstances indicate employees may be inadvertently exposed to classified information in the course of their duties, agencies are authorized to grant or deny, in their discretion, facility access approvals to such employees based on an appropriate level of investigation as determined by each agency.

(2) Except in agencies where eligibility for access is a mandatory condition of employment, eligibility for access to classified information shall only be requested or granted based on a demonstrated, foreseeable

need for access. Requesting or approving eligibility in excess of actual requirements is prohibited.

(3) Eligibility for access to classified information may be granted where there is a temporary need for access, such as one-time participation in a classified project, provided the investigative standards established under this order have been satisfied. In such cases, a fixed date or event for expiration shall be identified and access to classified information shall be limited to information related to the particular project or assignment.

(4) Access to classified information shall be terminated when an employee no longer has a need for access.

SEC. 2.2. LEVEL OF ACCESS APPROVAL.

(a) The level at which an access approval is granted for an employee shall be limited, and relate directly, to the level of classified information for which there is a need for access. Eligibility for access to a higher level of classified information includes eligibility for access to information classified at a lower level.

(b) Access to classified information relating to a special access program shall be granted in accordance with procedures established by the head of the agency that created the program or, for programs pertaining to intelligence activities (including special activities but not including military operational, strategic, and tactical programs) or intelligence sources and methods, by the Director of Central Intelligence. To the extent possible and consistent with the national security interests of the United States, such procedures shall be consistent with the standards and procedures established by and under this order.

SEC. 2.3 TEMPORARY ACCESS TO HIGHER LEVELS.

(a) An employee who has been determined to be eligible for access to classified information based on favorable adjudication of a completed investigation may be granted temporary access to a higher level where security personnel authorized by the agency head to make access eligibility determinations find that such access:

- (1) is necessary to meet operational or contractual exigencies not expected to be of a recurring nature;
- (2) will not exceed 180 days; and
- (3) is limited to specific, identifiable information that is made the subject of a written access record.

(b) Where the access granted under subsection (a) of this section involves another agency's classified information, that agency must concur before access to its information is granted.

SEC. 2.4. RECIPROCAL ACCEPTANCE OF ACCESS ELIGIBILITY DETERMINATIONS.

(a) Except when an agency has substantial information indicating that an employee may not satisfy the standards in section 3.1 of this order, background investigations and eligibility determinations conducted under this order shall be mutually and reciprocally accepted by all agencies.

(b) Except where there is substantial information indicating that the employee may not satisfy the standards in section 3.1 of this order, an employee with existing access to a special access program shall not be denied eligibility for access to another special access program at the same sensitivity level as determined personally by the agency head or deputy agency head, or have an existing access eligibility readjudicated, so long as the employee has a need for access to the information involved.

(c) This section shall not preclude agency heads from establishing additional, but not duplicative, investigative or adjudicative procedures for a special access program or for candidates for detail or assignment to their agencies, where such procedures are required in exceptional circumstances to protect the national security.

(d) Where temporary eligibility for access is granted under sections 2.3 or 3.3 of this order or where the determination of eligibility for access is conditional, the fact of such temporary or conditional access shall be conveyed to any other agency that considers affording the employee access to its information.

SEC. 2.5. SPECIFIC ACCESS REQUIREMENT.

(a) Employees who have been determined to be eligible for access to classified information shall be given access to classified information only where there is a need-to-know that information.

(b) It is the responsibility of employees who are authorized holders of classified information to verify that a prospective recipient's eligibility for access has been granted by an authorized agency official and to ensure that a need-to-know exists prior to allowing such access, and to challenge requests for access that do not appear well-founded.

SEC. 2.6. ACCESS BY NON-UNITED STATES CITIZENS.

(a) Where there are compelling reasons in furtherance of an agency mission, immigrant alien and foreign national employees who possess a special expertise may, in the discretion of the agency, be granted limited access to classified information only for specific programs, projects, contracts, licenses, certificates, or grants for which there is a need for access. Such individuals shall not be eligible for access to any greater level of classified information than the United States Government has determined may be releasable to the country of which the subject is currently a citizen, and such limited access may be approved only if the

prior 10 years of the subject's life can be appropriately investigated. If there are any doubts concerning granting access, additional lawful investigative procedures shall be fully pursued.

(b) Exceptions to these requirements may be permitted only by the agency head or the senior agency official designated under section 6.1 of this order to further substantial national security interests.

PART 3—ACCESS ELIGIBILITY STANDARDS

SEC. 3.1. STANDARDS.

(a) No employee shall be deemed to be eligible for access to classified information merely by reason of Federal service or contracting, licensee, certificate holder, or grantee status, or as a matter of right or privilege, or as a result of any particular title, rank, position, or affiliation.

(b) Except as provided in sections 2.6 and 3.3 of this order, eligibility for access to classified information shall be granted only to employees who are United States citizens for whom an appropriate investigation has been completed and whose personal and professional history affirmatively indicates loyalty to the United States, strength of character, trustworthiness, honesty, reliability, discretion, and sound judgment, as well as freedom from conflicting allegiances and potential for coercion, and willingness and ability to abide by regulations governing the use, handling, and protection of classified information. A determination of eligibility for access to such information is a discretionary security decision based on judgments by appropriately trained adjudicative personnel or appropriate automated procedures. Eligibility shall be granted only where facts and circumstances indicate access to classified information is clearly consistent with the national security interests of the United States, and any doubt shall be resolved in favor of the national security.

(c) The United States Government does not discriminate on the basis of race, color, religion, sex, national origin, disability, or sexual orientation in granting access to classified information.

(d) In determining eligibility for access under this order, agencies may investigate and consider any matter that relates to the determination of whether access is clearly consistent with the interests of national security. No inference concerning the standards in this section may be raised solely on the basis of the sexual orientation of the employee.

(e) No negative inference concerning the standards in this section may be raised solely on the basis of mental health counseling. Such counseling can be a positive factor in eligibility determinations. However, mental health counseling, where relevant to the adjudication of access to classified information, may justify further inquiry to determine whether the standards of subsection (b) of this

section are satisfied, and mental health may be considered where it directly relates to those standards.

(f) Not later than 180 days after the effective date of this order, the Security Executive Agent shall develop a common set of adjudicative guidelines for determining eligibility for access to classified information, including access to special access programs.

SEC. 3.2. BASIS FOR ELIGIBILITY APPROVAL.

(a) Eligibility determinations for access to classified information shall be based on information concerning the applicant or employee that is acquired through the investigation conducted pursuant to this order or otherwise available to security officials and shall be made part of the applicant's or employee's security record. Applicants or employees shall be required to provide relevant information pertaining to their background and character for use in investigating and adjudicating their eligibility for access.

(b) Not later than 180 days after the effective date of this order, the Security Executive Agent shall develop a common set of investigative standards for background investigations for access to classified information. These standards may vary for the various levels of access.

(c) Nothing in this order shall prohibit an agency from utilizing any lawful investigative procedure in addition to the investigative requirements set forth in this order and its implementing regulations to resolve issues that may arise during the course of a background investigation or reinvestigation.

SEC. 3.3. SPECIAL CIRCUMSTANCES.

(a) In exceptional circumstances where official functions must be performed prior to the completion of the investigative and adjudication process, temporary eligibility for access to classified information may be granted to an employee while the initial investigation is underway. When such eligibility is granted, the initial investigation shall be expedited.

(1) Temporary eligibility for access under this section shall include a justification, and the employee must be notified in writing that further access is expressly conditioned on the favorable completion of the investigation and issuance of an access eligibility approval. Access will be immediately terminated, along with any assignment requiring an access eligibility approval, if such approval is not granted.

(2) Temporary eligibility for access may be granted only by security personnel authorized by the agency head to make access eligibility determinations and shall be based on minimum investigative standards developed by the Security Executive Agent not later than 180 days after the effective date of this order.

(3) Temporary eligibility for access may be granted only to particular, identified categories of classified information necessary to perform the lawful and authorized functions that are the basis for the granting of temporary access.

(b) Nothing in subsection (a) shall be construed as altering the authority of an agency head to waive requirements for granting access to classified information pursuant to statutory authority.

(c) Where access has been terminated under section 2.1(b)(4) of this order and a new need for access arises, access eligibility up to the same level shall be reapproved without further investigation as to employees who were determined to be eligible based on a favorable adjudication of an investigation completed within the prior 5 years, provided they have remained employed by the same employer during the period in question, the employee certifies in writing that there has been no change in the relevant information provided by the employee for the last background investigation, and there is no information that would tend to indicate the employee may no longer satisfy the standards established by this order for access to classified information.

(d) Access eligibility shall be reapproved for individuals who were determined to be eligible based on a favorable adjudication of an investigation completed within the prior 5 years and who have been retired or otherwise separated from United States Government employment for not more than 2 years; provided there is no indication the individual may no longer satisfy the standards of this order, the individual certifies in writing that there has been no change in the relevant information provided by the individual for the last background investigation, and an appropriate record check reveals no unfavorable information.

SEC. 3.4. REINVESTIGATION REQUIREMENTS.

(a) Because circumstances and characteristics may change dramatically over time and thereby alter the eligibility of employees for continued access to classified information, reinvestigations shall be conducted with the same priority and care as initial investigations.

(b) Employees who are eligible for access to classified information shall be the subject of periodic reinvestigations and may also be reinvestigated if, at any time, there is reason to believe that they may no longer meet the standards for access established in this order.

(c) Not later than 180 days after the effective date of this order, the Security Executive Agent shall develop a common set of reinvestigative standards, including the frequency of reinvestigations.

SEC. 3.5. CONTINUOUS EVALUATION.

An individual who has been determined to be eligible for or who currently has access to classified information shall be subject to continuous evaluation under standards (including, but not limited to, the frequency of such evaluation) as determined by the Director of National Intelligence.

PART 4—INVESTIGATIONS FOR FOREIGN GOVERNMENTS

SEC. 4. AUTHORITY.

Agencies that conduct background investigations, including the Federal Bureau of Investigation and the Department of State, are authorized to conduct personnel security investigations in the United States when requested by a foreign government as part of its own personnel security program and with the consent of the individual.

PART 5—REVIEW OF ACCESS DETERMINATIONS

SEC. 5.1. DETERMINATIONS OF NEED FOR ACCESS.

A determination under section 2.1(b)(4) of this order that an employee does not have, or no longer has, a need for access is a discretionary determination and shall be conclusive.

SEC. 5.2. REVIEW PROCEEDINGS FOR DENIALS OR REVOCATIONS OF ELIGIBILITY FOR ACCESS.

(a) Applicants and employees who are determined to not meet the standards for access to classified information established in section 3.1 of this order shall be:

- (1) provided as comprehensive and detailed a written explanation of the basis for that conclusion as the national security interests of the United States and other applicable law permit;
- (2) provided within 30 days, upon request and to the extent the documents would be provided if requested under the Freedom of Information Act (5 U.S.C. § 552) or the Privacy Act ([5] U.S.C. § 552a), as applicable, any documents, records, and reports upon which a denial or revocation is based;
- (3) informed of their right to be represented by counsel or other representative at their own expense; to request any documents, records, and reports as described in section 5.2(a)(2) upon which a denial or revocation is based; and to request the entire investigative file, as permitted by the national security and other applicable law, which, if requested, shall be promptly provided prior to the time set for a written reply;

(4) provided a reasonable opportunity to reply in writing to, and to request a review of, the determination;

(5) provided written notice of and reasons for the results of the review, the identity of the deciding authority, and written notice of the right to appeal;

(6) provided an opportunity to appeal in writing to a high level panel, appointed by the agency head, which shall be comprised of at least three members, two of whom shall be selected from outside the security field. Decisions of the panel shall be in writing, and final except as provided in subsection (b) of this section; and

(7) provided an opportunity to appear personally and to present relevant documents, materials, and information at some point in the process before an adjudicative or other authority, other than the investigating entity, as determined by the agency head. A written summary or recording of such appearance shall be made part of the applicant's or employee's security record, unless such appearance occurs in the presence of the appeals panel described in subsection (a)(6) of this section.

(b) Nothing in this section shall prohibit an agency head from personally exercising the appeal authority in subsection (a)(6) of this section based upon recommendations from an appeals panel. In such case, the decision of the agency head shall be final.

(c) Agency heads shall promulgate regulations to implement this section and, at their sole discretion and as resources and national security considerations permit, may provide additional review proceedings beyond those required by subsection (a) of this section. This section does not require additional proceedings, however, and creates no procedural or substantive rights.

(d) When the head of an agency or principal deputy personally certifies that a procedure set forth in this section cannot be made available in a particular case without damaging the national security interests of the United States by revealing classified information, the particular procedure shall not be made available. This certification shall be conclusive.

(e) This section shall not be deemed to limit or affect the responsibility and power of an agency head pursuant to any law or other Executive order to deny or terminate access to classified information in the interests of national security. The power and responsibility to deny or terminate access to classified information pursuant to any law or other Executive order may be exercised only where the agency head determines that the procedures prescribed in subsection (a) of this section cannot be invoked in a manner that is consistent with national security. This determination shall be conclusive.

(f)(1) This section shall not be deemed to limit or affect the responsibility and power of an agency head to make determinations of suitability for employment.

(2) Nothing in this section shall require that an agency provide the procedures prescribed in subsection (a) of this section to an applicant where a conditional offer of employment is withdrawn for reasons of suitability or any other reason other than denial of eligibility for access to classified information.

(3) A suitability determination shall not be used for the purpose of denying an applicant or employee the review proceedings of this section where there has been a denial or revocation of eligibility for access to classified information.

(p) “Suitability” has the meaning and coverage provided in 5 CFR Part 731.

(q) “Vetting” is the process by which covered individuals undergo investigation, evaluation, and adjudication of whether they are, and remain over time, suitable or fit for Federal employment, eligible to occupy a sensitive position, eligible for access to classified information, eligible to serve as a nonappropriated fund employee or a contractor, eligible to serve in the military, or authorized to be

EXECUTIVE ORDER 13526:
CLASSIFIED NATIONAL SECURITY INFORMATION

[Signed: December 29, 2009, Federal Register Vol. 75, No. 2 (January 5, 2010)]

This order prescribes a uniform system for classifying, safeguarding, and declassifying national security information, including information relating to defense against transnational terrorism. Our democratic principles require that the American people be informed of the activities of their Government. Also, our Nation's progress depends on the free flow of information both within the Government and to the American people. Nevertheless, throughout our history, the national defense has required that certain information be maintained in confidence in order to protect our citizens, our democratic institutions, our homeland security, and our interactions with foreign nations. Protecting information critical to our Nation's security and demonstrating our commitment to open Government through accurate and accountable application of classification standards and routine, secure, and effective declassification are equally important priorities.

NOW, THEREFORE, I, BARACK OBAMA, by the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

PART 1—ORIGINAL CLASSIFICATION

SECTION 1.1. CLASSIFICATION STANDARDS.

(a) Information may be originally classified under the terms of this order only if all of the following conditions are met:

- (1) an original classification authority is classifying the information;
- (2) the information is owned by, produced by or for, or is under the control of the United States Government;
- (3) the information falls within one or more of the categories of information listed in section 1.4 of this order; and
- (4) the original classification authority determines that the unauthorized disclosure of the information reasonably could be expected to result in damage to the national security, which includes defense against transnational terrorism, and the original classification authority is able to identify or describe the damage.

(b) If there is significant doubt about the need to classify information, it shall not be classified. This provision does not:

- (1) amplify or modify the substantive criteria or procedures for classification; or
- (2) create any substantive or procedural rights subject to judicial review.
- (c) Classified information shall not be declassified automatically as a result of any unauthorized disclosure of identical or similar information.
- (d) The unauthorized disclosure of foreign government information is presumed to cause damage to the national security.

SEC. 1.2. CLASSIFICATION LEVELS.

- (a) Information may be classified at one of the following three levels:
 - (1) “Top Secret” shall be applied to information, the unauthorized disclosure of which reasonably could be expected to cause exceptionally grave damage to the national security that the original classification authority is able to identify or describe.
 - (2) “Secret” shall be applied to information, the unauthorized disclosure of which reasonably could be expected to cause serious damage to the national security that the original classification authority is able to identify or describe.
 - (3) “Confidential” shall be applied to information, the unauthorized disclosure of which reasonably could be expected to cause damage to the national security that the original classification authority is able to identify or describe.
- (b) Except as otherwise provided by statute, no other terms shall be used to identify United States classified information.
- (c) If there is significant doubt about the appropriate level of classification, it shall be classified at the lower level.

SEC. 1.3. CLASSIFICATION AUTHORITY.

- (a) The authority to classify information originally may be exercised only by:
 - (1) the President and the Vice President;
 - (2) agency heads and officials designated by the President; and
 - (3) United States Government officials delegated this authority pursuant to paragraph (c) of this section.
- (b) Officials authorized to classify information at a specified level are also authorized to classify information at a lower level.
- (c) Delegation of original classification authority.
 - (1) Delegations of original classification authority shall be limited to the minimum required to administer this order. Agency heads are responsible for ensuring that designated subordinate officials have a demonstrable and continuing need to exercise this authority.

(2) “Top Secret” original classification authority may be delegated only by the President, the Vice President, or an agency head or official designated pursuant to paragraph (a)(2) of this section.

(3) “Secret” or “Confidential” original classification authority may be delegated only by the President, the Vice President, an agency head or official designated pursuant to paragraph (a)(2) of this section, or the senior agency official designated under section 5.4(d) of this order, provided that official has been delegated “Top Secret” original classification authority by the agency head.

(4) Each delegation of original classification authority shall be in writing and the authority shall not be redelegated except as provided in this order. Each delegation shall identify the official by name or position.

(5) Delegations of original classification authority shall be reported or made available by name or position to the Director of the Information Security Oversight Office.

(d) All original classification authorities must receive training in proper classification (including the avoidance of over-classification) and declassification as provided in this order and its implementing directives at least once a calendar year. Such training must include instruction on the proper safeguarding of classified information and on the sanctions in section 5.5 of this order that may be brought against an individual who fails to classify information properly or protect classified information from unauthorized disclosure. Original classification authorities who do not receive such mandatory training at least once within a calendar year shall have their classification authority suspended by the agency head or the senior agency official designated under section 5.4(d) of this order until such training has taken place. A waiver may be granted by the agency head, the deputy agency head, or the senior agency official if an individual is unable to receive such training due to unavoidable circumstances. Whenever a waiver is granted, the individual shall receive such training as soon as practicable.

(e) Exceptional cases. When an employee, government contractor, licensee, certificate holder, or grantee of an agency who does not have original classification authority originates information believed by that person to require classification, the information shall be protected in a manner consistent with this order and its implementing directives. The information shall be transmitted promptly as provided under this order or its implementing directives to the agency that has appropriate subject matter interest and classification authority with respect to this information. That agency shall decide within 30 days whether to classify this information.

SEC. 1.4. CLASSIFICATION CATEGORIES.

Information shall not be considered for classification unless its unauthorized disclosure could reasonably be expected to cause identifiable or describable damage to the national security in accordance with section 1.2 of this order, and it pertains to one or more of the following:

- (a) military plans, weapons systems, or operations;
- (b) foreign government information;
- (c) intelligence activities (including covert action), intelligence sources or methods, or cryptology;
- (d) foreign relations or foreign activities of the United States, including confidential sources;
- (e) scientific, technological, or economic matters relating to the national security;
- (f) United States Government programs for safeguarding nuclear materials or facilities;
- (g) vulnerabilities or capabilities of systems, installations, infrastructures, projects, plans, or protection services relating to the national security; or
- (h) the development, production, or use of weapons of mass destruction.

SEC. 1.5. DURATION OF CLASSIFICATION.

(a) At the time of original classification, the original classification authority shall establish a specific date or event for declassification based on the duration of the national security sensitivity of the information. Upon reaching the date or event, the information shall be automatically declassified. Except for information that should clearly and demonstrably be expected to reveal the identity of a confidential human source or a human intelligence source or key design concepts of weapons of mass destruction, the date or event shall not exceed the time frame established in paragraph (b) of this section.

(b) If the original classification authority cannot determine an earlier specific date or event for declassification, information shall be marked for declassification 10 years from the date of the original decision, unless the original classification authority otherwise determines that the sensitivity of the information requires that it be marked for declassification for up to 25 years from the date of the original decision.

(c) An original classification authority may extend the duration of classification up to 25 years from the date of origin of the document, change the level of classification, or reclassify specific information only when the standards and procedures for classifying information under this order are followed.

(d) No information may remain classified indefinitely. Information marked for an indefinite duration of classification under predecessor orders, for example, marked as "Originating Agency's Determination Required," or classified information that contains incomplete declassification instructions or lacks

declassification instructions shall be declassified in accordance with part 3 of this order.

SEC. 1.6. IDENTIFICATION AND MARKINGS.

(a) At the time of original classification, the following shall be indicated in a manner that is immediately apparent:

(1) one of the three classification levels defined in section 1.2 of this order;

(2) the identity, by name and position, or by personal identifier, of the original classification authority;

(3) the agency and office of origin, if not otherwise evident;

(4) declassification instructions, which shall indicate one of the following:

(A) the date or event for declassification, as prescribed in section 1.5(a);

(B) the date that is 10 years from the date of original classification, as prescribed in section 1.5(b);

(C) the date that is up to 25 years from the date of original classification, as prescribed in section 1.5(b); or

(D) in the case of information that should clearly and demonstrably be expected to reveal the identity of a confidential human source or a human intelligence source or key design concepts of weapons of mass destruction, the marking prescribed in implementing directives issued pursuant to this order; and

(5) a concise reason for classification that, at a minimum, cites the applicable classification categories in section 1.4 of this order.

(b) Specific information required in paragraph (a) of this section may be excluded if it would reveal additional classified information.

(c) With respect to each classified document, the agency originating the document shall, by marking or other means, indicate which portions are classified, with the applicable classification level, and which portions are unclassified. In accordance with standards prescribed in directives issued under this order, the Director of the Information Security Oversight Office may grant and revoke temporary waivers of this requirement. The Director shall revoke any waiver upon a finding of abuse.

(d) Markings or other indicia implementing the provisions of this order, including abbreviations and requirements to safeguard classified working papers, shall conform to the standards prescribed in implementing directives issued pursuant to this order.

- (e) Foreign government information shall retain its original classification markings or shall be assigned a U.S. classification that provides a degree of protection at least equivalent to that required by the entity that furnished the information. Foreign government information retaining its original classification markings need not be assigned a U.S. classification marking provided that the responsible agency determines that the foreign government markings are adequate to meet the purposes served by U.S. classification markings.
- (f) Information assigned a level of classification under this or predecessor orders shall be considered as classified at that level of classification despite the omission of other required markings. Whenever such information is used in the derivative classification process or is reviewed for possible declassification, holders of such information shall coordinate with an appropriate classification authority for the application of omitted markings.
- (g) The classification authority shall, whenever practicable, use a classified addendum whenever classified information constitutes a small portion of an otherwise unclassified document or prepare a product to allow for dissemination at the lowest level of classification possible or in unclassified form.
- (h) Prior to public release, all declassified records shall be appropriately marked to reflect their declassification.

SEC. 1.7. CLASSIFICATION PROHIBITIONS AND LIMITATIONS.

- (a) In no case shall information be classified, continue to be maintained as classified, or fail to be declassified in order to:
 - (1) conceal violations of law, inefficiency, or administrative error;
 - (2) prevent embarrassment to a person, organization, or agency;
 - (3) restrain competition; or
 - (4) prevent or delay the release of information that does not require protection in the interest of the national security.
- (b) Basic scientific research information not clearly related to the national security shall not be classified.
- (c) Information may not be reclassified after declassification and release to the public under proper authority unless:
 - (1) the reclassification is personally approved in writing by the agency head based on a document-by-document determination by the agency that reclassification is required to prevent significant and demonstrable damage to the national security;
 - (2) the information may be reasonably recovered without bringing undue attention to the information;
 - (3) the reclassification action is reported promptly to the Assistant to the President for National Security Affairs (National Security Advisor) and the Director of the Information Security Oversight Office; and

(4) for documents in the physical and legal custody of the National Archives and Records Administration (National Archives) that have been available for public use, the agency head has, after making the determinations required by this paragraph, notified the Archivist of the United States (Archivist), who shall suspend public access pending approval of the reclassification action by the Director of the Information Security Oversight Office. Any such decision by the Director may be appealed by the agency head to the President through the National Security Advisor. Public access shall remain suspended pending a prompt decision on the appeal.

(d) Information that has not previously been disclosed to the public under proper authority may be classified or reclassified after an agency has received a request for it under the Freedom of Information Act (5 U.S.C. 552), the Presidential Records Act, 44 U.S.C. 2204(c)(1), the Privacy Act of 1974 (5 U.S.C. 552a), or the mandatory review provisions of section 3.5 of this order only if such classification meets the requirements of this order and is accomplished on a document-by-document basis with the personal participation or under the direction of the agency head, the deputy agency head, or the senior agency official designated under section 5.4 of this order. The requirements in this paragraph also apply to those situations in which information has been declassified in accordance with a specific date or event determined by an original classification authority in accordance with section 1.5 of this order.

(e) Compilations of items of information that are individually unclassified may be classified if the compiled information reveals an additional association or relationship that:

- (1) meets the standards for classification under this order; and
- (2) is not otherwise revealed in the individual items of information.

SEC. 1.8. CLASSIFICATION CHALLENGES.

(a) Authorized holders of information who, in good faith, believe that its classification status is improper are encouraged and expected to challenge the classification status of the information in accordance with agency procedures established under paragraph (b) of this section.

(b) In accordance with implementing directives issued pursuant to this order, an agency head or senior agency official shall establish procedures under which authorized holders of information, including authorized holders outside the classifying agency, are encouraged and expected to challenge the classification of information that they believe is improperly classified or unclassified. These procedures shall ensure that:

- (1) individuals are not subject to retribution for bringing such actions;

(2) an opportunity is provided for review by an impartial official or panel; and

(3) individuals are advised of their right to appeal agency decisions to the Interagency Security Classification Appeals Panel (Panel) established by section 5.3 of this order.

(c) Documents required to be submitted for prepublication review or other administrative process pursuant to an approved nondisclosure agreement are not covered by this section.

SEC. 1.9. FUNDAMENTAL CLASSIFICATION GUIDANCE REVIEW.

(a) Agency heads shall complete on a periodic basis a comprehensive review of the agency's classification guidance, particularly classification guides, to ensure the guidance reflects current circumstances and to identify classified information that no longer requires protection and can be declassified. The initial fundamental classification guidance review shall be completed within 2 years of the effective date of this order.

(b) The classification guidance review shall include an evaluation of classified information to determine if it meets the standards for classification under section 1.4 of this order, taking into account an up-to-date assessment of likely damage as described under section 1.2 of this order.

(c) The classification guidance review shall include original classification authorities and agency subject matter experts to ensure a broad range of perspectives.

(d) Agency heads shall provide a report summarizing the results of the classification guidance review to the Director of the Information Security Oversight Office and shall release an unclassified version of this report to the public.

PART 2—DERIVATIVE CLASSIFICATION

SEC. 2.1. USE OF DERIVATIVE CLASSIFICATION.

(a) Persons who reproduce, extract, or summarize classified information, or who apply classification markings derived from source material or as directed by a classification guide, need not possess original classification authority.

(b) Persons who apply derivative classification markings shall:

(1) be identified by name and position, or by personal identifier, in a manner that is immediately apparent for each derivative classification action;

(2) observe and respect original classification decisions; and

(3) carry forward to any newly created documents the pertinent classification markings. For information derivatively classified based on multiple sources, the derivative classifier shall carry forward:

(A) the date or event for declassification that corresponds to the longest period of classification among the sources, or the marking established pursuant to section 1.6(a)(4)(D) of this order; and

(B) a listing of the source materials.

(c) Derivative classifiers shall, whenever practicable, use a classified addendum whenever classified information constitutes a small portion of an otherwise unclassified document or prepare a product to allow for dissemination at the lowest level of classification possible or in unclassified form.

(d) Persons who apply derivative classification markings shall receive training in the proper application of the derivative classification principles of the order, with an emphasis on avoiding over-classification, at least once every 2 years. Derivative classifiers who do not receive such training at least once every 2 years shall have their authority to apply derivative classification markings suspended until they have received such training. A waiver may be granted by the agency head, the deputy agency head, or the senior agency official if an individual is unable to receive such training due to unavoidable circumstances. Whenever a waiver is granted, the individual shall receive such training as soon as practicable.

SEC. 2.2. CLASSIFICATION GUIDES.

(a) Agencies with original classification authority shall prepare classification guides to facilitate the proper and uniform derivative classification of information. These guides shall conform to standards contained in directives issued under this order.

(b) Each guide shall be approved personally and in writing by an official who:

(1) has program or supervisory responsibility over the information or is the senior agency official; and

(2) is authorized to classify information originally at the highest level of classification prescribed in the guide.

(c) Agencies shall establish procedures to ensure that classification guides are reviewed and updated as provided in directives issued under this order.

(d) Agencies shall incorporate original classification decisions into classification guides on a timely basis and in accordance with directives issued under this order.

(e) Agencies may incorporate exemptions from automatic declassification approved pursuant to section 3.3(j) of this order into classification guides,

provided that the Panel is notified of the intent to take such action for specific information in advance of approval and the information remains in active use.

(f) The duration of classification of a document classified by a derivative classifier using a classification guide shall not exceed 25 years from the date of the origin of the document, except for:

- (1) information that should clearly and demonstrably be expected to reveal the identity of a confidential human source or a human intelligence source or key design concepts of weapons of mass destruction; and
- (2) specific information incorporated into classification guides in accordance with section 2.2(e) of this order.

PART 3—DECLASSIFICATION AND DOWNGRADING

SEC. 3.1. AUTHORITY FOR DECLASSIFICATION.

(a) Information shall be declassified as soon as it no longer meets the standards for classification under this order.

(b) Information shall be declassified or downgraded by:

- (1) the official who authorized the original classification, if that official is still serving in the same position and has original classification authority;
- (2) the originator's current successor in function, if that individual has original classification authority;
- (3) a supervisory official of either the originator or his or her successor in function, if the supervisory official has original classification authority; or
- (4) officials delegated declassification authority in writing by the agency head or the senior agency official of the originating agency.

(c) The Director of National Intelligence (or, if delegated by the Director of National Intelligence, the Principal Deputy Director of National Intelligence) may, with respect to the Intelligence Community, after consultation with the head of the originating Intelligence Community element or department, declassify, downgrade, or direct the declassification or downgrading of information or intelligence relating to intelligence sources, methods, or activities.

(d) It is presumed that information that continues to meet the classification requirements under this order requires continued protection. In some exceptional cases, however, the need to protect such information may be outweighed by the public interest in disclosure of the information, and in these cases the information should be declassified. When such questions arise, they shall be referred to the agency head or the senior agency official. That official will determine, as an exercise of discretion, whether the public interest in disclosure outweighs the

damage to the national security that might reasonably be expected from disclosure. This provision does not:

(1) amplify or modify the substantive criteria or procedures for classification; or

(2) create any substantive or procedural rights subject to judicial review.

(e) If the Director of the Information Security Oversight Office determines that information is classified in violation of this order, the Director may require the information to be declassified by the agency that originated the classification. Any such decision by the Director may be appealed to the President through the National Security Advisor. The information shall remain classified pending a prompt decision on the appeal.

(f) The provisions of this section shall also apply to agencies that, under the terms of this order, do not have original classification authority, but had such authority under predecessor orders.

(g) No information may be excluded from declassification under section 3.3 of this order based solely on the type of document or record in which it is found. Rather, the classified information must be considered on the basis of its content.

(h) Classified nonrecord materials, including artifacts, shall be declassified as soon as they no longer meet the standards for classification under this order.

(i) When making decisions under sections 3.3, 3.4, and 3.5 of this order, agencies shall consider the final decisions of the Panel.

SEC. 3.2. TRANSFERRED RECORDS.

(a) In the case of classified records transferred in conjunction with a transfer of functions, and not merely for storage purposes, the receiving agency shall be deemed to be the originating agency for purposes of this order.

(b) In the case of classified records that are not officially transferred as described in paragraph (a) of this section, but that originated in an agency that has ceased to exist and for which there is no successor agency, each agency in possession of such records shall be deemed to be the originating agency for purposes of this order. Such records may be declassified or downgraded by the agency in possession of the records after consultation with any other agency that has an interest in the subject matter of the records.

(c) Classified records accessioned into the National Archives shall be declassified or downgraded by the Archivist in accordance with this order, the directives issued pursuant to this order, agency declassification guides, and any existing procedural agreement between the Archivist and the relevant agency head.

(d) The originating agency shall take all reasonable steps to declassify classified information contained in records determined to have permanent historical value before they are accessioned into the National Archives. However, the Archivist may require that classified records be accessioned into the National Archives

when necessary to comply with the provisions of the Federal Records Act. This provision does not apply to records transferred to the Archivist pursuant to section 2203 of title 44, United States Code, or records for which the National Archives serves as the custodian of the records of an agency or organization that has gone out of existence.

(e) To the extent practicable, agencies shall adopt a system of records management that will facilitate the public release of documents at the time such documents are declassified pursuant to the provisions for automatic declassification in section 3.3 of this order.

SEC. 3.3. AUTOMATIC DECLASSIFICATION.

(a) Subject to paragraphs (b)–(d) and (g)–(j) of this section, all classified records that (1) are more than 25 years old and (2) have been determined to have permanent historical value under title 44, United States Code, shall be automatically declassified whether or not the records have been reviewed. All classified records shall be automatically declassified on December 31 of the year that is 25 years from the date of origin, except as provided in paragraphs (b)–(d) and (g)–(j) of this section. If the date of origin of an individual record cannot be readily determined, the date of original classification shall be used instead.

(b) An agency head may exempt from automatic declassification under paragraph (a) of this section specific information, the release of which should clearly and demonstrably be expected to:

- (1) reveal the identity of a confidential human source, a human intelligence source, a relationship with an intelligence or security service of a foreign government or international organization, or a nonhuman intelligence source; or impair the effectiveness of an intelligence method currently in use, available for use, or under development;
- (2) reveal information that would assist in the development, production, or use of weapons of mass destruction;
- (3) reveal information that would impair U.S. cryptologic systems or activities;
- (4) reveal information that would impair the application of state-of-the-art technology within a U.S. weapon system;
- (5) reveal formally named or numbered U.S. military war plans that remain in effect, or reveal operational or tactical elements of prior plans that are contained in such active plans;
- (6) reveal information, including foreign government information, that would cause serious harm to relations between the United States and a foreign government, or to ongoing diplomatic activities of the United States;

(7) reveal information that would impair the current ability of United States Government officials to protect the President, Vice President, and other protectees for whom protection services, in the interest of the national security, are authorized;

(8) reveal information that would seriously impair current national security emergency preparedness plans or reveal current vulnerabilities of systems, installations, or infrastructures relating to the national security; or

(9) violate a statute, treaty, or international agreement that does not permit the automatic or unilateral declassification of information at 25 years.

(c)(1) An agency head shall notify the Panel of any specific file series of records for which a review or assessment has determined that the information within that file series almost invariably falls within one or more of the exemption categories listed in paragraph (b) of this section and that the agency proposes to exempt from automatic declassification at 25 years.

(2) The notification shall include:

(A) a description of the file series;

(B) an explanation of why the information within the file series is almost invariably exempt from automatic declassification and why the information must remain classified for a longer period of time; and

(C) except when the information within the file series almost invariably identifies a confidential human source or a human intelligence source or key design concepts of weapons of mass destruction, a specific date or event for declassification of the information, not to exceed December 31 of the year that is 50 years from the date of origin of the records.

(3) The Panel may direct the agency not to exempt a designated file series or to declassify the information within that series at an earlier date than recommended. The agency head may appeal such a decision to the President through the National Security Advisor.

(4) File series exemptions approved by the President prior to December 31, 2008, shall remain valid without any additional agency action pending Panel review by the later of December 31, 2010, or December 31 of the year that is 10 years from the date of previous approval.

(d) The following provisions shall apply to the onset of automatic declassification:

(1) Classified records within an integral file block, as defined in this order, that are otherwise subject to automatic declassification under this section shall not be automatically declassified until December 31 of the

year that is 25 years from the date of the most recent record within the file block.

(2) After consultation with the Director of the National Declassification Center (the Center) established by section 3.7 of this order and before the records are subject to automatic declassification, an agency head or senior agency official may delay automatic declassification for up to five additional years for classified information contained in media that make a review for possible declassification exemptions more difficult or costly.

(3) Other than for records that are properly exempted from automatic declassification, records containing classified information that originated with other agencies or the disclosure of which would affect the interests or activities of other agencies with respect to the classified information and could reasonably be expected to fall under one or more of the exemptions in paragraph (b) of this section shall be identified prior to the onset of automatic declassification for later referral to those agencies.

(A) The information of concern shall be referred by the Center established by section 3.7 of this order, or by the centralized facilities referred to in section 3.7(e) of this order, in a prioritized and scheduled manner determined by the Center.

(B) If an agency fails to provide a final determination on a referral made by the Center within 1 year of referral, or by the centralized facilities referred to in section 3.7(e) of this order within 3 years of referral, its equities in the referred records shall be automatically declassified.

(C) If any disagreement arises between affected agencies and the Center regarding the referral review period, the Director of the Information Security Oversight Office shall determine the appropriate period of review of referred records.

(D) Referrals identified prior to the establishment of the Center by section 3.7 of this order shall be subject to automatic declassification only in accordance with subparagraphs (d)(3)(A)–(C) of this section.

(4) After consultation with the Director of the Information Security Oversight Office, an agency head may delay automatic declassification for up to 3 years from the date of discovery of classified records that were inadvertently not reviewed prior to the effective date of automatic declassification.

(e) Information exempted from automatic declassification under this section shall remain subject to the mandatory and systematic declassification review provisions of this order.

(f) The Secretary of State shall determine when the United States should commence negotiations with the appropriate officials of a foreign government or international organization of governments to modify any treaty or international agreement that requires the classification of information contained in records affected by this section for a period longer than 25 years from the date of its creation, unless the treaty or international agreement pertains to information that may otherwise remain classified beyond 25 years under this section.

(g) The Secretary of Energy shall determine when information concerning foreign nuclear programs that was removed from the Restricted Data category in order to carry out provisions of the National Security Act of 1947, as amended, may be declassified. Unless otherwise determined, such information shall be declassified when comparable information concerning the United States nuclear program is declassified.

(h) Not later than 3 years from the effective date of this order, all records exempted from automatic declassification under paragraphs (b) and (c) of this section shall be automatically declassified on December 31 of a year that is no more than 50 years from the date of origin, subject to the following:

(1) Records that contain information the release of which should clearly and demonstrably be expected to reveal the following are exempt from automatic declassification at 50 years:

(A) the identity of a confidential human source or a human intelligence source; or

(B) key design concepts of weapons of mass destruction.

(2) In extraordinary cases, agency heads may, within 5 years of the onset of automatic declassification, propose to exempt additional specific information from declassification at 50 years.

(3) Records exempted from automatic declassification under this paragraph shall be automatically declassified on December 31 of a year that is no more than 75 years from the date of origin unless an agency head, within 5 years of that date, proposes to exempt specific information from declassification at 75 years and the proposal is formally approved by the Panel.

(i) Specific records exempted from automatic declassification prior to the establishment of the Center described in section 3.7 of this order shall be subject to the provisions of paragraph (h) of this section in a scheduled and prioritized manner determined by the Center.

(j) At least 1 year before information is subject to automatic declassification under this section, an agency head or senior agency official shall notify the Director of the Information Security Oversight Office, serving as Executive Secretary of the Panel, of any specific information that the agency proposes to

exempt from automatic declassification under paragraphs (b) and (h) of this section.

(1) The notification shall include:

(A) a detailed description of the information, either by reference to information in specific records or in the form of a declassification guide;

(B) an explanation of why the information should be exempt from automatic declassification and must remain classified for a longer period of time; and

(C) a specific date or a specific and independently verifiable event for automatic declassification of specific records that contain the information proposed for exemption.

(2) The Panel may direct the agency not to exempt the information or to declassify it at an earlier date than recommended. An agency head may appeal such a decision to the President through the National Security Advisor. The information will remain classified while such an appeal is pending.

(k) For information in a file series of records determined not to have permanent historical value, the duration of classification beyond 25 years shall be the same as the disposition (destruction) date of those records in each Agency Records Control Schedule or General Records Schedule, although the duration of classification shall be extended if the record has been retained for business reasons beyond the scheduled disposition date.

SEC. 3.4. SYSTEMATIC DECLASSIFICATION REVIEW.

(a) Each agency that has originated classified information under this order or its predecessors shall establish and conduct a program for systematic declassification review for records of permanent historical value exempted from automatic declassification under section 3.3 of this order. Agencies shall prioritize their review of such records in accordance with priorities established by the Center.

(b) The Archivist shall conduct a systematic declassification review program for classified records:

(1) accessioned into the National Archives;

(2) transferred to the Archivist pursuant to 44 U.S.C. 2203; and

(3) for which the National Archives serves as the custodian for an agency or organization that has gone out of existence.

SEC. 3.5. MANDATORY DECLASSIFICATION REVIEW.

(a) Except as provided in paragraph (b) of this section, all information classified under this order or predecessor orders shall be subject to a review for declassification by the originating agency if:

- (1) the request for a review describes the document or material containing the information with sufficient specificity to enable the agency to locate it with a reasonable amount of effort;
- (2) the document or material containing the information responsive to the request is not contained within an operational file exempted from search and review, publication, and disclosure under 5 U.S.C. 552 in accordance with law; and
- (3) the information is not the subject of pending litigation.

(b) Information originated by the incumbent President or the incumbent Vice President; the incumbent President's White House Staff or the incumbent Vice President's Staff; committees, commissions, or boards appointed by the incumbent President; or other entities within the Executive Office of the President that solely advise and assist the incumbent President is exempted from the provisions of paragraph (a) of this section. However, the Archivist shall have the authority to review, downgrade, and declassify papers or records of former Presidents and Vice Presidents under the control of the Archivist pursuant to 44 U.S.C. 2107, 2111, 2111 note, or 2203. Review procedures developed by the Archivist shall provide for consultation with agencies having primary subject matter interest and shall be consistent with the provisions of applicable laws or lawful agreements that pertain to the respective Presidential papers or records. Agencies with primary subject matter interest shall be notified promptly of the archivist's decision. Any final decision by the Archivist may be appealed by the requester or an agency to the Panel. The information shall remain classified pending a prompt decision on the appeal.

(c) Agencies conducting a mandatory review for declassification shall declassify information that no longer meets the standards for classification under this order. They shall release this information unless withholding is otherwise authorized and warranted under applicable law.

(d) If an agency has reviewed the requested information for declassification within the past 2 years, the agency need not conduct another review and may instead inform the requester of this fact and the prior review decision and advise the requester of appeal rights provided under subsection (e) of this section.

(e) In accordance with directives issued pursuant to this order, agency heads shall develop procedures to process requests for the mandatory review of classified information. These procedures shall apply to information classified under this or predecessor orders. They also shall provide a means for administratively

appealing a denial of a mandatory review request, and for notifying the requester of the right to appeal a final agency decision to the Panel.

(f) After consultation with affected agencies, the Secretary of Defense shall develop special procedures for the review of cryptologic information; the Director of National Intelligence shall develop special procedures for the review of information pertaining to intelligence sources, methods, and activities; and the Archivist shall develop special procedures for the review of information accessioned into the National Archives.

(g) Documents required to be submitted for prepublication review or other administrative process pursuant to an approved nondisclosure agreement are not covered by this section.

(h) This section shall not apply to any request for a review made to an element of the Intelligence Community that is made by a person other than an individual as that term is defined by 5 U.S.C. 552a(a)(2), or by a foreign government entity or any representative thereof.

SEC. 3.6. PROCESSING REQUESTS AND REVIEWS.

Notwithstanding section 4.1(i) of this order, in response to a request for information under the Freedom of Information Act, the Presidential Records Act, the Privacy Act of 1974, or the mandatory review provisions of this order:

(a) An agency may refuse to confirm or deny the existence or nonexistence of requested records whenever the fact of their existence or nonexistence is itself classified under this order or its predecessors.

(b) When an agency receives any request for documents in its custody that contain classified information that originated with other agencies or the disclosure of which would affect the interests or activities of other agencies with respect to the classified information, or identifies such documents in the process of implementing sections 3.3 or 3.4 of this order, it shall refer copies of any request and the pertinent documents to the originating agency for processing and may, after consultation with the originating agency, inform any requester of the referral unless such association is itself classified under this order or its predecessors. In cases in which the originating agency determines in writing that a response under paragraph (a) of this section is required, the referring agency shall respond to the requester in accordance with that paragraph.

(c) Agencies may extend the classification of information in records determined not to have permanent historical value or nonrecord materials, including artifacts, beyond the time frames established in sections 1.5(b) and 2.2(f) of this order, provided:

- (1) the specific information has been approved pursuant to section 3.3(j) of this order for exemption from automatic declassification; and

(2) the extension does not exceed the date established in section 3.3(j) of this order.

SEC. 3.7. NATIONAL DECLASSIFICATION CENTER.

(a) There is established within the National Archives a National Declassification Center to streamline declassification processes, facilitate quality-assurance measures, and implement standardized training regarding the declassification of records determined to have permanent historical value. There shall be a Director of the Center who shall be appointed or removed by the Archivist in consultation with the Secretaries of State, Defense, Energy, and Homeland Security, the Attorney General, and the Director of National Intelligence.

(b) Under the administration of the Director, the Center shall coordinate:

(1) timely and appropriate processing of referrals in accordance with section 3.3(d)(3) of this order for accessioned Federal records and transferred presidential records.

(2) general interagency declassification activities necessary to fulfill the requirements of sections 3.3 and 3.4 of this order;

(3) the exchange among agencies of detailed declassification guidance to enable the referral of records in accordance with section 3.3(d)(3) of this order;

(4) the development of effective, transparent, and standard declassification work processes, training, and quality assurance measures;

(5) the development of solutions to declassification challenges posed by electronic records, special media, and emerging technologies;

(6) the linkage and effective utilization of existing agency databases and the use of new technologies to document and make public declassification review decisions and support declassification activities under the purview of the Center; and

(7) storage and related services, on a reimbursable basis, for Federal records containing classified national security information.

(c) Agency heads shall fully cooperate with the Archivist in the activities of the Center and shall:

(1) provide the Director with adequate and current declassification guidance to enable the referral of records in accordance with section 3.3(d)(3) of this order; and

(2) upon request of the Archivist, assign agency personnel to the Center who shall be delegated authority by the agency head to review and exempt or declassify information originated by their agency contained in records accessioned into the National Archives, after consultation with subject matter experts as necessary.

- (d) The Archivist, in consultation with representatives of the participants in the Center and after input from the general public, shall develop priorities for declassification activities under the purview of the Center that take into account the degree of researcher interest and the likelihood of declassification.
- (e) Agency heads may establish such centralized facilities and internal operations to conduct internal declassification reviews as appropriate to achieve optimized records management and declassification business processes. PART 4—SAFEGUARDING

- (a) A person may have access to classified information provided that:
 - (1) a favorable determination of eligibility for access has been made by an agency head or the agency head's designee;
 - (2) the person has signed an approved nondisclosure agreement; and
 - (3) the person has a need-to-know the information.
- (b) Every person who has met the standards for access to classified information in paragraph (a) of this section shall receive contemporaneous training on the proper safeguarding of classified information and on the criminal, civil, and administrative sanctions that may be imposed on an individual who fails to protect classified information from unauthorized disclosure.
- (c) An official or employee leaving agency service may not remove classified information from the agency's control or direct that information be declassified in order to remove it from agency control.

- (e) Persons authorized to disseminate classified information outside the executive branch shall ensure the protection of the information in a manner equivalent to that provided within the executive branch.
- (f) Consistent with law, executive orders, directives, and regulations, an agency head or senior agency official or, with respect to the Intelligence Community, the Director of National Intelligence, shall establish uniform procedures to ensure that automated information systems, including networks and telecommunications systems, that collect, create, communicate, compute, disseminate, process, or store classified information:

 - (2) ensure the integrity of the information; and
 - (3) to the maximum extent practicable, use:
 - (A) common information technology standards, protocols, and interfaces that maximize the availability of, and access to, the information in a form and manner that facilitates its authorized use; and
 - (B) standardized electronic formats to maximize the accessibility of information to persons who meet the criteria set forth in section 4.1(a) of this order.
- (g) Consistent with law, executive orders, directives, and regulations, each agency head or senior agency official, or with respect to the Intelligence Community, the Director of National Intelligence, shall establish controls to ensure that classified information is used, processed, stored, reproduced, transmitted, and destroyed under conditions that provide adequate protection and prevent access by unauthorized persons.
- (h) Consistent with directives issued pursuant to this order, an agency shall safeguard foreign government information under standards that provide a degree of protection at least equivalent to that required by the government or international organization of governments that furnished the information. When adequate to achieve equivalency, these standards may be less restrictive than the safeguarding standards that ordinarily apply to U.S. "Confidential" information, including modified handling and transmission and allowing access to individuals with a need-to-know who have not otherwise been cleared for access to classified information or executed an approved nondisclosure agreement.
- (i)(1) Classified information originating in one agency may be disseminated to another agency or U.S. entity by any agency to which it has been made available without the consent of the originating agency, as long as the criteria for access under section 4.1(a) of this order are met, unless the originating agency has determined that prior authorization is required for such dissemination and has

marked or indicated such requirement on the medium containing the classified information in accordance with implementing directives issued pursuant to this order.

(2) Classified information originating in one agency may be disseminated by any other agency to which it has been made available to a foreign government in accordance with statute, this order, directives implementing this order, direction of the President, or with the consent of the originating agency. For the purposes of this section, “foreign government” includes any element of a foreign government, or an international organization of governments, or any element thereof.

(3) Documents created prior to the effective date of this order shall not be disseminated outside any other agency to which they have been made available without the consent of the originating agency. An agency head or senior agency official may waive this requirement for specific information that originated within that agency.

(5) Prior consent of the originating agency is not required when referring records for declassification review that contain information originating in more than one agency.

SEC. 4.2. DISTRIBUTION CONTROLS.

(b) In an emergency, when necessary to respond to an imminent threat to life or in defense of the homeland, the agency head or any designee may authorize the disclosure of classified information (including information marked pursuant to section 4.1(i)(1) of this order) to an individual or individuals who are otherwise not eligible for access. Such actions shall be taken only in accordance with directives implementing this order and any procedure issued by agencies governing the classified information, which shall be designed to minimize the classified information that is disclosed under these circumstances and the number of individuals who receive it. Information disclosed under this provision or implementing directives and procedures shall not be deemed declassified as a result of such disclosure or subsequent use by a recipient. Such disclosures shall be reported promptly to the originator of the classified information. For purposes of this section, the Director of National Intelligence may issue an implementing

directive governing the emergency disclosure of classified intelligence information.

(c) Each agency shall update, at least annually, the automatic, routine, or recurring distribution mechanism for classified information that it distributes. Recipients shall cooperate fully with distributors who are updating distribution lists and shall notify distributors whenever a relevant change in status occurs.

Unless otherwise authorized by the President, only the Secretaries of State, Defense, Energy, and Homeland Security, the Attorney General, and the Director of National Intelligence, or the principal deputy of each, may create a special access program. For special access programs pertaining to intelligence sources, methods, and activities (but not including military operational, strategic, and tactical programs), this function shall be exercised by the Director of National Intelligence. These officials shall keep the number of these programs at an absolute minimum, and shall establish them only when the program is required by statute or upon a specific finding that:

- (1) the vulnerability of, or threat to, specific information is exceptional; and
- (2) the normal criteria for determining eligibility for access applicable to information classified at the same level are not deemed sufficient to protect the information from unauthorized disclosure.

(b) REQUIREMENTS AND LIMITATIONS.

- (1) Special access programs shall be limited to programs in which the number of persons who ordinarily will have access will be reasonably small and commensurate with the objective of providing enhanced protection for the information involved.
- (2) Each agency head shall establish and maintain a system of accounting for special access programs consistent with directives issued pursuant to this order.
- (3) Special access programs shall be subject to the oversight program established under section 5.4(d) of this order. In addition, the Director of the Information Security Oversight Office shall be afforded access to these programs, in accordance with the security requirements of each program, in order to perform the functions assigned to the Information Security Oversight Office under this order. An agency head may limit access to a special access program to the Director of the Information Security Oversight Office and no more than one other employee of the Information Security Oversight Office or, for special access programs that are extraordinarily sensitive and vulnerable, to the Director only.

(4) The agency head or principal deputy shall review annually each special access program to determine whether it continues to meet the requirements of this order.

(5) Upon request, an agency head shall brief the National Security Advisor, or a designee, on any or all of the agency's special access programs.

(6) For the purposes of this section, the term "agency head" refers only to the Secretaries of State, Defense, Energy, and Homeland Security, the Attorney General, and the Director of National Intelligence, or the principal deputy of each.

(c) Nothing in this order shall supersede any requirement made by or under 10 U.S.C. 119.

SEC. 4.4. ACCESS BY HISTORICAL RESEARCHERS AND CERTAIN FORMER GOVERNMENT PERSONNEL.

(1) are engaged in historical research projects;

(2) previously have occupied senior policy-making positions to which they were appointed or designated by the President or the Vice President; or

(3) served as President or Vice President.

(b) Waivers under this section may be granted only if the agency head or senior agency official of the originating agency:

(1) determines in writing that access is consistent with the interest of the national security;

(2) takes appropriate steps to protect classified information from unauthorized disclosure or compromise, and ensures that the information is safeguarded in a manner consistent with this order; and

(3) limits the access granted to former Presidential appointees or designees and Vice Presidential appointees or designees to items that the person originated, reviewed, signed, or received while serving as a Presidential or Vice Presidential appointee or designee.

If granting access to specific categories of classified information would pose an exceptional national security risk, the affected agency head or the senior agency official shall submit a written justification recommending the denial of access to the President through the National Security Advisor within 60 days of the request for access. Access shall be denied pending the response;
- (5) review requests for original classification authority from agencies or officials not granted original classification authority and, if deemed

Panel decisions are committed to the discretion of the Panel, unless changed by the President.

SECTION 1. POLICY.

Repeated cyber intrusions into critical infrastructure demonstrate the need for improved cybersecurity. The cyber threat to critical infrastructure continues to grow and represents one of the most serious national security challenges we must confront. The national and economic security of the United States depends on the reliable functioning of the Nation's critical infrastructure in the face of such threats. It is the policy of the United States to enhance the security and resilience of the Nation's critical infrastructure and to maintain a cyber environment that encourages efficiency, innovation, and economic prosperity while promoting safety, security, business confidentiality, privacy, and civil liberties. We can achieve these goals through a partnership with the owners and operators of critical infrastructure to improve cybersecurity information sharing and collaboratively develop and implement risk-based standards.

SEC. 2. CRITICAL INFRASTRUCTURE.

As used in this order, the term critical infrastructure means systems and assets, whether physical or virtual, so vital to the United States that the incapacity or destruction of such systems and assets would have a debilitating impact on security, national economic security, national public health or safety, or any combination of those matters.

SEC. 3. POLICY COORDINATION.

Policy coordination, guidance, dispute resolution, and periodic in-progress reviews for the functions and programs described and assigned herein shall be provided through the interagency process established in Presidential Policy Directive-1 of February 13, 2009 (Organization of the National Security Council System), or any successor.

SEC. 4. CYBERSECURITY INFORMATION SHARING.

(a) It is the policy of the United States Government to increase the volume, timeliness, and quality of cyber threat information shared with U.S. private

CYBERSECURITY

sector entities so that these entities may better protect and defend themselves against cyber threats. Within 120 days of the date of this order, the Attorney General, the Secretary of Homeland Security (the “Secretary”), and the Director of National Intelligence shall each issue instructions consistent with their authorities and with the requirements of section 12(c) of this order to ensure the timely production of unclassified reports of cyber threats to the U.S. homeland that identify a specific targeted entity. The instructions shall address the need to protect intelligence and law enforcement sources, methods, operations, and investigations.

(b) The Secretary and the Attorney General, in coordination with the Director of National Intelligence, shall establish a process that rapidly disseminates the reports produced pursuant to section 4(a) of this order to the targeted entity. Such process shall also, consistent with the need to protect national security information, include the dissemination of classified reports to critical infrastructure entities authorized to receive them. The Secretary and the Attorney General, in coordination with the Director of National Intelligence, shall establish a system for tracking the production, dissemination, and disposition of these reports.

(c) To assist the owners and operators of critical infrastructure in protecting their systems from unauthorized access, exploitation, or harm, the Secretary, consistent with 6 U.S.C. 143 and in collaboration with the Secretary of Defense, shall, within 120 days of the date of this order, establish procedures to expand the Enhanced Cybersecurity Services program to all critical infrastructure sectors. This voluntary information sharing program will provide classified cyber threat and technical information from the Government to eligible critical infrastructure companies or commercial service providers that offer security services to critical infrastructure.

(d) The Secretary, as the Executive Agent for the Classified National Security Information Program created under Executive Order 13549 of August 18, 2010 (Classified National Security Information Program for State, Local, Tribal, and Private Sector Entities), shall expedite the processing of security clearances to appropriate personnel employed by critical infrastructure owners and operators, prioritizing the critical infrastructure identified in section 9 of this order.

(e) In order to maximize the utility of cyber threat information sharing with the private sector, the Secretary shall expand the use of programs that bring private sector subject-matter experts into Federal service on a temporary basis. These subject matter experts should provide advice regarding the content, structure, and types of information most useful to critical infrastructure owners and operators in reducing and mitigating cyber risks.

SEC. 5. PRIVACY AND CIVIL LIBERTIES PROTECTIONS.

(a) Agencies shall coordinate their activities under this order with their senior agency officials for privacy and civil liberties and ensure that privacy and civil liberties protections are incorporated into such activities. Such protections shall be based upon the Fair Information Practice Principles and other privacy and civil liberties policies, principles, and frameworks as they apply to each agency's activities.

(b) The Chief Privacy Officer and the Officer for Civil Rights and Civil Liberties of the Department of Homeland Security (DHS) shall assess the privacy and civil liberties risks of the functions and programs undertaken by DHS as called for in this order and shall recommend to the Secretary ways to minimize or mitigate such risks, in a publicly available report, to be released within 1 year of the date of this order. Senior agency privacy and civil liberties officials for other agencies engaged in activities under this order shall conduct assessments of their agency activities and provide those assessments to DHS for consideration and inclusion in the report. The report shall be reviewed on an annual basis and revised as necessary. The report may contain a classified annex if necessary. Assessments shall include evaluation of activities against the Fair Information Practice Principles and other applicable privacy and civil liberties policies, principles, and frameworks. Agencies shall consider the assessments and recommendations of the report in implementing privacy and civil liberties protections for agency activities.

(c) In producing the report required under subsection (b) of this section, the Chief Privacy Officer and the Officer for Civil Rights and Civil Liberties of DHS shall consult with the Privacy and Civil Liberties Oversight Board and coordinate with the Office of Management and Budget (OMB).

(d) Information submitted voluntarily in accordance with 6 U.S.C. 133 by private entities under this order shall be protected from disclosure to the fullest extent permitted by law.

SEC. 6. CONSULTATIVE PROCESS.

The Secretary shall establish a consultative process to coordinate improvements to the cybersecurity of critical infrastructure. As part of the consultative process, the Secretary shall engage and consider the advice, on matters set forth in this order, of the Critical Infrastructure Partnership Advisory Council; Sector Coordinating Councils; critical infrastructure owners and operators; Sector-Specific Agencies; other relevant agencies; independent regulatory agencies; State, local, territorial, and tribal governments; universities; and outside experts.

SEC. 7. BASELINE FRAMEWORK TO REDUCE CYBER RISK TO CRITICAL
INFRASTRUCTURE.

(a) The Secretary of Commerce shall direct the Director of the National Institute of Standards and Technology (the “Director”) to lead the development of a framework to reduce cyber risks to critical infrastructure (the “Cybersecurity Framework”). The Cybersecurity Framework shall include a set of standards, methodologies, procedures, and processes that align policy, business, and technological approaches to address cyber risks. The Cybersecurity Framework shall incorporate voluntary consensus standards and industry best practices to the fullest extent possible. The Cybersecurity Framework shall be consistent with voluntary international standards when such international standards will advance the objectives of this order, and shall meet the requirements of the National Institute of Standards and Technology Act, as amended (15 U.S.C. 271 et seq.), the National Technology Transfer and Advancement Act of 1995 (Public Law 104-113), and OMB Circular A-119, as revised.

(b) The Cybersecurity Framework shall provide a prioritized, flexible, repeatable, performance-based, and cost-effective approach, including information security measures and controls, to help owners and operators of critical infrastructure identify, assess, and manage cyber risk. The Cybersecurity Framework shall focus on identifying cross-sector security standards and guidelines applicable to critical infrastructure. The Cybersecurity Framework will also identify areas for improvement that should be addressed through future collaboration with particular sectors and standards-developing organizations. To enable technical innovation and account for organizational differences, the Cybersecurity Framework will provide guidance that is technology neutral and that enables critical infrastructure sectors to benefit from a competitive market for products and services that meet the standards, methodologies, procedures, and processes developed to address cyber risks. The Cybersecurity Framework shall include guidance for measuring the performance of an entity in implementing the Cybersecurity Framework.

(c) The Cybersecurity Framework shall include methodologies to identify and mitigate impacts of the Cybersecurity Framework and associated information security measures or controls on business confidentiality, and to protect individual privacy and civil liberties.

(d) In developing the Cybersecurity Framework, the Director shall engage in an open public review and comment process. The Director shall also consult with the Secretary, the National Security Agency, Sector-Specific Agencies and other interested agencies including OMB, owners and operators of critical infrastructure, and other stakeholders through the consultative process

CYBERSECURITY

established in section 6 of this order. The Secretary, the Director of National Intelligence, and the heads of other relevant agencies shall provide threat and vulnerability information and technical expertise to inform the development of the Cybersecurity Framework. The Secretary shall provide performance goals for the Cybersecurity Framework informed by work under section 9 of this order.

(e) Within 240 days of the date of this order, the Director shall publish a preliminary version of the Cybersecurity Framework (the “preliminary Framework”). Within 1 year of the date of this order, and after coordination with the Secretary to ensure suitability under section 8 of this order, the Director shall publish a final version of the Cybersecurity Framework (the “final Framework”).

(f) Consistent with statutory responsibilities, the Director will ensure the Cybersecurity Framework and related guidance is reviewed and updated as necessary, taking into consideration technological changes, changes in cyber risks, operational feedback from owners and operators of critical infrastructure, experience from the implementation of section 8 of this order, and any other relevant factors.

SEC. 8. VOLUNTARY CRITICAL INFRASTRUCTURE CYBERSECURITY PROGRAM.

(a) The Secretary, in coordination with Sector-Specific Agencies, shall establish a voluntary program to support the adoption of the Cybersecurity Framework by owners and operators of critical infrastructure and any other interested entities (the “Program”).

(b) Sector-Specific Agencies, in consultation with the Secretary and other interested agencies, shall coordinate with the Sector Coordinating Councils to review the Cybersecurity Framework and, if necessary, develop implementation guidance or supplemental materials to address sector-specific risks and operating environments.

(c) Sector-Specific Agencies shall report annually to the President, through the Secretary, on the extent to which owners and operators notified under section 9 of this order are participating in the Program.

(d) The Secretary shall coordinate establishment of a set of incentives designed to promote participation in the Program. Within 120 days of the date of this order, the Secretary and the Secretaries of the Treasury and Commerce each shall make recommendations separately to the President, through the Assistant to the President for Homeland Security and Counterterrorism and the Assistant to the President for Economic Affairs, that shall include analysis of the benefits and relative effectiveness of such incentives, and whether the incentives would

CYBERSECURITY

require legislation or can be provided under existing law and authorities to participants in the Program.

(e) Within 120 days of the date of this order, the Secretary of Defense and the Administrator of General Services, in consultation with the Secretary and the Federal Acquisition Regulatory Council, shall make recommendations to the President, through the Assistant to the President for Homeland Security and Counterterrorism and the Assistant to the President for Economic Affairs, on the feasibility, security benefits, and relative merits of incorporating security standards into acquisition planning and contract administration. The report shall address what steps can be taken to harmonize and make consistent existing procurement requirements related to cybersecurity.

SEC. 9. IDENTIFICATION OF CRITICAL INFRASTRUCTURE AT GREATEST RISK.

(a) Within 150 days of the date of this order, the Secretary shall use a risk-based approach to identify critical infrastructure where a cybersecurity incident could reasonably result in catastrophic regional or national effects on public health or safety, economic security, or national security. In identifying critical infrastructure for this purpose, the Secretary shall use the consultative process established in section 6 of this order and draw upon the expertise of Sector-Specific Agencies. The Secretary shall apply consistent, objective criteria in identifying such critical infrastructure. The Secretary shall not identify any commercial information technology products or consumer information technology services under this section. The Secretary shall review and update the list of identified critical infrastructure under this section on an annual basis, and provide such list to the President, through the Assistant to the President for Homeland Security and Counterterrorism and the Assistant to the President for Economic Affairs.

(b) Heads of Sector-Specific Agencies and other relevant agencies shall provide the Secretary with information necessary to carry out the responsibilities under this section. The Secretary shall develop a process for other relevant stakeholders to submit information to assist in making the identifications required in subsection (a) of this section.

(c) The Secretary, in coordination with Sector-Specific Agencies, shall confidentially notify owners and operators of critical infrastructure identified under subsection (a) of this section that they have been so identified, and ensure identified owners and operators are provided the basis for the determination. The Secretary shall establish a process through which owners and operators of critical infrastructure may submit relevant information and request reconsideration of identifications under subsection (a) of this section.

CYBERSECURITY

SEC. 10. ADOPTION OF FRAMEWORK.

(a) Agencies with responsibility for regulating the security of critical infrastructure shall engage in a consultative process with DHS, OMB, and the National Security Staff to review the preliminary Cybersecurity Framework and determine if current cybersecurity regulatory requirements are sufficient given current and projected risks. In making such determination, these agencies shall consider the identification of critical infrastructure required under section 9 of this order. Within 90 days of the publication of the preliminary Framework, these agencies shall submit a report to the President, through the Assistant to the President for Homeland Security and Counterterrorism, the Director of OMB, and the Assistant to the President for Economic Affairs, that states whether or not the agency has clear authority to establish requirements based upon the Cybersecurity Framework to sufficiently address current and projected cyber risks to critical infrastructure, the existing authorities identified, and any additional authority required.

(b) If current regulatory requirements are deemed to be insufficient, within 90 days of publication of the final Framework, agencies identified in subsection (a) of this section shall propose prioritized, risk-based, efficient, and coordinated actions, consistent with Executive Order 12866 of September 30, 1993 (Regulatory Planning and Review), Executive Order 13563 of January 18, 2011 (Improving Regulation and Regulatory Review), and Executive Order 13609 of May 1, 2012 (Promoting International Regulatory Cooperation), to mitigate cyber risk.

(c) Within 2 years after publication of the final Framework, consistent with Executive Order 13563 and Executive Order 13610 of May 10, 2012 (Identifying and Reducing Regulatory Burdens), agencies identified in subsection (a) of this section shall, in consultation with owners and operators of critical infrastructure, report to OMB on any critical infrastructure subject to ineffective, conflicting, or excessively burdensome cybersecurity requirements. This report shall describe efforts made by agencies, and make recommendations for further actions, to minimize or eliminate such requirements.

(d) The Secretary shall coordinate the provision of technical assistance to agencies identified in subsection (a) of this section on the development of their cybersecurity workforce and programs.

(e) Independent regulatory agencies with responsibility for regulating the security of critical infrastructure are encouraged to engage in a consultative process with the Secretary, relevant Sector-Specific Agencies, and other affected parties to consider prioritized actions to mitigate cyber risks for critical infrastructure consistent with their authorities.

**PRESIDENTIAL POLICY DIRECTIVE – SIGNALS INTELLIGENCE
ACTIVITIES**

THE WHITE HOUSE

Office of the Press Secretary

For Immediate Release

January 17, 2014

PRESIDENTIAL POLICY DIRECTIVE/PPD-28

SUBJECT: Signals Intelligence Activities

The United States, like other nations, has gathered intelligence throughout its history to ensure that national security and foreign policy decision makers have access to timely, accurate, and insightful information.

The collection of signals intelligence is necessary for the United States to advance its national security and foreign policy interests and to protect its citizens and the citizens of its allies and partners from harm. At the same time, signals intelligence activities and the possibility that such activities may be improperly disclosed to the public pose multiple risks. These include risks to: our relationships with other nations, including the cooperation we receive from other nations on law enforcement, counterterrorism, and other issues; our commercial, economic, and financial interests, including a potential loss of international trust in U.S. firms and the decreased willingness of other nations to participate in international data sharing, privacy, and regulatory regimes; the credibility of our commitment to an open, interoperable, and secure global Internet; and the protection of intelligence sources and methods.

In addition, our signals intelligence activities must take into account that all persons should be treated with dignity and respect, regardless of their nationality or wherever they might reside, and that all persons have legitimate privacy interests in the handling of their personal information.

In determining why, whether, when, and how the United States conducts signals intelligence activities, we must weigh all of these considerations in a context in which information and communications technologies are constantly changing. The evolution of technology has created a world where communications important to our national security and the communications all of us make as part

of our daily lives are transmitted through the same channels. This presents new and diverse opportunities for, and challenges with respect to, the collection of intelligence – and especially signals intelligence. The United States Intelligence Community (IC) has achieved remarkable success in developing enhanced capabilities to perform its signals intelligence mission in this rapidly changing world, and these enhanced capabilities are a major reason we have been able to adapt to a dynamic and challenging security environment.¹ The United States must preserve and continue to develop a robust and technologically advanced signals intelligence capability to protect our security and that of our partners and allies. Our signals intelligence capabilities must also be agile enough to enable us to focus on fleeting opportunities or emerging crises and to address not only the issues of today, but also the issues of tomorrow, which we may not be able to foresee.

Advanced technologies can increase risks, as well as opportunities, however, and we must consider these risks when deploying our signals intelligence capabilities. The IC conducts signals intelligence activities with care and precision to ensure that its collection, retention, use, and dissemination of signals intelligence account for these risks. In light of the evolving technological and geopolitical environment, we must continue to ensure that our signals intelligence policies and practices appropriately take into account our alliances and other partnerships; the leadership role that the United States plays in upholding democratic principles and universal human rights; the increased globalization of trade, investment, and information flows; our commitment to an open, interoperable and secure global Internet; and the legitimate privacy and civil liberties concerns of U.S. citizens and citizens of other nations.

Presidents have long directed the acquisition of foreign intelligence and counterintelligence² pursuant to their constitutional authority to conduct U.S.

¹ For the purposes of this directive, the terms “Intelligence Community” and “elements of the Intelligence Community” shall have the same meaning as they do in Executive Order 12333 of December 4, 1981, as amended (Executive Order 12333).

² For the purposes of this directive, the terms “foreign intelligence” and “counterintelligence” shall have the same meaning as they have in Executive Order 12333. Thus, “foreign intelligence” means “information relating to the capabilities, intentions, or activities of foreign governments or elements thereof, foreign organizations, foreign persons, or international terrorists,” and “counterintelligence” means “information gathered and activities conducted to identify, deceive, exploit, disrupt, or protect against espionage, other intelligence activities, sabotage, or assassinations conducted for or on behalf of foreign powers, organizations, or persons, or their agents, or international terrorist organizations or activities.” Executive Order 12333 further notes that “[i]ntelligence includes foreign intelligence and counterintelligence.”

PRESIDENTIAL POLICY DIRECTIVE 28

foreign relations and to fulfill their constitutional responsibilities as Commander in Chief and Chief Executive. They have also provided direction on the conduct of intelligence activities in furtherance of these authorities and responsibilities, as well as in execution of laws enacted by the Congress. Consistent with this historical practice, this directive articulates principles to guide why, whether, when, and how the United States conducts signals intelligence activities for authorized foreign intelligence and counterintelligence purposes.³

SECTION 1. PRINCIPLES GOVERNING THE COLLECTION OF SIGNALS INTELLIGENCE.

Signals intelligence collection shall be authorized and conducted consistent with the following principles:

- (a) The collection of signals intelligence shall be authorized by statute or Executive Order, proclamation, or other Presidential directive, and undertaken in accordance with the Constitution and applicable statutes, Executive Orders, proclamations, and Presidential directives.
- (b) Privacy and civil liberties shall be integral considerations in the planning of U.S. signals intelligence activities. The United States shall not collect signals intelligence for the purpose of suppressing or burdening criticism or dissent, or for disadvantaging persons based on their ethnicity, race, gender, sexual orientation, or religion. Signals intelligence shall be collected exclusively where there is a foreign intelligence or counterintelligence purpose to support national and departmental missions and not for any other purposes.
- (c) The collection of foreign private commercial information or trade secrets is authorized only to protect the national security of the United States or its partners and allies. It is not an authorized foreign intelligence or counterintelligence purpose to collect such information to afford a competitive advantage⁴ to U.S. companies and U.S. business sectors commercially.

³ Unless otherwise specified, this directive shall apply to signals intelligence activities conducted in order to collect communications or information about communications, except that it shall not apply to signals intelligence activities undertaken to test or develop signals intelligence capabilities.

⁴ Certain economic purposes, such as identifying trade or sanctions violations or government influence or direction, shall not constitute competitive advantage.

(d) Signals intelligence activities shall be as tailored as feasible. In determining whether to collect signals intelligence, the United States shall consider the availability of other information, including from diplomatic and public sources. Such appropriate and feasible alternatives to signals intelligence should be prioritized.

SEC. 2. LIMITATIONS ON THE USE OF SIGNALS INTELLIGENCE COLLECTED IN BULK.

Locating new or emerging threats and other vital national security information is difficult, as such information is often hidden within the large and complex system of modern global communications. The United States must consequently collect signals intelligence in bulk⁵ in certain circumstances in order to identify these threats. Routine communications and communications of national security interest increasingly transit the same networks, however, and the collection of signals intelligence in bulk may consequently result in the collection of information about persons whose activities are not of foreign intelligence or counterintelligence value. The United States will therefore impose new limits on its use of signals intelligence collected in bulk. These limits are intended to protect the privacy and civil liberties of all persons, whatever their nationality and regardless of where they might reside.

In particular, when the United States collects nonpublicly available signals intelligence in bulk, it shall use that data only for the purposes of detecting and countering: (1) espionage and other threats and activities directed by foreign powers or their intelligence services against the United States and its interests; (2) threats to the United States and its interests from terrorism; (3) threats to the United States and its interests from the development, possession, proliferation, or use of weapons of mass destruction; (4) cybersecurity threats; (5) threats to U.S. or allied Armed Forces or other U.S. or allied personnel; and (6) transnational criminal threats, including illicit finance and sanctions evasion related to the other purposes named in this section. In no event may signals intelligence collected in bulk be used for the purpose of suppressing or burdening criticism or dissent; disadvantaging persons based on their ethnicity, race, gender, sexual orientation, or religion; affording a competitive advantage to U.S. companies and

⁵ The limitations contained in this section do not apply to signals intelligence data that is temporarily acquired to facilitate targeted collection. References to signals intelligence collected in “bulk” mean the authorized collection of large quantities of signals intelligence data which, due to technical or operational considerations, is acquired without the use of discriminants (e.g., specific identifiers, selection terms, etc.).

PRESIDENTIAL POLICY DIRECTIVE 28

U.S. business sectors commercially; or achieving any purpose other than those identified in this section.

The Assistant to the President and National Security Advisor (APNSA), in consultation with the Director of National Intelligence (DNI), shall coordinate, on at least an annual basis, a review of the permissible uses of signals intelligence collected in bulk through the National Security Council Principals and Deputies Committee system identified in PPD-1 or any successor document. At the end of this review, I will be presented with recommended additions to or removals from the list of the permissible uses of signals intelligence collected in bulk.

The DNI shall maintain a list of the permissible uses of signals intelligence collected in bulk. This list shall be updated as necessary and made publicly available to the maximum extent feasible, consistent with the national security.

SEC. 3. REFINING THE PROCESS FOR COLLECTING SIGNALS INTELLIGENCE.

U.S. intelligence collection activities present the potential for national security damage if improperly disclosed. Signals intelligence collection raises special concerns, given the opportunities and risks created by the constantly evolving technological and geopolitical environment; the unique nature of such collection and the inherent concerns raised when signals intelligence can only be collected in bulk; and the risk of damage to our national security interests and our law enforcement, intelligence-sharing, and diplomatic relationships should our capabilities or activities be compromised. It is, therefore, essential that national security policymakers consider carefully the value of signals intelligence activities in light of the risks entailed in conducting these activities.

To enable this judgment, the heads of departments and agencies that participate in the policy processes for establishing signals intelligence priorities and requirements shall, on an annual basis, review any priorities or requirements identified by their departments or agencies and advise the DNI whether each should be maintained, with a copy of the advice provided to the APNSA.

Additionally, the classified Annex to this directive, which supplements the existing policy process for reviewing signals intelligence activities, affirms that determinations about whether and how to conduct signals intelligence activities

must carefully evaluate the benefits to our national interests and the risks posed by those activities.⁶

SEC. 4. SAFEGUARDING PERSONAL INFORMATION COLLECTED THROUGH SIGNALS INTELLIGENCE.

All persons should be treated with dignity and respect, regardless of their nationality or wherever they might reside, and all persons have legitimate privacy interests in the handling of their personal information.⁷ U.S. signals intelligence activities must, therefore, include appropriate safeguards for the personal information of all individuals, regardless of the nationality of the individual to whom the information pertains or where that individual resides.⁸

(a) POLICIES AND PROCEDURES. The DNI, in consultation with the Attorney General, shall ensure that all elements of the IC establish policies and procedures that apply the following principles for safeguarding personal information collected from signals intelligence activities. To the maximum extent feasible consistent with the national security, these policies and procedures are to be applied equally to the personal information of all persons, regardless of nationality:⁹

⁶ Section 3 of this directive, and the directive's classified Annex, do not apply to (1) signals intelligence activities undertaken by or for the Federal Bureau of Investigation in support of predicated investigations other than those conducted solely for purposes of acquiring foreign intelligence; or (2) signals intelligence activities undertaken in support of military operations in an area of active hostilities, covert action, or human intelligence operations.

⁷ Departments and agencies shall apply the term "personal information" in a manner that is consistent for U.S. persons and non-U.S. persons. Accordingly, for the purposes of this directive, the term "personal information" shall cover the same types of information covered by "information concerning U.S. persons" under section 2.3 of Executive Order 12333.

⁸ The collection, retention, and dissemination of information concerning "United States persons" is governed by multiple legal and policy requirements, such as those required by the Foreign Intelligence Surveillance Act and Executive Order 12333. For the purposes of this directive, the term "United States person" shall have the same meaning as it does in Executive Order 12333.

⁹ The policies and procedures of affected elements of the IC shall also be consistent with any additional IC policies, standards, procedures, and guidance the DNI, in coordination with the Attorney General, the heads of IC elements, and the heads of any other departments containing such elements, may issue to implement these principles. This directive is not intended to alter the rules applicable to U.S. persons in Executive Order 12333, the Foreign Intelligence Surveillance Act, or other applicable law.

i. MINIMIZATION. The sharing of intelligence that contains personal information is necessary to protect our national security and advance our foreign policy interests, as it enables the United States to coordinate activities across our government. At the same time, however, by setting appropriate limits on such sharing, the United States takes legitimate privacy concerns into account and decreases the risks that personal information will be misused or mishandled. Relatedly, the significance to our national security of intelligence is not always apparent upon an initial review of information: intelligence must be retained for a sufficient period of time for the IC to understand its relevance and use it to meet our national security needs. However, long-term storage of personal information unnecessary to protect our national security is inefficient, unnecessary, and raises legitimate privacy concerns. Accordingly, IC elements shall establish policies and procedures reasonably designed to minimize the dissemination and retention of personal information collected from signals intelligence activities.

- DISSEMINATION: Personal information shall be disseminated only if the dissemination of comparable information concerning U.S. persons would be permitted under section 2.3 of Executive Order 12333.
- RETENTION: Personal information shall be retained only if the retention of comparable information concerning U.S. persons would be permitted under section 2.3 of Executive Order 12333 and shall be subject to the same retention periods as applied to comparable information concerning U.S. persons. Information for which no such determination has been made shall not be retained for more than 5 years, unless the DNI expressly determines that continued retention is in the national security interests of the United States.

Additionally, within 180 days of the date of this directive, the DNI, in coordination with the Attorney General, the heads of other elements of the IC, and the heads of departments and agencies containing other elements of the IC, shall prepare a report evaluating possible additional dissemination and retention safeguards for personal information collected through signals

intelligence, consistent with technical capabilities and operational needs.

ii. DATA SECURITY AND ACCESS. When our national security and foreign policy needs require us to retain certain intelligence, it is vital that the United States take appropriate steps to ensure that any personal information contained within that intelligence is secure. Accordingly, personal information shall be processed and stored under conditions that provide adequate protection and prevent access by unauthorized persons, consistent with the applicable safeguards for sensitive information contained in relevant Executive Orders, proclamations, Presidential directives, IC directives, and associated policies. Access to such personal information shall be limited to authorized personnel with a need to know the information to perform their mission, consistent with the personnel security requirements of relevant Executive Orders, IC directives, and associated policies. Such personnel will be provided appropriate and adequate training in the principles set forth in this directive. These persons may access and use the information consistent with applicable laws and Executive Orders and the principles of this directive; personal information for which no determination has been made that it can be permissibly disseminated or retained under section 4(a)(i) of this directive shall be accessed only in order to make such determinations (or to conduct authorized administrative, security, and oversight functions).

iii. DATA QUALITY. IC elements strive to provide national security policymakers with timely, accurate, and insightful intelligence, and inaccurate records and reporting can not only undermine our national security interests, but also can result in the collection or analysis of information relating to persons whose activities are not of foreign intelligence or counterintelligence value. Accordingly, personal information shall be included in intelligence products only as consistent with applicable IC standards for accuracy and objectivity, as set forth in relevant IC directives. Moreover, while IC elements should apply the IC Analytic Standards as a whole, particular care should be taken to apply standards relating to the quality and reliability of the information, consideration of alternative sources

of information and interpretations of data, and objectivity in performing analysis.

iv. OVERSIGHT. The IC has long recognized that effective oversight is necessary to ensure that we are protecting our national security in a manner consistent with our interests and values. Accordingly, the policies and procedures of IC elements, and departments and agencies containing IC elements, shall include appropriate measures to facilitate oversight over the implementation of safeguards protecting personal information, to include periodic auditing against the standards required by this section.

The policies and procedures shall also recognize and facilitate the performance of oversight by the Inspectors General of IC elements, and departments and agencies containing IC elements, and other relevant oversight entities, as appropriate and consistent with their responsibilities. When a significant compliance issue occurs involving personal information of any person, regardless of nationality, collected as a result of signals intelligence activities, the issue shall, in addition to any existing reporting requirements, be reported promptly to the DNI, who shall determine what, if any, corrective actions are necessary. If the issue involves a non-United States person, the DNI, in consultation with the Secretary of State and the head of the notifying department or agency, shall determine whether steps should be taken to notify the relevant foreign government, consistent with the protection of sources and methods and of U.S. personnel.

(b) UPDATE AND PUBLICATION. Within 1 year of the date of this directive, IC elements shall update or issue new policies and procedures as necessary to implement section 4 of this directive, in coordination with the DNI. To enhance public understanding of, and promote public trust in, the safeguards in place to protect personal information, these updated or newly issued policies and procedures shall be publicly released to the maximum extent possible, consistent with classification requirements.

(c) Within 120 days of the date of this directive, the President's Intelligence Advisory Board shall provide me with a report identifying options for assessing the distinction between metadata and other types of information, and for replacing the "need-to-share" or "need-to-know" models for classified information sharing with a Work-Related Access model.

(d) Within 1 year of the date of this directive, the DNI, in coordination with the heads of relevant elements of the IC and OSTP, shall provide me with a report assessing the feasibility of creating software that would allow the IC more easily to conduct targeted information acquisition rather than bulk collection.

SEC. 6. GENERAL PROVISIONS.

INTELLIGENCE AND FOREIGN COUNTERINTELLIGENCE
INVESTIGATIONS CONDUCTED BY THE
FEDERAL BUREAU OF INVESTIGATION**

OFFICE OF THE ATTORNEY GENERAL
WASHINGTON, D.C. 20530

MEMORANDUM

TO: Director, FBI
Assistant Attorney General, Criminal Division
Counsel for Intelligence Policy
United States Attorneys

FROM: The Attorney General -/S/-John Ashcroft

SUBJECT: Intelligence Sharing Procedures for Foreign Intelligence and
Foreign Counterintelligence Investigations Conducted by the FBI

I. INTRODUCTION AND STATEMENT OF GENERAL PRINCIPLES

Unless otherwise specified by the Attorney General, these procedures apply to foreign intelligence (FI) and foreign counterintelligence (FCI) investigations conducted by the Federal Bureau of Investigations (FBI). They are designed to ensure that FI and FCI investigations are conducted lawfully, particularly in light of requirements imposed by the Foreign Intelligence Surveillance Act (FISA), and to promote the effective coordination and performance of the criminal and counterintelligence functions of the Department of Justice (DOJ). These procedures supersede the procedures adopted by the Attorney General on July 19, 1995 (including the annex concerning the Southern District of New York), the interim measures approved by the Attorney General on January 21, 2000, and the memorandum issued by the Deputy Attorney General on August 6, 2001. Terms used in these procedures shall be interpreted in keeping with definitions contained in FISA. References in these procedures to particular positions or components within the Department of Justice shall apply to any successor position or component.

INTELLIGENCE SHARING PROCEDURES FOR FI AND FCI CONDUCTED BY THE FBI

Prior to the USA Patriot Act, FISA could be used only for the “primary purpose” of obtaining “foreign intelligence information.” The term “foreign intelligence information” was and is defined to include information that is necessary, or relevant, to the ability of the United States to protect against foreign threats to national security, such as attack, sabotage, terrorism, or clandestine intelligence activities. See 50 U.S.C. § 1801(e)(1). Under the primary purpose standard, the government could have a significant law enforcement purpose for using FISA, but only if it was subordinate to the primary foreign intelligence purpose. The USA PATRIOT Act allows FISA to be used for “a significant purpose,” rather than the primary purpose, of obtaining foreign intelligence information. Thus, it allows FISA to be used primarily for a law enforcement purpose, as long as a significant foreign intelligence purpose remains. See U.S.C. § 1804(a)(7)(B), 1823(a)(7)(B).

The Act also expressly authorizes intelligence officers who are using FISA to “consult” with federal law enforcement officers to “coordinate efforts to investigate or protect against” foreign threats to national security. Under this authority, intelligence and law enforcement officers may exchange a full range of information and advice concerning such efforts in FI or FCI investigations, including information and advice designed to preserve or enhance the possibility of a criminal prosecution. The USA Patriot Act provides that such consultation between intelligence and law enforcement officers “shall not” preclude the government’s certification of a significant foreign intelligence purpose or the issuance of a FISA warrant. See 50 U.S.C. §§ 1806(k), 1825(k).

Consistent with the USA Patriot Act and with standards of effective management, all relevant DOJ components, including the Criminal Division, the relevant United States Attorney’s Offices (USAOs), and the Office of Intelligence Policy and Review (OIPR), must be fully informed about the nature, scope, and conduct of all full field FI and FCI investigations, whether or not those investigations involve the use of FISA. Correspondingly, the Attorney General can most effectively direct and control such FI and FCI investigation only if all relevant DOJ components are free to offer advice and make recommendations, both strategic and tactical, about the conduct and goals of the investigations. The overriding need to protect the national security from foreign threats compels a full and free exchange of information and ideas.

INTELLIGENCE SHARING PROCEDURES FOR
FI AND FCI CONDUCTED BY THE FBI

**II. INTELLIGENCE SHARING PROCEDURES CONCERNING
THE CRIMINAL DIVISION**

(A) DISSEMINATING INFORMATION.

The Criminal Division and OIPR shall have access to all information developed in full field FI and FCI investigations except as limited by orders issued by the Foreign Intelligence Surveillance Court, controls imposed by the originator of sensitive material, and restrictions established by the Attorney General or the Deputy Attorney General in particular cases. See 50 U.S.C §§1801 (h), 1806 (a), 1825 (a).

The FBI shall keep the Criminal Division and OIPR apprised of all information developed in full field FI and FCI investigations that is necessary to the ability of the United States to investigate or protect against foreign attack, sabotage, terrorism, and clandestine intelligence activities, subject to the limits set forth above. Relevant information includes both foreign intelligence information and information concerning a crime which has been, is being, or is about to be committed. The Criminal Division and OIPR must have access to this information to ensure the ability of the United States to coordinate efforts to investigate and protect against foreign threats to national security, including protection against such threats through criminal investigation and prosecution, and in keeping with the need of the United States to obtain, produce, and disseminate foreign intelligence information. See 50 U.S.C. §§ 1801(h)(1), 1806(k), 1825(k).

The FBI shall also keep the Criminal Division and OIPR apprised of information developed in full field FI and FCI investigations that concerns any crime which has been, is being, or is about to be committed. See U.S.C § 1801(h)(3).

As part of its responsibility under the preceding paragraphs, the FBI shall provide to the Criminal Division and OIPR copies of annual Letterhead Memoranda (or successor summary documents) in all full field FI and FCI investigation, and shall make available to the Criminal Division and OIPR relevant information from investigative files, as appropriate. The Criminal Division shall adhere to any reasonable conditions on the storage and disclosure of such documents and information that the FBI or OIPR may require.

INTELLIGENCE SHARING PROCEDURES FOR FI AND FCI CONDUCTED BY THE FBI

All information acquired pursuant to a FISA electronic surveillance or physical search that is disseminated to the Criminal Division shall be accompanied by a statement that such information, or any information derived therefrom, may only be used in any criminal proceeding (including search and arrest warrant affidavits and grand jury subpoenas and proceedings) with the advance authorization of the Attorney General. See 50 U.S.C. §§ 1806(b), 1825(c).

(B) PROVIDING ADVICE.

The FBI, the Criminal Division, and OIPR shall consult with one another concerning full field FI and FCI investigations except as limited by these procedures, orders issued by the Foreign Intelligence Surveillance Court, and restrictions established by the Attorney General or the Deputy Attorney General in particular cases.

Consultations may include the exchange of advice and recommendations on all issues necessary to the ability of the United States to investigate or protect against foreign attack, sabotage, terrorism, and clandestine intelligence activities, including protection against the foregoing through criminal investigations and prosecution, subject to the limits set forth above. Relevant issues include, but are not limited to, the strategy and goals for the investigation; the law enforcement and intelligence methods to be used in conducting the investigation; the interaction between intelligence and law enforcement components as part of the investigation; and the initiation, operation, continuation, or expansion of FISA searches or surveillance. Such consultations are necessary to the ability of the United States to coordinate efforts to investigate and protect against foreign threats to national security as set forth in 50 U.S.C. §§ 1806(k), 1825(k).

The FBI, the Criminal Division, and OIPR shall meet regularly to conduct consultations. Consultations may also be conducted directly between two or more components at any time. Disagreements arising from consultations may be presented to the Deputy Attorney General or the Attorney General for resolution.

III. INTELLIGENCE SHARING PROCEDURES CONCERNING A USAO

With respect to FI or FCI investigation involving international terrorism, the relevant USAOs shall receive information and engage in consultations to the same extent as the Criminal Division under Parts II.A and II.B of these procedures. Thus, the relevant USAOs shall have access to information

INTELLIGENCE SHARING PROCEDURES FOR
FI AND FCI CONDUCTED BY THE FBI

developed in full field investigations, shall be kept apprised of information necessary to protect national security, shall be kept apprised of information concerning crimes, shall receive copies of LHMs or successor summary documents, and shall have access to the FBI files to the same extent as the Criminal Division. The relevant USAOs shall receive such information and access from the FBI field offices. The relevant USAOs also may and shall engage in regular consultations with the FBI and OIPR to the same extent as the Criminal Division.

With respect to FI or FCI investigations involving espionage, the Criminal Division shall, as appropriate, authorize the dissemination of information to a USAO, and shall also, as appropriate, authorize consultations between the FBI and a USAO, subject to the limits set forth in Parts II.A and II.B of these procedures. In an emergency, the FBI may disseminate information to, and consult with, a United States Attorney's Office concerning an espionage investigation without the approval of the Criminal Division, but shall notify the Criminal Division as soon as possible after the fact.

All information disseminated to a USAO pursuant to these procedures, whether or not the information is derived from FISA and whether or not it concerns a terrorism or espionage investigation, shall be disseminated only to the United States Attorney (USA) and/or any Assistant United States Attorneys (AUSUAs) designated to the Department of Justice by the USA as points of contact to receive such information. The USAs and the designated AUSAs shall have appropriate security clearances and shall receive training in the handling of classified information and information derived from FISA, including training concerning restrictions on the use and dissemination of such information.

Except in an emergency, where circumstances preclude the opportunity of consultation, the USAOs shall take no action on the information disseminated pursuant to these procedures without consulting with the Criminal Division and OIPR. The term "action" is defined to include the use of such information in any criminal proceeding (including search and arrest warrant affidavits and grand jury subpoenas and proceedings), and the disclosure of such information to a court or to any non-government personnel. See also U.S. Attorney's Manual §§9-2.136, 9-90.020. Disagreements arising from consultations pursuant to this paragraph may be presented to the Deputy Attorney General or the Attorney General for resolution.

INTELLIGENCE SHARING PROCEDURES FOR
FI AND FCI CONDUCTED BY THE FBI

All information acquired pursuant to a FISA electronic surveillance or physical search that is disseminated to a USAO shall be accompanied by a statement that such information, or any information derived therefrom, may only be used in any criminal proceeding (including search and arrest warrant affidavits and grand jury subpoenas and proceedings) with the advance authorization of the Attorney General. See 50 U.S.C. §§ 1806(b), 1835(c). Whenever a USAO requests authority from Attorney General to use such information in a criminal proceeding, it shall simultaneously notify the Criminal Division.

MEMORANDUM FOR HEADS OF DEPARTMENT OF JUSTICE
COMPONENTS AND HEADS OF FEDERAL DEPARTMENTS
AND AGENCIES WITH LAW ENFORCEMENT
RESPONSIBILITIES

FROM: The Attorney General -/S/-John Ashcroft

SUBJECT: Guidelines Regarding Disclosure to the Director of Central
Intelligence and Homeland Security Officials of Foreign
Intelligence Acquired in the course of a Criminal Investigation

BACKGROUND

The Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism (USA PATRIOT) Act of 2001, Pub. L. 107-56, 115 Stat. 272, 389, enacted into law certain requirements for the sharing of information by Federal law enforcement agencies with the intelligence community. Specifically, section 905(a) of the USA PATRIOT Act provides that “the Attorney General, or the head of any other department or agency of the Federal Government with law enforcement responsibilities, shall expeditiously disclose to the Director of Central Intelligence, pursuant to guidelines developed by the Attorney General in consultation with the Director, foreign intelligence acquired by an element of the Department of Justice or an element of such department or agency, as the case may be, in the course of a criminal investigation.”

Since the enactment of the USA PATRIOT Act, federal law enforcement agencies have taken steps to improve existing channels of communication with the intelligence community and certain offices relating to homeland security (collectively, “Receiving Agencies”) in order to share foreign intelligence

ATTORNEY GENERAL'S GUIDELINES REGARDING DISCLOSURE OF FOREIGN INTELLIGENCE ACQUIRED IN A CRIMINAL INVESTIGATION

acquired in the course of criminal investigations. The purpose of these guidelines is to formalize a framework pursuant to section 905(a) of the USA PATRIOT Act that will facilitate and increase to the fullest extent possible the continued expeditious sharing of such information. The procedures established by these guidelines for the sharing of information between components of the Department of Justice or other departments and agencies having law enforcement responsibilities with Recipients (as defined below) are not, however, intended to replace or supersede existing operational or information sharing mechanisms between Federal law enforcement agencies and Receiving Agencies. As appropriate, those relationships should continue to be used to the fullest extent possible.

Heads of Department of Justice components and heads of other departments and agencies of the Federal government having law enforcement responsibility shall distribute these guidelines within their respective departments, components and agencies, as appropriate, to ensure prompt and effective implementation of section 905(a) and these guidelines.

GUIDELINES FOR SECTION 905(A) INFORMATION SHARING

(1) SCOPE OF APPLICATION. These guidelines apply to all elements of the Department of Justice having criminal investigative or prosecutorial responsibilities and to all other departments and agencies of the Federal government having law enforcement responsibilities (hereinafter, collectively, "Federal Law Enforcement Agencies"). These guidelines do not apply to agencies that provide support to criminal investigations, but that do not themselves conduct criminal investigations (e.g., the Department of Treasury's Office of Foreign Assets Control and Financial Crimes Enforcement Network).

(2) LAW ENFORCEMENT INFORMATION SUBJECT TO MANDATORY DISCLOSURE. Subject to any exceptions established by the Attorney General in consultation with the Director of Central Intelligence (the "Director") and Assistant to the President for Homeland Security, section 905(a) and these guidelines require expeditious disclosure to the Director, the Assistant to the President for Homeland Security or other members of the U.S. intelligence community or homeland security agencies as are designated under paragraph 4, *infra*, of foreign intelligence acquired in the course of a criminal investigation conducted by Federal Law Enforcement Agencies.

(a) As used herein, the term "foreign intelligence" is defined in section 3 of the National Security Act of 1947 (50 U.S.C. § 401a) as: "information relating to the capabilities, intentions, or activities of foreign

ATTORNEY GENERAL'S GUIDELINES REGARDING DISCLOSURE OF FOREIGN INTELLIGENCE ACQUIRED IN A CRIMINAL INVESTIGATION

governments or elements thereof, foreign organizations, or foreign persons, or international terrorist activities.”

(b) The term “section 905(a) information” means foreign intelligence acquired in the course of a criminal investigation.

(c) Section 203(d) of the USA PATRIOT Act, provides that:

“Notwithstanding any other law, it shall be lawful for foreign intelligence or counterintelligence (as defined in section 3 of the National Security Act of 1947 (50 U.S.C §401a)) or foreign intelligence information obtained as part of a criminal investigation to be disclosed to any Federal law enforcement, intelligence, protective, immigration, national defense, or national security official in order to assist the official receiving that information in the performance of his official duties.”

Thus, no other Federal or state law operates to prevent the sharing of such information so long as disclosure of such information will assist the Director and the Assistant to the President for Homeland Security in the performance of their official duties, and Federal Law Enforcement Agencies shall, notwithstanding any other law, expeditiously disclose to the Recipients (as defined below) section 905(a) information.

(3) TRAINING. Pursuant to section 908 of the USA PATRIOT Act, the Department of Justice, in consultation with the Director, the Assistant to the President for Homeland Security, and other Federal Law Enforcement Agencies, will develop a training curriculum and program to ensure that law enforcement officials receive sufficient training to identify foreign intelligence subject to the disclosure requirements under these guidelines.

(4) ENTITIES TO WHOM DISCLOSURE SHALL BE MADE. The Director, in consultation with the Assistant to the President for Homeland Security, shall promptly advise the Attorney General of his designations of appropriate offices, entities and/or officials of Receiving Agencies to receive the disclosure of section 905(a) information not covered by an established operational or information sharing mechanism. Said designees, together with the Director and the Assistant to the President for Homeland Security and all offices, entities, or individuals covered by such an established mechanism, are collectively referred to herein as the “Recipients.” The Director, in consultation with the Assistant to the President for Homeland Security, shall ensure that sufficient Recipients are identified to facilitate expeditious sharing and handling of section 905(a) information.

(5) METHODS FOR DISCLOSURE OF SECTION 905(A) INFORMATION. Subject only to any exceptions that may be established pursuant to paragraph 9(a), *infra*, all section 905(a) information shall be shared as expeditiously as possible with one or more of the Recipients. The procedures established in this paragraph may be supplemented by more detailed definitions and protocols disseminated to

ATTORNEY GENERAL'S GUIDELINES REGARDING DISCLOSURE OF FOREIGN
INTELLIGENCE ACQUIRED IN A CRIMINAL INVESTIGATION

appropriate law enforcement, intelligence, and homeland security officials in classified or confidential form.

(a) **TERRORISM OR WEAPONS OF MASS DESTRUCTION (WMD) INFORMATION.** Federal law enforcement officials shall disclose immediately to one or more Recipients information which they reasonably believe relates to a potential terrorism or WMD threat to the United States homeland, its critical infrastructure, key resources (whether physical or electronic), or to United States persons or interests worldwide. Other terrorism or WMD information, as defined by section 5(a)(i) and (ii), shall be disclosed to one or more Recipients as expeditiously as possible. In all cases, the official shall disclose such information with the understood priorities of disrupting terrorist plans, preventing terrorists' attacks, and preserving the lives of United States persons. Disclosure may be made through one or more of the following: existing field-level operational or information sharing mechanisms, including a Joint Terrorism Task Force (JTTF); existing headquarters operational or information sharing mechanisms; or when the officer reasonably believes that time does not permit the use of any such established mechanisms, any other field level or other mechanism intended to facilitate immediate action, response or other efforts to address such threats.

As soon as possible after any disclosure under the preceding paragraph, the disclosing official shall notify the relevant JTTF of the disclosure. The JTTF shall, as appropriate, keep the relevant Anti-Terrorism Task Force (ATTF) apprised of the nature of the information disclosed. The relevant ATTF shall, in turn, apprise the Department of Justice Criminal Division's Terrorism and Violent Crime Section (TVCS). Where information is disclosed by the headquarters of the relevant Federal Law Enforcement Agency, the headquarters shall, as soon as practicable and to the extent reasonable, notify TVCS of all disclosures. Federal agencies may require additional notification procedures where appropriate.

For purposes of these guidelines, "terrorism information" and "weapons of mass destruction information" are defined as follows:

TERRORISM INFORMATION: All information relating to the existence, organization, capabilities, plans, intentions, vulnerabilities, means of finance or material support, or activities of foreign or international terrorist groups or individuals or threats posed by such groups or individuals to the United States, United

ATTORNEY GENERAL'S GUIDELINES REGARDING DISCLOSURE OF FOREIGN
INTELLIGENCE ACQUIRED IN A CRIMINAL INVESTIGATION

States persons, or United States interests, or to those of other nations, or to communications between such groups or individuals, or information relating to groups or individuals reasonably believed to be assisting or associated with them.

WEAPONS OF MASS DESTRUCTION (WMD) INFORMATION: All information relating to conventional explosive weapons and non-conventional weapons capable of causing mass casualties and damage, including chemical, biological, radiological and nuclear agents and weapons and the means of delivery of such weapons.

(b) ALL OTHER SECTION 905(A) INFORMATION. In consultation with the Department of Justice and the Director, Federal Law Enforcement Agencies shall develop (or continue to follow existing) protocols (which may be classified or confidential) to provide for the expeditious sharing of section 905(a) information concerning all other subjects.

(c) CONSULTATION WITH RESPECT TO TITLE III AND GRAND JURY MATERIALS. Except as to section 905(a) information related to a potential terrorism or WMD threat, disclosure of 905(a) information will be accomplished in consultation with the prosecuting official assigned to the case if: (i) the information was developed through investigatory activities occurring after a particular investigation has been referred formally to the Department of Justice for prosecution; and (ii) the information was produced by an electronic, wire, or oral interception or solely as a result of a grand jury subpoena or testimony occurring before a grand jury receiving information concerning the particular investigation. This consultation may be the basis for identifying appropriate use restrictions or for seeking an exception to the section 905(a) disclosure requirements as set forth in paragraph 9, *infra*.

Consultation shall be accomplished expeditiously, and any resulting disclosure shall occur no later than 48 hours after the prosecutor is initially notified. Section 905(a) information that a Federal law enforcement official reasonably believes is related to a potential terrorism or WMD threat, including information received from an electronic, wire, or oral interception or as a result of a grand jury subpoena or testimony occurring before a grand jury, shall be immediately disclosed by the Federal law enforcement official using the mechanisms described in paragraph 5(a), *supra*, and without need for advance consultation with the prosecuting official responsible for the case. Contemporaneously or as soon after making the disclosure as possible, the Federal law enforcement official shall notify the

ATTORNEY GENERAL'S GUIDELINES REGARDING DISCLOSURE OF FOREIGN INTELLIGENCE ACQUIRED IN A CRIMINAL INVESTIGATION

prosecuting official responsible for the case in order to facilitate notice to the court, if necessary or appropriate.

(6) REQUESTS FOR ADDITIONAL INFORMATION AND AMPLIFICATION ON INITIAL DISCLOSURE.

(a) Initial disclosure of section 905(a) information to Recipients shall be accomplished automatically and without specific prior request to the disclosing department, component, or agency.

(b) Requests by any Recipient for additional information or for clarification or amplification related to the initial disclosure should be coordinated, as applicable, through the component that provided the initial information or the designated headquarters office of the relevant Federal law enforcement agency.

(7) DISCLOSURE OF GRAND JURY AND ELECTRONIC, WIRE, AND ORAL INTERCEPTION INFORMATION.

(a) Sections 203(a) and (b) of the USA PATRIOT Act permit the disclosure of federal grand jury information and electronic, wire and oral interception information to specified recipients for specified purposes (hereinafter "section 203 information").

(b) Where section 203 information is shared pursuant to Paragraph 5, notice of such disclosures shall be promptly provided to the Office of Enforcement Operations (OEO) of the Department of Justice, Criminal Division. OEO shall establish appropriate record keeping procedures to ensure compliance with notice requirements related to the disclosure of grand jury information pursuant to section 203.

(c) The USA PATRIOT Act requires special procedures for the disclosure of section 203 information that identifies United States persons. The Federal law enforcement agency disclosing section 203 information pursuant to these guidelines shall observe the procedures established by the Attorney General for disclosing such information that identifies a United States person. A copy of the section 203 United States person information procedures is attached as Appendix B.

(d) By these guidelines the special procedures that were established pursuant to section 203(c) are made applicable to all section 905(a) disclosures of information that identify a United States person.

(8) INFORMATION USE RESTRICTIONS.

(a) In the absence of any significant law enforcement interests, as identified below in paragraph 8(b), necessitating the imposition of use restrictions, Federal Law Enforcement Agencies shall disclose section 905(a) information to Recipients pursuant to these guidelines free of any originator controls or information use restrictions.

ATTORNEY GENERAL'S GUIDELINES REGARDING DISCLOSURE OF FOREIGN INTELLIGENCE ACQUIRED IN A CRIMINAL INVESTIGATION

(b) The originator of the section 905(a) information may impose appropriate use restrictions necessary to protect sensitive law enforcement sources and ongoing criminal investigations and prosecutions. The scope and duration of such restrictions, including caveats restricting use of the disclosed information to a particular level or element of the intelligence community, will be tailored to address the particular situation or subject matter involved.

(i) When imposed, use restrictions shall be no more restrictive than necessary to accomplish the desired effect.

(ii) Once imposed, use restrictions shall be reviewed periodically by the originator to determine whether they can be narrowed or lifted at the request of Recipients.

(c) Section 203 information shall be disclosed subject to any use restrictions necessary to comply with notice and record keeping requirements and to protect sensitive law enforcement sources and ongoing criminal investigations and prosecutions.

(9) ATTORNEY GENERAL EXCEPTIONS TO MANDATORY DISCLOSURE OF SECTION 905 INFORMATION.

(a) Section 905(a) expressly authorizes the Attorney General, in consultation with the Director, to exempt by regulation from the mandatory disclosure obligation one or more classes of foreign intelligence or foreign intelligence related to one or more targets or matters.

(b) Pending the development of appropriate permanent exceptions, exemptions from the mandatory disclosure obligation will be determined by the Attorney General in consultation with the Director and the Assistant to the President for Homeland Security on a case-by-case basis.

(c) Requests for an Attorney General exception to mandatory disclosure of section 905(a) information must be submitted by the department, component or agency head in writing with a complete description of the facts and circumstances giving rise to the need for an exception and why lesser measures such as use restrictions are not adequate.

(10) ADMINISTERING AGENT. The Assistant Attorney General of the Criminal Division, in consultation with affected Agencies, Offices and Divisions of the Department of Justice, will act as executive agent for the Attorney General in administering these guidelines and providing advice and assistance to Federal law enforcement regarding the implementation of sections 203 and 905.

(11) NO PRIVATE RIGHTS CREATED. These procedures are not intended to and do not create any rights, privileges, or benefits, substantive or procedural,

ATTORNEY GENERAL'S GUIDELINES REGARDING DISCLOSURE OF FOREIGN
INTELLIGENCE ACQUIRED IN A CRIMINAL INVESTIGATION

enforceable by any party against the United States, its departments, agencies, or other entities, its officers or employees, or any other person
(12) EFFECTIVE IMMEDIATELY. The guidelines in this memorandum shall be effective immediately.

MEMORANDUM FOR HEADS OF DEPARTMENT COMPONENTS

FROM: The Attorney General -/S/-John Ashcroft

SUBJECT: Guidelines Regarding Prompt Handling of Reports of Possible
Criminal Activity Involving Foreign Intelligence Sources

Section 905(b) of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism (USA PATRIOT) Act of 2001, Pub. L. 107-56, 115 Stat. 272,389, requires the Attorney General to develop guidelines to ensure that the Department of Justice responds within a reasonable period of time to reports from the intelligence community of possible criminal activity involving foreign intelligence sources or potential foreign intelligence sources. See [50 U.S.C. § 3040(b)]. This memorandum establishes procedures to administer the requirements of section 905 (b).

Pursuant to section 1.7(a) of Executive Order 12333; 28 U.S.C. § 535(b); and the *1995 Memorandum of Understanding: Reporting of Information Concerning Federal Crimes* ("1995 MOU") between the Department of Justice and members of the intelligence community (Attachment A hereto), the intelligence community is required, inter alia, to report to the Assistant Attorney General or a designated Deputy Assistant Attorney General of the Criminal Division information that it has collected in the performance of its intelligence activities concerning possible federal crimes by employees of an intelligence agency and violations of specified federal criminal laws by any other person. This reporting requirement extends to matters in which the intelligence community agency determines that investigation or prosecution of the matter "may result in a public disclosure of classified information or intelligence sources or methods or would jeopardize the security of ongoing intelligence operations." 1995 MOU at 9.

ATTORNEY GENERAL'S GUIDELINES REGARDING REPORTS OF POSSIBLE
CRIMINAL ACTIVITY INVOLVING FOREIGN INTELLIGENCE SOURCES

Upon receipt of a report of possible criminal activity pursuant to the 1995 MOU, the designated Deputy Assistant Attorney General shall refer the possible crime report to the appropriate component within the Department of Justice for review, including a determination of whether to commence or decline to commence a criminal investigation.

Section 905(b) reflects a recognition that when the possible criminal activities involve a foreign intelligence source or potential foreign intelligence source, the referring intelligence community agency may have a strong interest in knowing on an expedited basis whether the Department of Justice intends to investigate potential crimes.

Accordingly, I hereby direct that, when an intelligence community agency making such a possible crime report (all of which fall within the scope of and therefore should be made pursuant to the 1995 MOU) to the Criminal Division of the Department:

- (1) notifies the Assistant Attorney General or designated Deputy Assistant Attorney General¹ that the possible crime report involves activity of a foreign intelligence source or potential foreign intelligence source; and
- (2) requests an expedited determination of the Department of Justice's intent to commence or decline to commence a criminal investigation,

the designated Deputy Assistant Attorney General and/or another attorney within the Criminal Division or other relevant component of the Department shall expeditiously confer with the referring intelligence community agency about the possible criminal activity, the reasons for the time sensitivity, and the nature and extent of the intelligence equities that may be affected by a decision to commence or decline to commence a criminal investigation of the reported activity. Upon receipt of the report, the designated Deputy Assistant Attorney General shall determine whether immediate contact with the referring agency is necessary. If a need for immediate contact is not established, an appropriate Department attorney will be made available for an initial contact with the referring intelligence community agency within seven days of the receipt of the report requesting an expedited determination.

¹ The notification should be documented in writing, consistent with the procedures set forth in the 1995 Memorandum of Understanding governing the reporting by the intelligence community of possible criminal activity to the Department of Justice.

ATTORNEY GENERAL'S GUIDELINES REGARDING REPORTS OF POSSIBLE
CRIMINAL ACTIVITY INVOLVING FOREIGN INTELLIGENCE SOURCES

After conferencing with the referencing agency, receiving any necessary additional information, and consulting with other appropriate Department components, the Assistant Attorney General or the designated Deputy Assistant Attorney General of the Criminal Division or another appropriate Department attorney shall inform the referring agency within a reasonable period of time whether the Department intends to commence or decline to commence a criminal investigation of the conduct described in the crime report. In all cases, Department attorneys shall take into account any special time urgency associated with the intelligence community agency's intelligence equities or the possible criminal activity and, if necessary, provide notice of the prosecutorial decision on a highly expedited basis. Except in extraordinary circumstances, the referencing agency should be informed within 30 days. Extraordinary circumstances requiring more than 30 days may include situations where the case is of unusual complexity or where information necessary for a prosecutorial decision is unavailable.

These procedures are not intended to and do not create any rights, privileges, or benefits, substantive or procedural, enforceable by any party against the United State, its departments, agencies, or other entities, its officers or employees, or any other person.

The guidelines in this memorandum shall be effective immediately.

**GUIDELINES TO ENSURE THAT THE INFORMATION PRIVACY
AND OTHER LEGAL RIGHTS OF AMERICANS ARE PROTECTED
IN THE DEVELOPMENT AND USE OF THE
INFORMATION SHARING ENVIRONMENT**

1. BACKGROUND AND APPLICABILITY.

(a) BACKGROUND. Section 1016(d) of the Intelligence Reform and Terrorism Prevention Act of 2004 (IRTPA) calls for the issuance of guidelines to protect privacy and civil liberties in the development and use of the “information sharing environment” (ISE). Section 1 of Executive Order 13388, Further Strengthening the Sharing of Terrorism Information to Protect Americans, provides that, “[t]o the maximum extent consistent with applicable law, agencies shall ... give the highest priority to ... the interchange of terrorism information among agencies ... [and shall] protect the freedom, information privacy, and other legal rights of Americans in the conduct of [such] activities” These Guidelines implement the requirements under the IRTPA and EO 13388 to protect information privacy rights and provide other legal protections relating to civil liberties and the legal rights of Americans in the development and use of the ISE.

(b) APPLICABILITY. These Guidelines apply to information about United States citizens and lawful permanent residents that is subject to information privacy or other legal protections under the Constitution and Federal laws of the United States (“protected information”). For the intelligence community, protected information includes information about “United States persons” as defined in Executive Order 12333. Protected information may also include other information that the U.S. Government expressly determines by Executive Order, international agreement, or other similar instrument, should be covered by these Guidelines.

2. COMPLIANCE WITH LAWS.

(a) GENERAL. In the development and use of the ISE, all agencies shall, without exception, comply with the Constitution and all applicable laws and Executive Orders relating to protected information.

(b) RULES ASSESSMENT. Each agency shall implement an ongoing process for identifying and assessing the laws, Executive Orders, policies, and procedures that apply to the protected information that it will make available or access through the ISE. Each agency shall identify, document, and comply with any legal restrictions applicable to such information. Each agency shall adopt internal policies and procedures requiring it to:

(i) only seek or retain protected information that is legally permissible for the agency to seek or retain under the laws, regulations, policies, and executive orders applicable to the agency; and

(ii) ensure that the protected information that the agency makes available through the ISE has been lawfully obtained by the agency and may be lawfully made available through the ISE.

(c) CHANGES. If, as part of its rules assessment process, an agency:

(i) identifies an issue that poses a significant risk to information privacy rights or other legal protections, it shall as appropriate develop policies and procedures to provide protections that address that issue;

(ii) identifies a restriction on sharing protected information imposed by internal agency policy, that significantly impedes the sharing of terrorism information, homeland security information, or law enforcement information (as defined in Section 13 below) in a manner that does not appear to be required by applicable laws or to protect information privacy rights or provide other legal protections, it shall review the advisability of maintaining such restriction;

(iii) identifies a restriction on sharing protected information, other than one imposed by internal agency policy, that significantly impedes the sharing of information in a manner that does not appear to be required to protect information privacy rights or provide other legal protections, it shall review such restriction with the ISE Privacy Guidelines Committee (described in Section 12 below), and if an appropriate internal resolution cannot be developed, bring such restriction to the attention of the Attorney General and the Director of National Intelligence (DNI). The Attorney General and the DNI shall review any such restriction and jointly submit any recommendations for changes to such restriction to the Assistant to the President for Homeland Security and Counterterrorism, the Assistant to the President for National Security Affairs, and the Director of the Office of Management and Budget for further review.

3. PURPOSE SPECIFICATION. Protected information should be shared through the ISE only if it is terrorism information, homeland security information, or law enforcement information (as defined in Section 13 below). Each agency shall adopt internal policies and procedures requiring it to ensure that the agency's access to and use of protected information available through the ISE is consistent with the authorized purpose of the ISE.

4. IDENTIFICATION OF PROTECTED INFORMATION TO BE SHARED THROUGH THE ISE.

(a) IDENTIFICATION AND PRIOR REVIEW. In order to facilitate compliance with these Guidelines, particularly Section 2 (Compliance with Laws) and Section 3 (Purpose Specification), each agency shall identify its data holdings that contain protected information to be shared through the ISE, and shall put in place such

mechanisms as may be reasonably feasible to ensure that protected information has been reviewed pursuant to these Guidelines before it is made available to the ISE.

(b) NOTICE MECHANISMS. Consistent with guidance and standards to be issued for the ISE, each agency shall put in place a mechanism for enabling ISE participants to determine the nature of the protected information that the agency is making available to the ISE, so that such participants can handle the information in accordance with applicable legal requirements. Specifically, such a mechanism will, to the extent reasonably feasible and consistent with the agency's legal authorities and mission requirements, allow for ISE participants to determine whether:

- (i) the information pertains to a United States citizen or lawful permanent resident;
- (ii) the information is subject to specific information privacy or other similar restrictions on access, use or disclosure, and if so, the nature of such restrictions; and
- (iii) there are limitations on the reliability or accuracy of the information.

5. DATA QUALITY.

(a) ACCURACY. Each agency shall adopt and implement procedures, as appropriate, to facilitate the prevention, identification, and correction of any errors in protected information with the objective of ensuring that such information is accurate and has not erroneously been shared through the ISE.

(b) NOTICE OF ERRORS. Each agency, consistent with its legal authorities and mission requirements, shall ensure that when it determines that protected information originating from another agency may be erroneous, includes incorrectly merged information, or lacks adequate context such that the rights of the individual may be affected, the potential error or deficiency will be communicated in writing to the other agency's ISE privacy official (the ISE privacy officials are described in section 12 below).

(c) PROCEDURES. Each agency, consistent with its legal authorities and mission requirements, shall adopt and implement policies and procedures with respect to the ISE requiring the agency to:

- (i) take appropriate steps, when merging protected information about an individual from two or more sources, to ensure that the information is about the same individual;
- (ii) investigate in a timely manner alleged errors and deficiencies and correct, delete, or refrain from using protected information found to be erroneous or deficient; and
- (iii) retain protected information only so long as it is relevant and timely for appropriate use by the agency, and update, delete, or refrain from

using protected information that is outdated or otherwise irrelevant for such use.

6. DATA SECURITY. Each agency shall use appropriate physical, technical, and administrative measures to safeguard protected information shared through the ISE from unauthorized access, disclosure, modification, use, or destruction.

7. ACCOUNTABILITY, ENFORCEMENT AND AUDIT.

(a) PROCEDURES. Each agency shall modify existing policies and procedures or adopt new ones as appropriate, requiring the agency to:

- (i) have and enforce policies for reporting, investigating, and responding to violations of agency policies relating to protected information, including taking appropriate action when violations are found;
- (ii) provide training to personnel authorized to share protected information through the ISE regarding the agency's requirements and policies for collection, use, and disclosure of protected information, and, as appropriate, for reporting violations of agency privacy protection policies;
- (iii) cooperate with audits and reviews by officials with responsibility for providing oversight with respect to the ISE; and
- (iv) designate each agency's ISE privacy official to receive reports (or copies thereof if the agency already has a designated recipient of such reports) regarding alleged errors in protected information that originate from that agency.

(b) AUDIT. Each agency shall implement adequate review and audit mechanisms to enable the agency's ISE privacy official and other authorized officials to verify that the agency and its personnel are complying with these Guidelines in the development and use of the SE.

8. REDRESS. To the extent consistent with its legal authorities and mission requirements, each agency shall, with respect to its participation in the development and use of the ISE, put in place internal procedures to address complaints from persons regarding protected information about them that is under the agency's control.

9. EXECUTION, TRAINING, AND TECHNOLOGY.

(a) EXECUTION. The ISE privacy official shall be responsible for ensuring that protections are implemented as appropriate through efforts such as training, business process changes, and system designs.

(b) TRAINING. Each agency shall develop an ongoing training program in the implementation of these Guidelines, and shall provide such training to agency personnel participating in the development and use of the ISE.

(c) TECHNOLOGY. Where reasonably feasible, and consistent with standards and procedures established for the ISE, each agency shall consider and implement, as appropriate, privacy enhancing technologies including, but not limited to, permissioning systems, hashing, data anonymization, immutable audit logs, and authentication.

10. AWARENESS. Each agency shall take steps to facilitate appropriate public awareness of its policies and procedures for implementing these Guidelines.

11. NON-FEDERAL ENTITIES. Consistent with any standards and procedures that may be issued to govern participation in the ISE by State, tribal, and local governments and private sector entities, the agencies and the PM-ISE will work with non-Federal entities seeking to access protected information through the ISE to ensure that such non-Federal entities develop and implement appropriate policies and procedures that provide protections that are at least as comprehensive as those contained in these Guidelines.

12. GOVERNANCE.

(a) ISE PRIVACY OFFICIALS. Each agency's senior official with overall agency-wide responsibility for information privacy issues (as designated by statute or executive order, or as otherwise identified in response to OMB Memorandum M-05-08 dated February 11, 2005), shall directly oversee the agency's implementation of and compliance with these Guidelines (the "ISE privacy official"). If a different official would be better situated to perform this role, he or she may be so designated by the head of the agency. The ISE privacy official role may be delegated to separate components within an agency, such that there could be multiple ISE privacy officials within one executive department. The ISE privacy official shall be responsible for ensuring that (i) the agency's policies, procedures, and systems are appropriately designed and executed in compliance with these Guidelines, and (ii) changes are made as necessary. The ISE privacy official should be familiar with the agency's activities as they relate to the ISE, possess all necessary security clearances, and be granted the authority and resources, as appropriate, to identify and address privacy and other legal issues arising out of the agency's participation in the ISE. Such authority should be exercised in coordination with the agency's senior ISE official.

(b) ISE PRIVACY GUIDELINES COMMITTEE. All agencies will abide by these Guidelines in their participation in the ISE. The PM shall establish a standing "ISE Privacy Guidelines Committee" to provide ongoing guidance on the

implementation of these Guidelines, so that, among other things, agencies follow consistent interpretations of applicable legal requirements, avoid duplication of effort, share best practices, and have a forum for resolving issues on an inter-agency basis. The ISE Privacy Guidelines Committee is not intended to replace legal or policy guidance mechanisms established by law, executive order, or as part of the ISE, and will as appropriate work through or in consultation with such other mechanisms. The ISE Privacy Guidelines Committee shall be chaired by the PM or a senior official designated by the PM, and will consist of the ISE privacy officials of each member of the Information Sharing Council. If an issue cannot be resolved by the ISE Privacy Guidelines Committee, the PM will address the issue through the established ISE governance process. The ISE Privacy Guidelines Committee should request legal or policy guidance on questions relating to the implementation of these Guidelines from those agencies having responsibility or authorities for issuing guidance on such questions; any such requested guidance shall be provided promptly by the appropriate agencies. As the ISE governance process evolves, if a different entity is established or identified that could more effectively perform the functions of the ISE Privacy Guidelines Committee, the ISE Privacy Guidelines Committee structure shall be modified by the PM through such consultation and coordination as may be required by the ISE governance process, to ensure the functions and responsibilities of the ISE Privacy Guidelines Committee remain priorities fully integrated into the overall ISE governance process.

(c) **PRIVACY AND CIVIL LIBERTIES OVERSIGHT BOARD.** The Privacy and Civil Liberties Oversight Board (PCLOB) should be consulted for ongoing advice regarding the protection of privacy and civil liberties in agencies' development and use of the ISE. To facilitate the performance of the PCLOB's duties, the ISE Privacy Guidelines Committee will serve as a mechanism for the PCLOB to obtain information from agencies and to provide advice and guidance consistent with the PCLOB's statutory responsibilities. Accordingly, the ISE Privacy Guidelines Committee should work in consultation with the PCLOB, whose members may attend Committee meetings, provide advice, and review and comment on guidance as appropriate.

(d) **ISE PRIVACY PROTECTION POLICY.** Each agency shall develop and implement a written ISE privacy protection policy that sets forth the mechanisms, policies, and procedures its personnel will follow in implementing these Guidelines. Agencies should consult with the ISE Privacy Guidelines Committee as appropriate in the development and implementation of such policy.

13. GENERAL PROVISIONS.

(a) DEFINITIONS.

(i) The term “agency” has the meaning set forth for the term “executive agency” in section 105 of title 5, United States Code, but includes the Postal Rate Commission and the United States Postal Service and excludes the Government Accountability Office.

(ii) The term “protected information” has the meaning set forth for such term in paragraph 1(b) of these Guidelines.

(iii) The terms “terrorism information,” “homeland security information,” and “law enforcement information” are defined as follows:

[I] “Terrorism information,” consistent with section 1016(a)(4) of IRTPA means all relating to (A) the existence, organization, capabilities, plans, intentions, vulnerabilities, means of finance or material support, or activities of foreign or international terrorist groups or individuals, or of domestic groups or individuals involved in transnational terrorism, (B) threats posed by such groups or individuals to the United States, United States persons, or United States interests, or to those of other nations, (C) communications of or by such groups or individuals, or (D) groups or individuals reasonably believed to be assisting or associated with such groups or individuals.

criminal or unlawful conduct or assisting or associated with criminal or unlawful conduct; the existence, identification, detection, prevention, interdiction, or disruption of, or response to, criminal acts and violations of the law; identification, apprehension, prosecution, release, detention, adjudication, supervision, or rehabilitation of accused persons or criminal offenders; and victim/witness assistance.

- (b) The treatment of information as “protected information” under these Guidelines does not by itself establish that the individual or entity to which such information pertains does in fact have information privacy or other legal rights with respect to such information.
- (c) Heads of executive departments and agencies shall, to the extent permitted by law and subject to the availability of appropriations, provide the cooperation, assistance, and information necessary for the implementation of these Guidelines.
- (d) These Guidelines:
- (i) shall be implemented in a manner consistent with applicable laws and executive orders, including Federal laws protecting the information privacy rights and other legal rights of Americans, and subject to the availability of appropriations;
 - (ii) shall be implemented in a manner consistent with the statutory authority of the principal officers of executive departments and agencies as heads of their respective departments or agencies;
 - (iii) shall not be construed to impair or otherwise affect the functions of the Director of the Office of Management and Budget relating to budget, administrative, and legislative proposals; and
 - (iv) are intended only to improve the internal management of the Federal Government and are not intended to, and do not, create any rights or benefits, substantive or procedural, enforceable at law or in equity by a party against the United States, its departments, agencies, or entities, its officers, employees, or agencies, or any other person.

THRESHOLD CRITERIA FOR REPORTING
INTELLIGENCE OVERSIGHT MATTERS

**CRITERIA ON THRESHOLDS FOR REPORTING INTELLIGENCE
OVERSIGHT MATTERS AND INSTRUCTIONS RELATING TO
FORMATTING AND SCHEDULING**

Intelligence oversight reporting serves as an early warning of intelligence activities of which the President should be informed, through either his Intelligence Oversight Board (IOB) or the Director of National Intelligence (DNI), or both, and provides a means by which the Executive Branch may quickly identify and correct in a timely manner any deficiencies in the conduct of its intelligence activities. The following criteria on thresholds for reporting intelligence oversight matters to the IOB, and instructions on formatting and scheduling of reports, are issued under the authority of Executive Order 13462, as amended.

I. CRITERIA ON THRESHOLDS FOR REPORTING. The heads of departments with organizations in the Intelligence Community (IC), or the heads of such organizations, or their designees, shall:

(A) Report to the IOB, with copies to the DNI, any intelligence activity which there is reason to believe may be unlawful or contrary to executive order (EO) or presidential directive (PD). The following guidance applies to determining whether a particular matter should be reported:

- (1) “Intelligence activities” has the meaning specified in Part 3.5(g) of EO 12333 and, for purposes of these criteria, include, but are not limited to, the acquisition, collection, retention, analysis, and dissemination of intelligence information.
- (2) Intelligence activities are reportable if a reasonable person would believe they may be unlawful or contrary to EO or PD without waiting for substantiation, investigation, formal adjudication, or resolution of the issue of whether a particular matter is unlawful or contrary to EO or PD.
- (3) Intelligence activities to be reported under EOs 13462 and 12333 are not limited to those that concern “United States persons,” as defined in Part 3.5(k) of EO 12333 or in any successor EO.
- (4) “Executive order or presidential directive” means, for purposes of implementing these criteria, a document signed by the President of the United States that has the force of law for the Executive Branch or constitutes the exercise by the President of his Executive authority. Violations of procedures and guidelines that heads of

THRESHOLD CRITERIA FOR REPORTING
INTELLIGENCE OVERSIGHT MATTERS

departments or IC components have established to implement EO 12333, or a successor order, should be reported if such matters are of potential presidential interest or deemed appropriate for the IOB's review, e.g., because they involve the apparent violation of substantive rights of individuals.

(5) Reportable events include the initiation of, and significant developments in, investigations or other inquiries relating to the legality or propriety of intelligence activities.

(6) Initial reports made on the basis of incomplete or inaccurate reporting are to be updated as additional information becomes available. Subsequent or updated reports should be identified in such a manner that they can be accurately related to the relevant initial reports.

(7) Intelligence activities are reportable to the IOB if such activities are required to be reported or have been reported to the Attorney General as required by law or other directive, including the Memorandum of Understanding on Reporting of Information Concerning Federal Crimes (1995).

(8) Any intelligence activity that is to be reported to any congressional committee or member of Congress because it is or may be unlawful or contrary to executive order or otherwise "significant or highly sensitive" (see paragraph B, below) shall also be reported to the IOB and DNI generally before such a congressional report is made. Any report concerning intelligence activities that is submitted to any committee or member of Congress shall also be submitted to the IOB and DNI if the activities were also reportable under these criteria.

(B) Report to the IOB and DNI significant or highly sensitive matters.

(1) "Significant or highly sensitive matters" are intelligence activities (regardless of whether the intelligence activities are unlawful or contrary to executive order or presidential directive), or serious criminal activities by intelligence personnel, that could impugn the reputation or integrity of the IC, or otherwise call into question the propriety of intelligence activities.

(2) Such matters might be manifested by actual or the potential for:

- (a) congressional inquiries or investigations;
- (b) adverse media coverage;
- (c) impact on foreign relations or foreign partners; or
- (d) systemic compromise, loss, or unauthorized disclosure of protected information.

THRESHOLD CRITERIA FOR REPORTING
INTELLIGENCE OVERSIGHT MATTERS

II. CONTENT OF REPORTS. Intelligence oversight reports should include (to the extent practicable without compromising the timeliness of reporting) the following:

- (A) A narrative describing each intelligence activity in question.
- (B) A statement describing when the matter occurred, when it was discovered and initially reported within the IC element, and if applicable, an explanation for any delay in reporting to the IOB.
- (C) Why the matter is being reported, *i.e.*, it is:
 - (1) a potential violation of law (cite the relevant law, if a judgment has been made);
 - (2) potentially contrary to EO or PD (cite the relevant section or part of the EO or PD);
 - (3) a potential violation of agency procedures (cite the specific rule or procedure, if a judgment has been made);
 - (4) “significant” because . . . ; or
 - (5) “highly sensitive” because . . .
- (D) An explanation and analysis of how or why the incident occurred.
- (E) An assessment of any impact of the incident on national security or international relations, as well as any mitigation efforts, including successes and failures of such efforts.
- (F) Any remedial action the IC element has taken or is taking to prevent recurrence of the incident being reported.
- (G) An assessment of any impact the reported intelligence activity may have on civil liberties or protected privacy rights.
- (H) How the IC element concerned is addressing any information improperly acquired, handled, used, destroyed, etc., as a consequence of the matter being reported.
- (I) Quarterly reports, see section IV.B, shall include a summary of the gravity, frequency, trends, and patterns of matters reported for the quarter.
- (J) Any additional information that the reporting official considers relevant for purposes of fully and completely informing the IOB and the DNI on an intelligence oversight matter.

III. FORMATTING REPORTS. Reports may be formatted in accordance with departmental or agency policies, provided all the substantive information described above is included in each report.

THRESHOLD CRITERIA FOR REPORTING
INTELLIGENCE OVERSIGHT MATTERS

IV. SCHEDULING FOR REPORTING.

(A) Significant or highly sensitive matters must be reported immediately.

(1) Significant or highly sensitive matters may be reported orally, if necessary, and followed up with a written report as soon as possible thereafter. The preference is for written reports.

(2) Significant or highly sensitive matters, whether or not believed to be unlawful or contrary to EO or PD, shall be reported to the IOB and DNI.

(B) Reports of matters other than significant or highly sensitive matters shall be submitted on a quarterly basis. The first report for the calendar year shall cover 1 January through 31 March, and so on for each quarter of the year.

(C) Quarterly reports are due no later than 60 days following the end of each quarter.

(D) All IC elements must submit reports at least quarterly, even if a component has not been made aware of any reportable matter during the reporting period.

Questions concerning the implementation of EO 13462, or intelligence oversight reporting in general, may be submitted to the IOB's General Counsel, or to the ODNI IOB Team: [ODNI/OIG or ODNI/OGC].

MEMORANDUM OF UNDERSTANDING:
REPORTING OF INFORMATION CONCERNING FEDERAL CRIMES

I. INTRODUCTION

Section 1.7 (a) of Executive Order (E.O.) 12333 requires senior officials of the Intelligence Community to—

report to the Attorney General possible violations of the federal criminal laws by employees and of specified federal criminal laws by any other person as provided in procedures agreed upon by the Attorney General and the head of the department or agency concerned, in a manner consistent with the protection of intelligence sources and methods, as specified in those procedures.

Title 28, United States Code, Section 535 (b) requires that—

[a]ny information, allegation, or complaint received in a department or agency of the executive branch of government relating to violations of title 18 involving Government officers and employees shall be expeditiously reported to the Attorney General by the head of the department or agency, unless—

- (1) the responsibility to perform an investigation with respect thereto is specifically assigned otherwise by another provision of law; or
- (2) as to any department or agency of the Government, the Attorney General directs otherwise with respect to a specified class of information, allegation, or complaint.

This Memorandum of Understanding (MOU) sets forth the procedures by which each agency and organization within the Intelligence Community shall report to the Attorney General and to federal investigative agencies information concerning possible federal crimes by employees of an intelligence agency or organization, or violations of specified federal criminal laws by any other person, which information was collected by it during the performance of its designated intelligence activities, as those activities are defined in E.O. 12333, §§1.8-1.13.

II. DEFINITIONS

(A) “Agency,” as that term is used herein, refers to those agencies and organizations within the Intelligence Community as defined in E.O. 12333, §3.4(f), but excluding the intelligence elements of the Federal Bureau of Investigation and the Department of Treasury.

(B) “Employee,” as that term is used herein, means:

- (1) a staff employee, contract employee, asset, or other person or entity providing service to or acting on behalf of any agency within the intelligence community;

(2) a former officer or employee of any agency within the intelligence community for purposes of an offense committed during such person's employment, and for purposes of an offense involving a violation of 18 U.S.C. § 207 (Conflict of interest); and

(3) any other Government employee on detail to the Agency.

(C) "General Counsel" means the general counsel of the Agency or of the Department of which it is a component or an oversight person designated by such person to act on his/her behalf, and for purposes of these procedures may include an Inspector General or equivalent official if agency or departmental procedures so require or if designated by the agency or department head.

(D) "Inspector General" or "IG" means the inspector general of the Agency or of the department of which the Agency is a component.

(E) "Reasonable basis" exists when there are facts and circumstances, either personally known or of which knowledge is acquired from a source believed to be reasonably trustworthy, that would cause a person of reasonable caution to believe that a crime has been, is being, or will be committed. The question of which federal law enforcement or judicial entity has jurisdiction over the alleged criminal acts shall have no bearing upon the issue of whether a reasonable basis exists.

III. SCOPE

(A) This MOU shall not be construed to authorize or require the Agency, or any person or entity acting on behalf of the Agency, to conduct any investigation not otherwise authorized by law, or to collect any information in a manner not authorized by law.

(B) This MOU ordinarily does not require an intelligence agency or organization to report crimes information that was collected and disseminated to it by another department, agency, or organization. Where, however, the receiving agency is the primary or sole recipient of that information, or if analysis by the receiving agency reveals additional crimes information, the receiving agency shall be responsible for reporting all such crimes information in accordance with the provisions of this MOU.

(C) This MOU does not in any way alter or supersede the obligation of an employee of an intelligence agency to report potential criminal behavior by other employees of that agency to an IG, as required either by statute or by agency regulations, nor affect any protections afforded any persons reporting such behavior to an IG. Nor does this MOU affect any crimes reporting procedures between the IG Offices and the Department of Justice.

(D) This MOU does not in any way alter or supersede any obligation of a department or agency to report to the Attorney General criminal behavior by

Government employees not employed by the intelligence community, as required by 28 U.S.C. § 535.

(E) This MOU does not affect the obligation to report to the Federal Bureau of Investigation alleged or suspected espionage activities as required under Section 811(c) of the Intelligence Authorization Act of 1995.

(F) The following crimes information is exempted from the application of this memorandum if the specified conditions are met:

(1) Crimes information that has been reported to an IG;¹

(2) Crimes information received by a Department of Defense intelligence component concerning a Defense intelligence component employee who either is subject to the Uniform Code of Military Justice or is a civilian and has been accused of criminal behavior related to his/her assigned duties or position, if (a) the information is submitted to and investigated by the appropriate Defense Criminal Investigative Organization, and (b) in cases involving crimes committed during the performance of intelligence activities, the General Counsel provides to the Department of Justice a report reflecting the nature of the charges and the disposition thereof;

(3) Information regarding non-employee crimes listed in Section VII that is collected by the intelligence component of a Department also having within it a law enforcement organization where (a) the crime is of the type that the Department's law enforcement organization has jurisdiction to investigate; and (b) the Department's intelligence organization submits that crimes information to the Department's law enforcement organization for investigation and further handling in accordance with Department policies and procedures;²

(4) Crimes information regarding persons who are not employees of the Agency, as those terms are defined in Section II, that involve crimes against property in an amount of \$1,000 or less, or, in the case of Agency employees, crimes against property in an amount of \$500 or less. As to other relatively minor offenses to which this MOU would ordinarily apply, but which, in the General Counsel's opinion, do not warrant reporting pursuant to this MOU, the General Counsel may orally contact

¹ If, however, the IG determines that the reported information is not properly subject to that office's jurisdiction, but that such information may be reportable pursuant to this MOU, the IG may forward the information to the DOJ in compliance with these procedures. Alternatively, the IG may transmit the information to the Agency's General Counsel for a determination of what response, if any, is required by this MOU.

² This MOU does not affect the crimes reporting obligations of any law enforcement and other non-intelligence components of a department, agency, or organization.

the Assistant Attorney General, Criminal Division,* or his/her designee. If the Department of Justice concurs with that opinion, no further reporting under these procedures is required. The General Counsel shall maintain an appropriate record of such contacts with the Department. If deemed appropriate by the General Counsel, he/she may take necessary steps to pass such information to the appropriate law enforcement authorities; or

(5) Information, other than that relating to homicide or espionage, regarding crimes that were completed more than ten years prior to the date such allegations became known to the agency. If, however, the Agency has a reasonable basis to believe that the alleged criminal activities occurring ten or more years previously relate to, or are a part of, a pattern of criminal activities that continued within that ten year interval, the reporting procedures herein will apply to those activities.

(G) The Procedures set forth herein are not intended to affect whether an intelligence agency reports to state or local authorities activity that appears to constitute a crime under state law. In the event that an intelligence agency considers it appropriate to report to state or local authorities possible criminal activity that may implicate classified information or intelligence sources or methods, it should inform the AAG, or the designated Deputy AAG, Criminal Division, in accordance with paragraph VIII.C, below; the Criminal Division will consult with the intelligence agency regarding appropriate methods for conveying the information to state or local authorities. In the event that an intelligence agency considers it appropriate to report to state or local authorities possible criminal activity that is not expected to implicate classified information or intelligence sources or methods, it should nevertheless provide a copy of such report to the AAG, or to the designated Deputy AAG, Criminal Division.

IV. GENERAL CONSIDERATIONS: ALLEGATIONS OF CRIMINAL ACTS COMMITTED BY AGENCY EMPLOYEES

(A) This Agreement requires each employee of the Agency to report to the General Counsel or IG facts or circumstances that reasonably indicate to the

* [Pursuant to Attorney General Alberto Gonzales's letter of September 14, 2007, to Director of National Intelligence J. Michael McConnell, within this Memorandum of Understanding all referenced functions of the Assistant Attorney General for the Criminal Division or of the Criminal Division, generally, shall be read to refer to the Assistant Attorney General for National Security and the National Security Division, respectively.]

employee that an employee of an intelligence agency has committed, is committing, or will commit a violation of federal criminal law.³

(B) Except as exempted in Section III, when the General Counsel has received allegations, complaints or information (hereinafter allegations) that an employee of the Agency may have violated, may be violating, or may violate a federal criminal statute, that General Counsel should within a reasonable period of time determine whether there is a reasonable basis to believe that a federal crime has been, is being, or will be committed and that it is a crime which, under this memorandum, must be reported. The General Counsel may, as set forth in Section V, below, conduct a preliminary inquiry for this purpose. If a preliminary inquiry reveals that there is a reasonable basis for the allegations, the General Counsel will follow the reporting procedures set forth in Section VIII, below. If a preliminary inquiry reveals that the allegations are without a reasonable basis, the General Counsel will make a record, as appropriate, of that finding and no reporting under these procedures is required.

V. PRELIMINARY INQUIRY INTO ALLEGATIONS AGAINST AN AGENCY EMPLOYEE

(A) The General Counsel's preliminary inquiry regarding allegations against an Agency employee will ordinarily be limited to the following:

- (1) review of materials submitted in support of the allegations;
- (2) review of Agency indices, records, documents, and files;
- (3) examination of premises occupied by the Agency;
- (4) examination of publicly available federal, state, and local government records and other publicly available records and information;
- (5) interview of the complainant; and
- (6) interview of any Agency employee, other than the accused, who, in the opinion of the General Counsel, may be able to corroborate or refute the allegations.

(B) Where criminal allegations against an Agency employee are subject to this MOU, an interview of that employee may only be undertaken in compliance with the following conditions:

³ When a General Counsel or IG has received information concerning alleged violations of federal law by an employee of another intelligence community agency, and those violations are not exempted under section III. E. 4, hereof, the General Counsel shall notify in writing the General Counsel of the accused employee's agency. The latter General Counsel must then determine whether this MOU requires the allegations to be reported to the Department of Justice.

(1) Where the crime alleged against an Agency employee does not pertain to a serious felony offense,⁴ a responsible Agency official may interview the accused employee; however, such interview shall only be conducted with the approval of the General Counsel, the IG, or, as to Defense and military employees, the responsible military Judge Advocate General or the responsible Defense Criminal Investigative Organization.

(2) Where the crime alleged against an Agency employee is a serious felony offense, the Agency shall ordinarily not interview the accused employee, except where, in the opinion of the General Counsel, there are exigent circumstances⁵ which require that the employee be interviewed. If such exigent circumstances exist, the General Counsel or other attorney in the General Counsel's office may interview the accused employee to the extent reasonably necessary to eliminate or substantially reduce the exigency.

(3) In all other cases of alleged serious felonies, the General Counsel, or the General Counsel's designee, may interview the accused employee only after consultation with the Agency's IG, a Defense Criminal Investigative Organization (for Defense and military employees), or with the Department of Justice regarding the procedures to be used during an interview with the accused employee.

Any interview of an accused employee that is undertaken shall be conducted in a manner that does not cause the loss, concealment, destruction, damage or alteration of evidence of the alleged crime, nor result in the immunization of any statements made by the accused employee during that interview. The Agency shall not otherwise be limited by this MOU either as to the techniques it is otherwise authorized to use, or as to its responsibility to provide for its security functions pursuant to E.O. 12333.

⁴ A "serious felony offense" includes any offense listed in Section VII, hereof, violent crimes, and other offenses which, if committed in the presence of a reasonably prudent and law-abiding person, would cause that person immediately to report that conduct directly to the police. For purposes of this MOU, crimes against government property that do not exceed \$5,000 and are not part of a pattern of continuing behavior or of a criminal conspiracy shall not be considered serious felony offenses.

⁵ "Exigent circumstances" are circumstances requiring prompt action by the Agency in order to protect life or substantial property interests; to apprehend or identify a fleeing offender; or to prevent the compromise, loss, concealment, destruction, or alteration of evidence in a crime.

VI. GENERAL CONSIDERATIONS: ALLEGATIONS OF CRIMINAL ACTS COMMITTED BY NON-EMPLOYEES

(A) This MOU requires each employee of the Agency to report, to the General Counsel or as otherwise directed by the Department or Agency head, facts or circumstances that reasonably indicate to the employee that a non-employee has committed, is committing, or will commit one or more of the specified crimes in Section VII, below.

(B) When an Agency has received information concerning alleged violations of federal law by a person other than an employee of an intelligence agency, and has determined that the reported information provides a reasonable basis to conclude that a violation of one of the specified crimes in Section VII has occurred, is occurring, or may occur, the Agency shall report that information to the Department of Justice in accordance with Sections VIII or IX, below.

VII. REPORTABLE OFFENSES BY NON-EMPLOYEES

(A) Unless exempted under Section III, above, allegations concerning criminal activities by non-employees are reportable if they pertain to one or more of the following specified violations of federal criminal law:

(1) Crimes involving intentional infliction or threat of death or serious physical harm. These include but are not limited to homicide, kidnapping, hostage taking, assault (including sexual assault), or threats or attempts to commit such offenses, against any person in the United States or a U.S. national or internationally protected person (as defined in 18 U.S.C. § 1116(b)(4)), whether in the United States or abroad.

(2) Crimes, including acts of terrorism, that are likely to affect the national security, defense or foreign relations of the United States. These may include but are not limited to:

(a) Espionage; sabotage; unauthorized disclosure of classified information; seditious conspiracies to overthrow the government of the United States; fund transfers violating the International Emergency Economic Powers Act; providing material or financial support to terrorists; unauthorized traffic in controlled munitions or technology; or unauthorized traffic in, use of, or contamination by nuclear materials, chemical or biological weapons, or chemical or biological agents; whether in the United States or abroad;

(b) Fraudulent entry of persons into the United States, the violation of immigration restrictions or the failure to register as a foreign agent or an intelligence trained agent;

(c) Offenses involving interference with foreign governments or interference with the foreign policy of the United States whether occurring in the United States or abroad;

- (d) Acts of terrorism anywhere in the world which target the U.S. government or its property, U.S. persons, or any property in the United States, or in which the perpetrator is a U.S. person; aircraft hijacking; attacks on aircraft or international aviation facilities; or maritime piracy;
 - (e) The unauthorized transportation or use of firearms or explosives in interstate or foreign commerce.
- (3) Crimes involving foreign interference with the integrity of U.S. governmental institutions or processes. Such crimes may include:
- (a) Activities to defraud the U.S. government or any federally protected financial institution, whether occurring in the United States or abroad;
 - (b) Obstruction of justice or bribery of U.S. officials or witnesses in U.S. proceedings, whether occurring in the United States or abroad;
 - (c) Interference with U.S. election proceedings or illegal contributions by foreign persons to U.S. candidates or election committees;
 - (d) Perjury in connection with U.S. proceedings, or false statements made in connection with formal reports or applications to the U.S. government, or in connection with a formal criminal or administrative investigation, whether committed in the United States or abroad;
 - (e) Counterfeiting U.S. obligations or any other governmental currency, security or identification documents used in the United States, whether committed in the United States or abroad; transactions involving stolen governmental securities or identification documents or stolen or counterfeit non-governmental securities.
- (4) Crimes related to unauthorized electronic surveillance in the United States or to tampering with, or unauthorized access to, computer systems.
- (5) Violations of U.S. drug laws including: the cultivation, production, transportation, importation, sale, or possession (other than possession of user quantities) of controlled substances; the production, transportation, importation, and sale of precursor or essential chemicals.
- (6) The transmittal, investment and/or laundering of the proceeds of any of the unlawful activities listed in this Section, whether committed in the United States or abroad.
- (B) Any conspiracy or attempt to commit a crime reportable under this section shall be reported if the conspiracy or attempt itself meets the applicable reporting criteria.

(C) The Attorney General also encourages the Agency to notify the Department of Justice when the Agency's otherwise routine collection of intelligence in accordance with its authorities results in its acquisition of information about the commission of other serious felony offenses by non-employees, e.g. violations of U.S. environmental laws relating to ocean and inland water discharging or dumping, drinking water contamination, or hazardous waste disposal, and crimes involving interference with the integrity of U.S. governmental institutions or processes that would not otherwise be reportable under section VII.A.3.

VIII. PROCEDURE FOR SUBMITTING SPECIAL CRIMES REPORTS

(A) Where the Agency determines that a matter must be the subject of a special report to the Department of Justice, it may, consistent with paragraphs VIII.B and VIII.C, below, make such a report (1) by letter or other, similar communication from the General Counsel, or (2) by electronic or courier dissemination of information from operational or analytical units, provided that in all cases, the subject line and the text of such communication or dissemination clearly reflects that it is a report of possible criminal activity. The Department of Justice shall maintain a record of all special crimes reports received from the Agency.

(B) Where the Agency determines that a matter must be the subject of a special report to the Department of Justice; and where the Agency further determines that no public disclosure of classified information or intelligence sources and methods would result from further investigation or prosecution, and the security of ongoing intelligence operations would not be jeopardized thereby, the Agency will report the matter to the federal investigative agency having jurisdiction over the criminal matter. A copy of that report must also be provided to the AAG, or designated Deputy AAG, Criminal Division.

(C) Where the Agency determines that further investigation or prosecution of a matter that must be specifically reported may result in a public disclosure of classified information or intelligence sources or methods or would jeopardize the security of ongoing intelligence operations, the Agency shall report the matter to the AAG or designated Deputy AAG, Criminal Division. A copy of that report must also be provided to the Assistant Director, Criminal Investigations or National Security Divisions, Federal Bureau of Investigation, or in the event that the principal investigative responsibility resides with a different federal investigative agency, to an appropriately cleared person of equivalent position in such agency. The Agency's report should explain the security or operational problems that would or might arise from a criminal investigation or prosecution.

(D) Written documents associated with the reports submitted pursuant to this section may refer to persons who are the subjects of the reports by non-identifying terms (such as "John Doe # ____"). The Agency shall advise the

Department of Justice or relevant federal investigative agency of the true identities of such persons if so requested.

(E) It is agreed that, in acting upon information reported in accordance with these procedures, the Agency, the Department of Justice and the relevant federal investigative agencies will deal with classified information, including sources and methods, in a manner consistent with the provisions of relevant statutes and Executive Orders, including the Classified Information Procedures Act.

IX. WHEN ROUTINE DISSEMINATION MAY BE USED IN LIEU OF A SPECIAL CRIMES REPORT

(A) Except as set forth in IX.B, below, the Agency may report crimes information regarding non-employees to the Department of Justice by routine dissemination, provided that:

- (1) the crimes information is of the type that is routinely disseminated by the Agency to headquarters elements of cognizant federal investigative agencies;
- (2) the criminal activity is of a kind that is normally collected and disseminated to law enforcement by the Agency (e.g., drug trafficking, money laundering, terrorism, or sanctions violations); and
- (3) the persons or entities involved are members of a class that are routinely the targets or objects of such collection and dissemination.

If all three of these conditions are met, the Agency may satisfy its crimes reporting obligation through routine dissemination to the Department of Justice, Criminal Division, and to all cognizant federal law enforcement agencies, which shall retain primary responsibility for review of disseminated information for evidence of criminal activity. In all other cases, the special reporting procedures in Section VIII shall apply. As requested by the Department of Justice, the Agency will coordinate with the Department to facilitate the Department's analytical capabilities as to the Agency's routine dissemination of crimes information in compliance with this MOU.

(B) Routine dissemination, as discussed in IX.A, above, may not be used in lieu of the special reporting requirements set forth herein as to the following categories of criminal activities:

- (1) Certain crimes involving the intentional infliction or threat of death or serious physical harm (VII.A.1, above);
- (2) Espionage; sabotage; unauthorized disclosure of classified information; and seditious conspiracies to overthrow the government of the United States (VII.A.2.a, above); and
- (3) Certain crimes involving foreign interference with the integrity of U.S. governmental institutions or processes (VII.A.3.b and c, above).

X. OTHER AGENCY RESPONSIBILITIES

(A) The Agency shall develop internal procedures in accordance with the provisions of Sections VIII and IX for the reporting of criminal information by its employees as required under Sections IV.A and VI.A.

(B) The Agency shall also establish initial and continuing training to ensure that its employees engaged in the review and analysis of collected intelligence are knowledgeable of and in compliance with the provisions of this MOU.

XI. RELATION TO OTHER PROCEDURES AND AGREEMENTS

(A) If the Agency desires, for administrative or security reasons, to conduct a more extensive investigation into the activities of an employee relating to any matter reported pursuant to this MOU, it will inform the Department of Justice and the federal investigative agency to which the matter was reported. The Agency may also take appropriate administrative, disciplinary, or other adverse action at any time against any employee whose activities are reported under these procedures. However, such investigations or adverse actions shall be coordinated with the proper investigative or prosecuting officials to avoid prejudice to any criminal investigation or prosecution.

(B) Nothing in these procedures shall be construed to restrict the exchange of information among the Agencies in the Intelligence Community or between those Agencies and law enforcement entities other than the Department of Justice.

(C) This MOU supersedes all prior crimes reporting memoranda of understanding executed pursuant to the requirements of E.O. 12333. To the extent that there exist any conflicts between other Agency policies or directives and the provisions herein, such conflicts shall be resolved in accordance with the provisions of this MOU. However, this MOU shall not be construed to modify in any way the August 1984 Memorandum of Understanding between the Department of Defense and the Department of Justice relating to the investigation and prosecution of certain crimes.

(D) The parties understand and agree that nothing herein shall be construed to alter in any way the current routine dissemination by the Agency of intelligence information, including information regarding alleged criminal activities by any person, to the Department of Justice or to federal law enforcement agencies.

XII. MISCELLANEOUS

(A) This MOU shall become effective as to each agency below as of the date signed by the listed representative of that agency.

(B) The Intelligence-Law Enforcement Policy Board, within one year of the date of the effective date hereof, and as it deems appropriate thereafter, will appoint a working group consisting of an equal number of representatives from the

MOU: REPORTING OF INFORMATION CONCERNING FEDERAL CRIMES

intelligence and law enforcement communities, including the Criminal Division. That working group shall do the following:

- (1) review the Agency's implementation of Sections III.F and IV.B, hereof;
- (2) consider whether the crimes reporting requirements of E.O. 12333 and other authorities are being met through the operation of this MOU;
- (3) review each of the provisions of this MOU and determine what, if any, modifications thereof should be recommended to the Policy Board, or its successor; and
- (4) issue a report to the Policy Board of its findings and recommendations in each of the foregoing categories.

(C) The Policy Board in turn shall make recommendations to the Attorney General, the Director of Central Intelligence, and the heads of the affected agencies concerning any modifications to the MOU that it considers necessary.
